STATEMENT OF INTEREST

The overall success of the Clatskanie School District, including its financial security, are important to me and I think important to the community. Our school district has a huge influence on the overall health and welfare of our children as well as on the social and economic health of our community. Thus I am interested in being a part of the team that can assist in making the aforementioned happen.

RELATED EXPERIENCE

I served on the Clatskanie City Council for 16 years and the Clatskanie School Board for 6 years. I have served on the Columbia County Budget Committee since 2016 and continue to do so at this time.

Qualified Voter of the District (check one): YES X NO
