LET'S LOAD THE BASES!

Miracle League of West Mobile: Schmidt Family Park

Our community is coming together to build baseball fields and a playground for children with special needs. The Miracle League of West Mobile: Schmidt Family Park will be constructed on Johnson Road, about two miles southwest of the intersection of Airport Boulevard and Snow Road.

You have the opportunity to help us create a miracle in Mobile County! If you hit a Single, Double, Triple, Home Run, or Grand Slam, you, your family, your business or your organization will be recognized at the park.

Several community organizations have already stepped up to the plate, donating land, providing funds to pave the road, and more. The key players thus far are: the Alabama Pecan Development Company, Inc., Schmidt-Barton Family Fund, South Alabama Utilities, Mobile County Public Schools and the Mobile County Commission. The Alabama Pecan Development Company, Inc., has donated more than 24 acres to the project and South Alabama Utilities has donated more than 4 acres. The Schmidt-Barton Family Fund is donating up to \$1 million in matching funds toward the estimated \$5 million in total construction costs.

Donations are now being accepted at mcpss.com/miracleleague to cover the remaining costs associated with the park.

Why should you donate?

Currently, many Mobile County youths with mental and physical disabilities are unable to play baseball in existing parks due to the lack of facilities that meet their needs. The Miracle League of West Mobile: Schmidt Family Park will be open to children from the entire county and surrounding areas. Approximately 8,300 children with disabilities would be able to play here.

MIRACLE LEAGUE OF WEST MOBILE: SCHMIDT FAMILY PARK

MCPSS.COM/MIRACLELEAGUE

We are working directly with The Miracle League, which is based in Georgia and has 240 fields across the United States and in Puerto Rico and Canada, on this project. Why? So our children with mental and physical disabilities can experience the joy of America's favorite pastime. It's more than just a game. The Miracle League is about making new friends, building self-esteem and being treated just like other athletes.

The Miracle League baseball field will feature a synthetic rubberized turf that accommodates wheelchairs and other assistive devices while helping to prevent injuries. The field will have double-wide lanes, allowing the players more space as they round the bases. The park will also include a regular baseball field for children who are middle-school-aged. The hope is to one day build a school on the site to serve special-needs and autistic students.

This will be the first Miracle League field in Mobile County. The project will progress in phases as funding becomes available, with the Miracle Field and Playground as the major components of the first phase.

The first phase of the plan will cost approximately \$2.3 million. We still need to raise \$1 million to fund all facets of Phase 1, which we hope to complete in the fall of 2022.

Mobile County Public Schools is overseeing the financing of the project. We are applying for various grants and accepting donations at: mcpss.com/miracleleague.

We appreciate your support as we make a miracle happen in west Mobile!

VENDOR BID REGISTRATION

Vendors:

Our records indicate you are registered to receive “Invitation to Bids” from Mobile County Public School System. The Mobile County School System is changing the way vendors are notified for Invitation to Bids. Currently, we are sending post card notifications by US Mail to all vendors who are registered.

The NEW NOTIFICATION PROCESS will begin and consist of the vendor receiving an email notification of Invitation to Bids. A web site has been established for vendors to register and select the bid categories from which they want to receive bid invitations. These are the steps you need to take:

1. Go to <https://bidreg.mcpss.com/ezregistration.html>
2. Select “New Applicant” and you will create a user name and password, and then follow the prompts.
3. Please note the email bid notifications will be sent from bidnotify@mcpss.com save this in your address directory to prevent email being sent to SPAM.

Even though vendors are currently registered to receive bids, all vendors MUST register in the new database in order to receive an ITB “Invitation to Bid” . If you do not register, you will not receive an ITB. Also, all vendors are responsible for maintaining their vendor profile in the database for such things as address, contact info, email, bid categories, etc..... This information needs to stay current to assure you receive ITB’s. I would strongly encourage vendors to visit MCPSS.com once a week to be knowledgeable of all bid activity.

Thank you for your cooperation as this will allow us to drastically reduce postage costs and work more efficiently. Please feel free to contact us if you have questions at 251-221-4473.

CNP will supply vendors with a time schedule showing the opening and closing time of each cafeteria. Deliveries will be made during the open hours, excluding serving time, until fifteen minutes prior to the set closing time.

