Investigations/Studies

Insect Study

The image displays a collection of educational resources for an insect study unit, all featuring a yellow and white color scheme. At the top is a large yellow banner with the text "Insect Study". Below this are several activity cards:

- Entomologist Laboratory:** A sign with a butterfly icon and a cartoon entomologist. Below it are three smaller cards, each showing a different entomologist character.
- Life Cycle of a Butterfly:** A circular diagram showing the stages: Egg, Larva (Caterpillar), Pupa (Chrysalis), and Butterfly.
- BUG Scavenger Hunt:** Two identical cards with a grid of insect icons and checkboxes for finding them.
- Memory Game:** A card with a grid of insect icons and a small butterfly icon.
- Caterpillar Patterning:** A card with two caterpillar illustrations made of colored beads, used for a pattern recognition activity.
