

# Houston County Board of Education

## Student Performance Data Document

**SUPERINTENDENT OF SCHOOLS  
DR. MARK SCOTT**

*Our mission is to produce high-achieving students.  
Our vision is that our system will be world class.*

### **Beliefs**

- ★ Safety is our number one priority.
- ★ Failure is not an option. We do expect that all children can learn.
- ★ We will not be satisfied until all of our schools meet or exceed the highest academic standards.
- ★ We are committed to determining what each child needs to fulfill his potential.
- ★ We take responsibility for learning, for both our students and ourselves.
- ★ We are not afraid of change and will embrace change that is research-based and proven to be effective.

### **The Houston County Way**

- ☆ Strive for excellence in all that we do.
  - ☆ Have a professional attitude.
  - ☆ Go the extra mile.
- ☆ Base decisions on what's best for the child.
  - ☆ Provide quality customer service.
- ☆ Hard work, dedication and love for children.
- ☆ Approach work every day with a positive attitude, hope, enthusiasm and compassion.
  - ☆ Do things right; do the right thing.

## **Reminders for the 2021-2022 School Year**

While GaDOE leadership will monitor this school year and make adjustments as necessary, the U.S. Department of Education is not expected to grant any testing flexibility or waivers in 2021-2022. This means students, even those receiving virtual instruction, will be expected to participate in Georgia Milestones/ GAA/ ACCESS in-person this school year.

The EOC course grade weight of 0.01% ended at the close of the 2020-2021 school year (July 31). Beginning with the August mid-month administration, the EOC course grade weight is 20%. State charter schools and Charter/SWSS districts continue to have the flexibility to waive the use of Georgia Milestones in promotion/retention decisions.

The Advanced Placement (AP)/International Baccalaureate (IB)/Dual Enrollment (DE) EOC exemption applies to U.S. History only. All students enrolled in Algebra/Coordinate Algebra, Biology, and American Literature and Composition are expected to participate in the associated EOC.

As a reminder, the High School Physical Science assessment shall be administered to grade 8 students enrolled in the high school course, in lieu of the Grade 8 Science EOG.

**System Domain Summary Report**  
**GKIDS Readiness Check**  
 Fall 2021

The GKIDS Readiness Check assesses 20 skills critical for kindergarten success. These skills represent three domains of learning: Foundations of School Success, English Language Arts, and Mathematics. This report provides a summary of overall kindergarten readiness across domains. Educators can use this information to track trends and measure progress and help ensure that every child in Georgia has the skills needed to be able to access the kindergarten curriculum.

**Foundations of School Success**

This domain includes children's approaches to learning, social and emotional development, and physical and motor skills development. These non-academic skills are indicators of children's development towards future academic success.

**English Language Arts**

This domain includes children's early language and literacy development. These skills are the foundation for fluent and effective communication and literacy skills such as reading and writing.

**Mathematics**

This domain includes children's understanding of shapes and spatial relationships, problem solving, identifying similarities and differences, and basic numeracy concepts.

Not Yet Demonstrated	Emerging	Developing	Demonstrating
A student who has <b>Not Yet Demonstrated</b> readiness within a domain indicates minimal demonstration of foundational skills across assessed activities with continuous support and guidance from adults.	<b>Emerging</b> readiness within a domain indicates partial demonstration of foundational skills across assessed activities with frequent support and guidance from adults.	<b>Developing</b> readiness within a domain indicates general demonstration of foundational skills across assessed activities with occasional support and guidance from adults.	<b>Demonstrating</b> readiness within a domain indicates independent performance of foundational skills across assessed activities with little support and guidance from adults.

Notes:

- Demonstrating: This category also includes the *Exceeding* performance level, where applicable.