- D. **USDA requires that all students be offered unflavored homogenized lowfat and fat free milk.** It is the responsibility of the school CNP manager to see that all milk boxes are loaded in a manner that both required types of milk are available to all students to choose as they go through the line. To accomplish this, the CNP manager will instruct the milk delivery person to deliver milk in one of the following ways:
 1. Carefully load only the bottom of the milk box with milk in clean cases. Leave remainder of milk delivered in cases beside the boxes or deliver it to the walk-in cooler as directed. CNP personnel will then be responsible for loading upper portion of box so that unflavored lowfat and fat free milk are accessible to all students.
 2. **Deliver all milk in clean cases to the front of the milk boxes or to the walk-in cooler as directed.** CNP personnel will then be responsible for loading the milk boxes so that unflavored lowfat and fat free milk are accessible to all students.

A member of the school CNP staff will inspect the milk cases at the time of delivery for cleanliness and report any soiled cases (visible dirt, mildew or unsanitary residue) to the CNP manager. The CNP manager will verify the condition of the cases and instruct the milk delivery person to remove the cartons of milk from the soiled cases and place the cartons directly in the milk box. The CNP manager will then retain the soiled cases and contact the vendor sales office for inspection. **Repeated occurrences of dirty cases and/or cartons may result in loss of bid award. The next low bidder will be awarded the bid.**

E. Previously delivered milk in the box shall be counted by the delivery person and the count verified with delivery persons initials on the school milk inventory taken after serving on the previous day. Any outdated milk shall be removed and disposed of. The kinds and amounts of any milk disposed of shall be recorded by the delivery person on the school milk inventory.

F. It will be the responsibility of each vendor to obtain signed delivery receipts from the CNP manager or other authorized individual for each delivery made. The Board and local school assumes absolutely no liability or responsibility for goods claimed to have been delivered for which no signed receipt exists.

Delivery personnel shall request the authorized school receiver, or the designated representative, to verify the accuracy of quantities of each item and condition of merchandise. Each delivery ticket shall be signed by a designated school receiver. Variations from the norm, i.e., shortages, damages, etc., shall be noted on each ticket by the designated school receiver. The contractor shall not be required to issue credits for errors not detected at the time of delivery, except for hidden damage or unauthorized substitutions.

G. **Ordering: Except for 1/2 pint cartons of milk, shipments shall be made to any school with (1) a written purchase order or (2) a verbal order by the Mobile County CNP Purchase Order Clerk. Vendors will not accept verbal purchase orders from local school CNP managers other than for 1/2 pints of milk.** If it is necessary for a school to place an emergency order to be picked up at the vendors, warehouse, the CNP Purchase Order Clerk will notify the vendor and provide the name of the individual who is authorized to pick up the order and the purchase order number.

H. **AWARDED VENDOR WILL BE RESPONSIBLE FOR BACK CHARGES IF BID ITEMS CAN NOT BE DELIVERED ON TIME, BECAUSE MEALS THAT ARE SERVED WITHOUT MILK ARE NOT REIMBURSED BY THE FEDERAL GOVERNMENT.**

Vendors will be allowed ten (10) calendar days from the transmittal date stamped on the order to make delivery. **In the event an ordered item is not delivered within the time frame previously described, or if the item is canceled or scratched from an order by the vendor, the right is reserved to cancel the original order for the item(s) in question and purchase similar item(s) on the open market from another source. The vendor will be back charged the difference between the contract price and the price the school has to pay on the open market as a result of the failure to perform by the contract vendor. This provision for back charges will not apply to orders placed after April 7, 2025 for items vendor has identified as being placed in inventory specifically for the Board of School Commissioners of Mobile County.**

Pricing: Vendors are required to furnish all materials and services called for at the bid price.

I. No substitution of brands, labels, quality or codes will be made without written approval of the Director of Purchasing.

J. Vendors are expected to fill all original orders on the scheduled delivery date. If a vendor cannot ship a bid item due to insufficient or no stock, the vendor will notify the Board of School Commissioners of Mobile County CNP Purchase Order Clerk (221-4373). If vendor is unable to supply the quantity of 1% lowfat milk ordered by the CNP manager, the vendor will charge the bid price for 1% lowfat milk for the number of units substituted.

