Title One 2023-2024 School Summary Report

The mission of Calhoun County Public Schools is to empower all students to compete and succeed in an ever-changing global society.

Dr. Ferlando Tullock, Superintendent

Dr. Melissa Peeples, Principal

Mr. Fred Mack, Assistant Principal

St. Matthews K-8 School was committed to “Building a Foundation for Academic Success” as the core driver of its instructional goals for the previous school year. Their focus was on minimizing non-instructional distractions to maximize learning opportunities for all students. Through this approach, the school aimed to identify and leverage strengths while targeting areas for growth, thereby fostering a culture of continuous improvement.

The school’s mission revolved around empowering students to compete and succeed in a global society by instilling Cardinal Character traits and promoting critical thinking and problem-solving skills. Teachers employed research-based, individualized instruction aligned with SC Ready standards to cater to the diverse needs of every student.

Ultimately, St. Matthews K-8 School strived to nurture well-rounded students who were academically, socially, and emotionally confident, equipping them to excel on a global scale. Their unwavering commitment to doing what’s best for children underscored their dedication to fostering a supportive and enriching learning environment.
