Make-up schedule: Make up days may be used to ensure 990 hours of instruction. Missed days, delayed openings, & early releases are included in calculating these hours. State code requires school districts to make up the first 5 days of school, and then requires only every other day of missed school to be made up. RCPS has more than the equivalent of 10 days built into the calendar. Up to 10 missed- built in, no makeup required. 11th Day missed- April 10th will be considered a make-up day. 12th Day missed- April 9th will be considered a make-up day.