- K. The Board of School Commissioners reserves the right to cancel an order or any part of an order by providing the vendor a minimum of 36 hours notice of cancellation. Notice will be given by the CNP Purchase Order Clerk or a member of the CNP Supervisory Staff. CNP managers are not authorized to cancel an order or refuse delivery of an item ordered except for damaged goods or substitutions.

VII. PROPOSAL FORM

- A. *The proposal form which accompanies this bid request must be filled out in full. Failure to provide all information requested will absolutely disqualify a bidder from consideration on each item where the requested information is not provided.*

VIII. METHOD OF AWARD

- A. The bid will be awarded by which ever method deems to be in the best interest of the Board. **The plastic bottle containers are primarily purchased.** If the plastic bottle containers are not available, then boxed carton containers will be purchased (this should be a rare instance and not a common practice that the boxed cartons will be purchased).
- B. A bid may be submitted to provide milk to all schools in the school system. This bid will be awarded to the lowest and most responsible bidder meeting all the requirements of specifications listed herein. Vendors who cannot supply all of the schools in the system may bid a specific maximum number of 1/2 pint units that can be supplied daily. The Purchasing Director will in his sole discretion determine which bid or combination of bids will be most economical for the system. In the event that the milk is awarded to more than one vendor contiguous service zones will be assigned to the successful bidders by the Purchasing Director. If vendor plans to sub-contract any portion of the contract, the approximate number of units to be supplied daily by the sub-contractor shall be stated in the bid.
- C. Routes may be sub-contracted to other milk companies but all billing must be from the successful low bidder. All payments must be made to the successful low bidder and responsibility for all phases of the contract would be that of the successful low bidder.

IX. INVOICING AND TERMS OF PAYMENT

- A. While it is the intent of the Board to pay all bills within thirty (30) days, there may be times when this strict requirement cannot be adhered to, as payment is normally processed approximately thirty (30) days from final approvals of receipts and verified invoices. Should a contestment result regarding quality, terms, etc., the thirty (30) days would appear after the matter has been cleared. Payment may be expedited by providing original invoices and/or certified copies of an original. Should a copy be the only thing available, it must be certified as "true, correct, and unpaid original invoice". USDA regulations do not allow payment of service charges or interest from CNP funds.

District personnel may choose to use a VISA® Virtual Credit Card Program through AOC/Regions Bank for invoice payments in place of a check to pay for purchases from this solicitation. Unless exception is noted in the bid response, the bidder by submitting a bid agrees to accept the VISA® Virtual Credit card process, as an acceptable form of payment and may not add additional service fees/handling charges to purchases made with the VISA® Virtual Credit card. Refusal to accept this condition may cause your bid to be declared non-responsive. (See the attached E-Payables explanation and the VISA Virtual Card vendor enrollment data elements form.)

The above stated terms of payment are the only terms which the Board will consider. Any bid submitted which does not comply with our stated terms will not be considered for award.

CHILD NUTRITION PROGRAMS REQUIRED FEDERAL PROVISIONS

Disclaimer: This is a living document and is subject to revision. This is merely a guidance document and does not necessarily contain every requirement that pertains to a contract; ACDA accepts no liability for any of its contents. This document was created with input from the ACDA Education Committee, State Agencies, Recipient Agencies, and the Urban School Food Alliance.

In addition to other contracts provisions required by the program regulations for the Federal award, all contracts made by a non-Federal entity under a Federal award must contain provisions set forth in 2 CFR 200.318 -.326 and 2 CFR 200 Appendix II., **as applicable**. Please note, however, that not all of these provisions must be included in every contract awarded by a program operator. If you are unsure whether you will need to include a specific Federal provision in your contract, please consult with your State Agency or an Attorney. There may be additional State or local requirements required, please consult with your State Agency. Program operators always need to follow the strictest of Federal, State, or local requirements.

