The East Hampton UFSD desires to review and evaluate for improvement the District's overall transportation processing procedures. Leveraging the expertise and experience of SchoolSource Technologies Transportation Advisory and Consulting Services Team, this project review will include but will not be limited to the following:

- Complete review/evaluation of District Transportation Department policies and practices for compliance, efficiency and safety. Provide a comprehensive written report of all of the areas studied.
 - Run/route analysis
 - Bell schedule analysis
 - Management of "alternate stops"
 - Fleet utilization/shared service opportunity analysis
 - Planned vs actual ridership analysis
 - NAPD (Non-allowable Pupil Decimal)
 - Complete Invoice Analysis/Review (contracted routes)
- Study the Viability and possible savings achieved through a centralization of pick up/drop off points for "out of district" transportation routes.
- Upon request of the District, attend meetings within the district including BOE meetings.
- SchoolSource Technologies, LLC will provide East Hampton UFSD with an experienced Senior Business Consultant and associated resources as required.

APPROACH & DELIVERABLES

1. Written report for all areas of study
2. Project Summary presentations, including evaluations, recommendations and next steps for furthering the District's processing improvement requirements.

ESTIMATED SCHEDULE

This project will begin immediately following Board of Education approval. Between 90-120 days will be needed for completion.

PART II

PRICING AND TERMS

This project will be priced on a fixed price basis set at \$30,000.00 to facilitate the District's budget procurement processing procedures and pending the required approval of the District's Board.

*** SchoolSource Technologies guarantees efficiencies equal to or greater than \$30,000 (thirty thousand dollars). In the event that these savings are not realized there will be no charge to the East Hampton UFSD.

In appreciation of our developing partnership, our proposal includes a blended resource pool that will utilize the required combined expertise of qualified SST resources. This will include the services of John Robertson – Managing Director, and as required a Senior Business Analyst, and the required administrative support to complete this project.

Fee Schedule:

This project will be invoiced in full upon completion.

**Invoice payment terms are net-30 days from invoice date.

KEY ASSUMPTIONS

1. EAST HAMPTON UFSD will provide SST a Project Lead to facilitate success of this engagement.
2. EAST HAMPTON UFSD will provide the requested data, including remote access to the District's routing program in a timely manner.
3. EAST HAMPTON UFSD will provide access to personnel as required in a timely manner.
4. Work will be performed at both SchoolSource Technologies and EAST HAMPTON UFSD locations.
5. SST will provide the combined expertise and resource personnel to complete this project.
