

What is a School-Parent Compact?

A school-parent compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers work together to ensure all students receive the individual support they need to reach and exceed grade level academic standards.

Jointly Developed

The parents, students, and staff of Broxton-Mary Hayes Elementary School partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held in the spring each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the annual Title I parent survey that is also used as a tool to collect parent feedback regarding the current Title I programs and policies. Parents are welcome to contribute comments at any time.

Parent Engagement Coordinator,
Mrs. Leigh Ann Allen

Our Mission:

Destination Graduation for College, Career, and Life

Our Vision:

Creating a stronger community through an equitable and excellent education for every student

Our Goals for Student Achievement

Teachers, Parents, Students - Together For Success

District Goals

The Board of Education sets goals for the entire district. The district goals for 2024-2025 are:

- During the 2024-2025 school year, Coffee County Schools will increase the percentage of students scoring at or above the Developing Level on all English/Language Arts End of Grade and End of Course Assessments by 3%.
- During the 2024-2025 school year, Coffee County Schools will increase the percentage of students scoring at or above the Developing Level on all Mathematics End of Grade and End of Course Assessments by 3%.

School Goals

Broxton-Mary Hayes Elementary goals for 2024-2025 school term are:

- In grades K-2, 80% of BMHE students will score at or above the 50th percentile or above on the Dibels Reading Assessment for Spring 2024-2025.
- At Broxton-Mary Hayes Elementary, we will increase the percentage of students scoring at or above proficiency on the Writing Rubric in grades K-2.
- In grades 1-2, 80% of BMHE students will score at or above the 50th percentile on the Spring MCOMP (Math) Assessment.

Reading/Writing

As a school, we will ...

- Provide parents with resources and strategies aimed at improving oral reading fluency and writing skills.
- Provide library books for students to read at home and share writing samples with parents.
- Provide sight words flash cards and/or lists for students to practice at home and at school.
- Provide family engagement events focused on improving oral reading fluency and writing skills.

As a parent, I will ...

- Regularly read aloud to my child, modeling good fluency and writing practices provided by the teacher.
- Regularly listen to my child read his or her library books and review writing samples provided by the teacher.
- Ask the teacher for sight words on flash cards and/or lists to practice with my child.
- Help teach homework/study skills to practice good habits for success.
- Hold my child accountable for daily homework.
- Attend Family Engagement events.

As a student, I will ...

- Share and review instructional resources sent home by my teacher with my family.
- Practice oral reading fluency by reading my library books.
- Study sight words using flash cards and/or lists.
- Practice writing based on what I have read.
- Bring home information about Family Engagement Events.

Math

As a school, we will ...

- Provide parents with resources and strategies aimed at improving addition and subtraction skills.
- Provide math fact flash cards or sheets for students to practice at home and at school upon request from teacher or Parent Resource Center.
- Provide a family engagement event focused on improving addition and subtraction skills.

As a parent, I will ...

- Use the resources and strategies for improving addition and subtraction skills provided by my child's teacher.
- Practice math facts with my child using flash cards provided by the teacher.
- Review graded work sent home by the teacher and practice in areas where needed.
- Attend Family Engagement events.

As a student, I will ...

- Share and review instructional resources sent home by my teacher with my family.
- Study math facts using flash cards.
- Bring home information about Family Engagement Events.