Below are the required Federal Provisions listed in [2 CFR 200 Appendix II](#) that may pertain to your contract:

- **REMEDIES:** If the contract is for more than the simplified acquisition threshold currently set at **\$250,000**, your contract must include a clause that addresses administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate. The USDA does not prescribe the form or content of these clauses. Check with an attorney to determine if state or local law prescribes the use of specific language.
- **TERMINATION:** If the contract is in excess of **\$10,000**, your contract must contain a clause that addresses termination for cause and for convenience by the school district including the manner by which it will be effected and the basis for settlement. The USDA does not prescribe the form or content of these clauses. Check with an attorney to determine if state or local law prescribes the use of specific language.
- **EQUAL EMPLOYMENT OPPORTUNITY:** This clause would be required only for contracts that meet the definition of “federally assisted **construction** contract.” You should consult with the State agency or an attorney to determine whether this clause should be included.
- **DAVIS-BACON ACT CLAUSE:** This clause would be required only for prime **construction** contracts in excess of **\$2,000** awarded by non-Federal entities. You should consult with the State agency or an attorney to determine whether this clause should be included.
- **CONTRACT WORK HOURS AND SAFETY STANDARDS ACT CLAUSE:** This clause would be required only for contracts awarded by the non-Federal entity in excess of \$100,000 that involve the **employment of mechanics or laborers**. You should consult with your State agency or an attorney to determine whether this clause should be included.

- **RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT:** This clause is only necessary when the award meets the definition of “funding agreement” under 37 CFR § 401.2 (a) and the school food authority wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or sub recipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency. A food service department generally does not award contracts of this nature. You should consult with your State agency or an attorney to determine whether this clause should be included.
- **CLEAN AIR / CLEAN WATER:** For contracts and sub grants of amounts in excess of **\$150,000**, your contract must include a clause requiring the contractor to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387) and the contractor must agree to report all violations to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

Neither the State agency nor the USDA prescribes the form or content of these clauses. The following are suggestions of clauses that can be used:

- The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. The Contractor agrees to report each violation to the USDA and the appropriate EPA Regional Office.
- The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act as amended (33 U.S.C. §§ 1251 et seq. The Contractor agrees to report each violation to the USDA and the appropriate EPA Regional Office.
- **SUSPENSION AND DEBARMENT:** The Contractor understands that a contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.”

The entity can verify the vendor is not debarred or suspended using the SAM system:
<https://www.sam.gov/SAM/pages/public/index.jsf>

While there is not a specific form, the following is suggested language that can be used:

By signing and submitting its bid or proposal, the bidder or proposer certifies as follows:

The certification in this clause is a material representation of fact relied upon by **{insert name of school district}**. If it is later determined that the bidder or proposer knowingly rendered an erroneous certification, in addition to remedies available to **{insert name of school district}**, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 2 CFR 180.220 while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

- **LOBBYING:** Contractors that apply or bid for an award exceeding **\$100,000** must file the required certification pursuant to Byrd Anti-Lobbying Amendment (31 U.S.C. 1352).

Neither the State agency nor USDA prescribes the form or content of these clauses. The following is a

suggestion of clause that can be used:

The Contractor will comply with the Byrd Anti–Lobbying Amendment (31 U.S.C. 1352) and certifies to the tier above that it will not and has not used Federal appropriated funds to pay an person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by U.S.C 1352. If applicable, contractor will complete the disclosure of lobbying with non-Federal funds using Lobbying Activities Form ([Form SF-LLL](#)) and submit to {insert name of contracting entity} annually.

Below are the required Federal Provisions listed in [2 CFR 200.318 – 200.326](#) that may pertain to your contract:

- **COOPERATIVE AGREEMENTS AKA PIGGYBACKING ((ONLY IF ALLOWING) 2 CFR 200.318):** To foster greater economy and efficiency, and in accordance with efforts to promote cost-effective use of shared services across the Federal Government, the non-Federal entity is encouraged to enter into state and local intergovernmental agreements or inter-entity agreements where appropriate for procurement or use of common or shared goods and services.

While there are no specific Federal requirements for language to be included, USDA memo [SP 02-2016](#) and [SP 05-2017](#) includes the requirements that must be in original solicitation and resulting contract.

- **CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS (2 CFR 200.321):** The non-Federal entity must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible. Many states have websites that includes resources to find these vendors, as well as the links below.

While there are no specific Federal requirements for language to be included, the following excerpt from 2 CFR 200.321 summarizes the process:

Affirmative steps must include:

- (1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- (2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- (3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
- (4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
- (5) Using the services and assistance, as appropriate, of such organizations as the [Small Business Administration](#) and the [Minority Business Development](#) Agency of the Department of Commerce; and
- (6) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (1) through (5) of this section.

- **PROCUREMENT OF RECOVERED MATERIALS (2 CFR 200.322):** This provision only applies to a non–Federal entity that is a **state agency** or **agency of a political subdivision of a state** and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. You should consult with your State agency or an attorney to determine whether this clause applies to you and your contractors.

