**Acknowledgement of**  
**Summer Reading Requirements**

I have received a copy of the Honors/AP English Summer Reading Requirements. I fully understand that the summer reading work is due the first week of school. I also fully understand that if the work is not submitted I will receive a grade of "zero" and will not be given the opportunity to make this work up, thus significantly impacting my first marking period grade. I agree to these terms and accept admission into this class.
