- Marriage or divorce
- Birth, adoption, or placement of a child
- Involuntary loss of spouse's medical or dental coverage
- Death of dependent (child or spouse)
- Unpaid FMLA or Non-FMLA leave
- Change in dependent care providers
- Open enrollment period of spouse/dependent at employer (documentation required)

PREMIUM CONVERSION

A premium conversion plan is a way of providing you with valuable benefits and significant tax savings by converting your insurance premium deductions from after-tax to pre-tax payments. These premium payments are considered salary reductions and, as a result, you owe no tax on the premium amounts. You take home additional dollars in your paycheck! All participants enrolled in the groups health/dental benefit plans are automatically enrolled in Premium Conversion. Employees who do not wish to have their health and dental insurance premiums deducted on a pre-tax basis must complete the premium conversion waiver form.
