

# OXFORD CENTER SCHOOL

Dear Parents:

For this school year, 2019-2020, our medical advisor, Sam Streit, DO, has provided a standing order which allows for the administration Children's **TYLENOL / ACETAMINOPHEN** (160 mg) tablets . This standing order is to be used in the case of a minor headache, cold symptoms, fever, orthodontic discomfort, or menstrual discomfort. Parents will be notified prior to the administration of acetaminophen and give verbal permission.

Sam Streit DO, has also provided a standing order which allows for the administration of regular strength Tums/antacid one or two tablets as directed for the relief of stomach upset or indigestion

This order in no way changes the general medication administration policy of the Oxford School District. **NO MEDICATION, PRESCRIPTION OR OVER-THE-COUNTER MAY BE ADMINISTERED WITHOUT A SIGNED DOCTORS ORDER AND PARENT CONSENT.**

Please complete the form below, sign and have your son/daughter return the entire form to school. **No medication can be administered without your written consent.** These forms will be kept on file in the Health Office for reference.

Heather Elken BSN, NCSN 203-888-6492