ADDITIONAL CONTRACT PROVISIONS REQUIRED BY THE FEDERAL AGENCY (USDA) FOR NSLP, SBP, AND FOOD DISTRIBUTION CONTRACTS

Please remember that Program Operators must also include additional required contract provisions identified in the program regulations for the Federal award (7 CFR 210, 250, etc.).

- **BUY AMERICAN PROVISION:** The Buy American provision was added to the National School Lunch Act (NSLA) by Section 104(d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998 (Public Law 105-336). Section 12(n) to the NSLA (42 USC 1760(n)), requiring school food authorities (SFAs) to purchase, to the maximum extent practicable, domestic commodity or product.

The following clause language is suggested, but not mandatory:

- “Domestic Commodity or Product” are defined as an agricultural commodity that is produced in the United States and a food product that is processed in the United States using substantial agricultural commodities that are produced in the United States.
- “Substantial” means that over 51 percent of the final processed product consists of agricultural commodities that were grown domestically.
- Products from Guam, American Samoa, Virgin Islands, Puerto Rico, and the Northern Mariana Islands are allowed under this provision as territories of the United States.
- The Buy American provision (7 CFR Part 210.21(d), 7 CFR 220.16(d), 7 CFR 250.23) is one of the procurement standards SFAs must comply with when purchasing commercial food products served in the school meals programs.
- Buy American: Schools participating in the federal school meal programs are required to purchase domestic commodities and products for school meals to the maximum extent practicable. Domestic commodity or product means an agricultural commodity that is produced in the US and a food product that is processed in the US substantially (at least 51 percent) using agricultural commodities that are produced in the US.
- Farmed fish must be harvested within the United States or any territory or possession of the United States. Wild caught fish must be harvested within the Exclusive Economic Zone of the United States or by a United States flagged vessel (section 4207 of the Agriculture Improvement Act of 2018).
- Federal regulations require that all foods purchased for Child Nutrition Program be of domestic origin to the maximum extent practicable. While rare, two (2) exceptions may exist when:
 - the product is not produced or manufactured in the US in sufficient, reasonable and available quantities of a satisfactory quality, such as bananas and pineapple; and
 - competitive proposals reveal the cost of a domestic product is significantly higher than a non-domestic product.
- All products that are normally purchased by Distributor as non-domestic and proposed as part of this solicitation must be identified with the country of origin. Distributor shall outline their procedures to notify School when products are purchased as non-domestic.
- Any substitution of a non-domestic product for a domestic product (which was originally a part of the solicitation), must be approved, in writing, by the Food Service Director, prior to the delivery of the product to the School. Any non-domestic product delivered to the School, without the prior, written approval of the Food Service Director, will be rejected.
- Distributor must affirm their willingness to assert their best and reasonable efforts to ensure compliance with this Federal rule.

- **GEOGRAPHIC PREFERENCE (OPTIONAL):** A school food authority participating in the NSLP may apply a geographic preference when procuring **unprocessed** locally grown or locally raised agricultural products. School food authorities have the discretion to determine the local area to which the geographic preference option will be applied. Other types of geographic or local preference are prohibited when using Federal Child Nutrition Program funds.

While the State Agency and USDA does not have specific language around this provision, USDA has numerous guidance documents and examples on the [USDA Geographic Preference tip sheet](#).

