November 2021

Home of the Diamond Mine

Greetings Parents and Community Members:

The GTC Diamond Family is working extremely hard to ensure students receive appropriate CTE opportunities. Many students have joined organizations that will greatly benefit them in future endeavors. We will have our Fall Parent Meeting on December 8, 2021 and look forward to abundant parents joining us during this event. Teachers are working diligently on a daily basis by providing students with meaningful instructional practices. We will continue to provide students with CTE information that will enable them to be productive and successful citizens. Great things are continuously happening at the Greenville Technical Center.

Educationally Yours,

Dr. Kandíce K. Jernígan, CTE Dírector
