We will never forget...
9-11-01

READING: Describe connections between historical events RI.2.3. Answer who, what, when, where, when, why about non-fiction text RI.2.1

ENGLISH: Use clues in a sentence to understand the meaning of an unknown word L.2.4a. Use glossaries and dictionaries to determine the meaning of unknown words L.2.4e, Use describing words such as adjectives and adverbs to write and tell responses to questions about a text L.2.6

MATH: Understand that 3 digit numbers represents hundreds, tens, and ones in base 10 blocks 2NBT1. Read and write numbers to 1000 with base 10 blocks, words and numbers, expanded form and number words.

NO LATEX ALLOWED

Please remember this is a Latex Free school due to severe allergy. Remember not to send **any** latex products such as balloon, toys, supplies. Thank you for your help.

Need extra practice? Please search on-line for **interactive games, puzzles, or free worksheets**. To conserve paper, we are not sending extra sheets home.

Please get to school by 8:15. Arriving at 8:30 leaves little time for unpacking, snack, and getting a book for the day.

If you are checking your child out early, please send a Text as early as possible with the time. We will have your child packed up and ready to go so you can come get them. **Send ALL notes in Parent folder.**

School Status **** Please note that School Status DOES Not give us any sound alarm. Therefore, if we do not respond immediately, send again, or Dojo. Also, please **keep in mind that our focus will be your precious child and their needs first, not our phones.** Both programs don't notify after school hours. ♥👉😊

Fall is here. Invest in a sharpie marker and write names in all sweaters or jackets. If you have fall allergies, start your medicine now. It takes about 2 weeks for it to start working.

Your words are windows to your heart and mind.

Our children are like mirrors – they reflect our attitudes in life. When a honest father does what is right, his children are happy.