- **COST REIMBURSABLE CONTRACTS (ONLY IF USING):** The school food authority must include the following provisions in all cost reimbursable contracts, including contracts with cost reimbursable provisions, and in solicitation documents prepared to obtain offers for such contracts.
 - The contract language provided below is mandatory (7 CFR 210.21(f), 7 CFR 220.16(e), and 7 CFR 250.53).
 - Allowable costs will be paid from the nonprofit school food service account to the contractor net of all discounts, rebates and other applicable credits accruing to or received by the contractor or any assignee under the contract, to the extent those credits are allocable to the allowable portion of the costs billed to the school food authority;
 - The contractor must separately identify for each cost submitted for payment to the school food authority the amount of that cost that is allowable (can be paid from the nonprofit school food service account) and the amount that is unallowable (cannot be paid from the nonprofit school food service account);
 - or
 - The contractor must exclude all unallowable costs from its billing documents and certify that only allowable costs are submitted for payment and records have been established that maintain the visibility of unallowable costs, including directly associated costs in a manner suitable for contract cost determination and verification;
 - The contractor's determination of its allowable costs must be made in compliance with the applicable Departmental and Program regulations and Office of Management and Budget cost circulars;
 - The contractor must identify the amount of each discount, rebate and other applicable credit on bills and invoices presented to the school food authority for payment and individually identify the amount as a discount, rebate, or in the case of other applicable credits, the nature of the credit. If approved by the State agency, the school food authority may permit the contractor to report this information on a less frequent basis than monthly, but no less frequently than annually;
 - The contractor must identify the method by which it will report discounts, rebates and other applicable credits allocable to the contract that are not reported prior to conclusion of the contract; and
 - The contractor must maintain documentation of costs and discounts, rebates and other applicable credits, and must furnish such documentation upon request to the school food authority, the State agency, or the Department.
 - Prohibited expenditures. No expenditure may be made from the nonprofit school food service account for any cost resulting from a cost reimbursable contract that fails to include the requirements of this section, nor may any expenditure be made from the nonprofit school food service account that permits or results in the contractor receiving payments in excess of the contractor's actual, net allowable costs.
- **DURATION OF CONTRACT (FSMC SPECIFIC):** This requirement is for all school food authority's that enter into a contract with a Food Service Management Company.

- (7 CFR 210.16 (d)) Duration of contract. The contract between a school food authority and food service management company shall be of a duration of no longer than 1 year; and options for the yearly renewal of a contract signed after February 16, 1988, may not exceed 4 additional years. All contracts shall include a termination clause whereby either party may cancel for cause with 60-day notification.

NSLP 94-10: Buy American Requirement

To:

All State Child Nutrition Directors
Southeast Region

It has come to the U.S Department of Agriculture's (USDA) attention that school food authorities (SFA) may be using Federal funds to purchase foreign foods, e.g. canned peaches, even though the law, Federal Regulations, and local specifications prohibit this practice. USDA, therefore, wants to reiterate the "Buy American" requirement, which (1) benefits our children by ensuring that high-quality foods are available in school lunch programs, and (2) supports American agriculture.

As you are aware, Section 3 (h) of the Commodity Distribution Reform Act and WIC Amendments of 1987, and section 250.23 of Federal Food Distribution Program regulations mandate that recipient agencies, including SFA's participating in the National School Lunch Program (NSLP), purchase, whenever possible, only food products that are produced in the U.S. A "food product produced in the U. S." is defined as "an unmanufactured food product produced in the U.S. or a food product that is manufactured in the U.S." In addition to exemptions set forth in the law for specific States and territories, and unusual or ethnic food preferences, the regulations identify two other situations which warrant a waiver to permit purchases of foreign products: (1) the product is not produced or manufactured in the U.S. in sufficient and reasonable available quantities of a satisfactory quality; and (2) competitive bids reveal the cost of a U.S. product is significantly higher than the foreign product. These circumstances are the only exceptions to section 3 (h).

It is imperative that each SFA comply with the "Buy American" requirement by purchasing food products produced in the U.S. for its school feeding programs. Subject to the exemptions cited above, such purchases must at least be proportionate with the extent of Federal funding in the SFA's school food service account. Therefore, given reports of foreign products in school feeding programs, we request that you remind the SFA's in your State of the "Buy American" requirement and ask them to (1) check their purchasing specifications to ensure adequate procurement of U.S. food products, (2) remind their

vendors and distributors of the “Buy American” requirement, and (3) examine product packaging. The Nutrition Labeling and Education Act of 1990 mandates that the country of origin for both domestic and imported food products be identified on the product labels.

Should you or your staff have any questions regarding this matter, please contact Rosie Daugherty or Brian Frasier of the School Programs Section at (404) 730-2631.

Mobile County School Board Accounts Payable Department

What is a Virtual Credit Card?

The District has adopted the use of a VISA Virtual Credit Card powered by AOC/Regions Bank. AOC receives invoice and purchase order details from Accounts Payable and assigns a one-time use credit card number.

The VISA Virtual Credit Card allows the District to pay vendors via a credit card and turn around a vendor payment in a shorter time frame than the current paper check you now receive.

How Does Virtual Credit Card Work?

- After goods are delivered and/or services rendered, vendors submit invoices to the Account Payable Department according to the current process.
- When Accounts Payable has authorization of a match (purchase order and invoice) and the invoice(s) are due for payment according to your current payment terms with the District the payment process begins.
- The vendor then receives an email notification of the payment from the District
- The vendor then logs into a secure site from the email received and puts in the assigned PIN number. Each payment notification will include the card number, expiration date, security code, payment amount and invoice and/or PO numbers.
- Once the vendor receives the email, the credit card has been authorized to be charged for the amount listed in the email. When the vendor charges the card as authorized in the email, the virtual card will no longer be available for charges. When the next payment is provided the vendor will receive a new card number, security code and expiration date with invoice amount and/or PO number.

What are the Benefits to using the VISA Virtual Card?

- Receive payments 7 -10 days sooner; resulting in a quicker cash flow for day to day operations or investments.
- Reduce the cost of paper processing and employee time spent on preparing and making bank deposits.
- Void the risk of lost or stolen checks
- Quickly reduce outstanding accounts receivable balances.

How do I Participate in the VISA Virtual Card Program?

Simply contact the Mobile County School Board Accounts Payable Department at (251)221-4437 and request to be enrolled in the VISA Virtual Card Program through AOC/Regions Bank.

The regulations were published as Part IV of the January 30, 1989, Federal Register (pages 1722-1733). Copies of the regulations may be obtained by contacting the Department of Agriculture agency offering the proposed covered transaction.

(BEFORE COMPLETING CERTIFICATION, READ INSTRUCTIONS ON REVERSE)

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this form, the prospective primary participant is providing the certification set out on the reverse side in accordance with these instructions.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out on this form. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the department or agency to whom this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reasons of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction", "participant," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
6. The prospective primary participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.
7. The prospective primary participant further agrees by submitting this form that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Act 2001-955 requires the disclosure statement to be completed and filed with all proposals, bids, contracts, or grant proposals to the State of Alabama in excess of \$5,000.

REQUIRED FEDERAL PROVISIONS FOR PROCUREMENT IN CNP PROGRAMS

Title 2: Grants and Agreements

PART 200—UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR FEDERAL AWARDS

Subpart F—Audit Requirements Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(J) See §200.322 Procurement of recovered materials. A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

REQUIRED FEDERAL PROVISIONS FOR PROCUREMENT IN CNP PROGRAMS

Title 7: Agriculture
PART 210—NATIONAL SCHOOL LUNCH PROGRAM
Subpart E—State Agency and School Food Authority Responsibilities §210.21 Procurement.

- (d) Buy American—
- (1) Definition of domestic commodity or product. In this paragraph (d), the term ‘domestic commodity or product’ means—
 - (i) An agricultural commodity that is produced in the United States; and
 - (ii) A food product that is processed in the United States substantially using agricultural commodities that are produced in the United States.
 - (2) Requirement.
 - (i) In general. Subject to paragraph (d)(2)(ii) of this section, the Department shall require that a school food authority purchase, to the maximum extent practicable, domestic commodities or products.
 - (ii) Limitations. Paragraph (d)(2)(i) of this section shall apply only to—
 - (A) A school food authority located in the contiguous United States; and
 - (B) A purchase of domestic commodity or product for the school lunch program under this part.
- (f) Cost reimbursable contracts—
- (1) Required provisions. The school food authority must include the following provisions in all cost reimbursable contracts, including contracts with cost reimbursable provisions, and in solicitation documents prepared to obtain offers for such contracts:
 - (i) Allowable costs will be paid from the nonprofit school food service account to the contractor net of all discounts, rebates and other applicable credits accruing to or received by the contractor or any assignee under the contract, to the extent those credits are allocable to the allowable portion of the costs billed to the school food authority;
 - (ii)
 - (A) The contractor must separately identify for each cost submitted for payment to the school food authority the amount of that cost that is allowable (can be paid from the nonprofit school food service account) and the amount that is unallowable (cannot be paid from the nonprofit school food service account); or
 - (B) The contractor must exclude all unallowable costs from its billing documents and certify that only allowable costs are submitted for payment and records have been established that maintain the visibility of unallowable costs, including directly associated costs in a manner suitable for contract cost determination and verification;
 - (iii) The contractor's determination of its allowable costs must be made in compliance with the applicable Departmental and Program regulations and Office of Management and Budget cost circulars;
 - (iv) The contractor must identify the amount of each discount, rebate and other applicable credit on bills and invoices presented to the school food authority for payment and individually identify the amount as a discount, rebate, or in the case of other applicable credits, the nature of the credit. If approved by the State agency, the school food authority may permit the contractor to report this information on a less frequent basis than monthly, but no less frequently than annually;
 - (v) The contractor must identify the method by which it will report discounts, rebates and other applicable credits allocable to the contract that are not reported prior to conclusion of the contract; and
 - (vi) The contractor must maintain documentation of costs and discounts, rebates and other applicable credits, and must furnish such documentation upon request to the school food authority, the State agency, or the Department.
 - (2) Prohibited expenditures. No expenditure may be made from the nonprofit school food service account for any cost resulting from a cost reimbursable contract that fails to include the requirements of this section, nor may any expenditure be made from the nonprofit school food service account that permits or results in the contractor receiving payments in excess of the contractor's actual, net allowable costs.
- (g) Geographic preference.
- (1) A school food authority participating in the Program, as well as State agencies making purchases on behalf of such school food authorities, may apply a geographic preference when procuring unprocessed locally grown or locally raised agricultural products. When utilizing the geographic preference to procure such products, the school food authority making the purchase or the State agency making purchases on behalf of such school food authorities have the discretion to determine the local area to which the geographic preference option will be applied;
 - (2) For the purpose of applying the optional geographic procurement preference in paragraph (g)(1) of this section, “unprocessed locally grown or locally raised agricultural products” means only those agricultural products that retain their inherent character. The effects of the following food handling and preservation techniques shall not be considered as changing an agricultural product into a product of a different kind or character: Cooling; refrigerating; freezing; size adjustment made by peeling, slicing, dicing, cutting, chopping, shucking, and grinding; forming ground products into patties without any additives or fillers; drying/dehydration; washing; packaging (such as placing eggs in cartons), vacuum packing and bagging (such as placing vegetables in bags or combining two or more types of vegetables or fruits in a single package); the addition of ascorbic acid or other preservatives to prevent oxidation of produce; butchering livestock and poultry; cleaning fish; and the pasteurization of milk.

By submitting a bid, BIDDER agrees that the BIDDER and each officer, director, employee, servant, agent, and subcontractor of the BIDDER, and any other individual who will provide services involving access to and/or communication with students on the BIDDER's behalf, will fully cooperate with the BOARD in complying with all laws and regulations regarding criminal background checks. This cooperation will include, but will not be limited to, giving written consent to obtain criminal history background information checks and providing fingerprints for each individual who will have access to students to either agents of the BOARD or to another entity as directed by the BOARD and authorized by Alabama law. All individuals must pass the required criminal background check prior to having access to and/or communication with students. As of this date, criminal background checks are being handled through the BOARD's human resources department and processed by the State Board of Education. A copy of the fingerprinting process overview is attached hereto. **Once the background check has been completed successfully, the Board's human resources department will issue an identification badge. This badge is to be worn visibly at all times while on school board property. The cost of this badge is \$5.00, and the cost is the responsibility of the vendor.**

Prior to beginning work for the BOARD, the BIDDER, or a representative thereof with similar managerial authority, shall submit an Affidavit under oath to the BOARD, in a form satisfactory to the BOARD, stating that the BIDDER has satisfied the above requirements concerning fingerprint-based criminal background checks and will continue to do so. The BIDDER acknowledges that these requirements set forth a continuing obligation on the part of the BIDDER to assure that all persons having access to and/or communication with students will have passed the required background checks.

In the event any of the above referenced individuals are found to be unsuitable by the State Board of Education, all challenges allowed by law, administrative and through litigation, are expressly waived by the BIDDER on BIDDER's own behalf and on behalf of the individual, and such individual is precluded from providing any services to BOARD. If a replacement individual satisfactory to BOARD is not provided by the BIDDER within five (5) days, the BOARD may terminate the contract in accordance with its termination provisions.

Nothing contained herein shall be construed as establishing an agency relationship between the BIDDER and the BOARD nor shall anything contained herein be construed as an assertion of control, or reserved right of control over the activities of the BIDDER or the agents or employees of the BIDDER.
