Note from Shipman & Goodwin:

We have revised this policy in light of Sections 86 and 87 of June Special Session, Public Act No. 21-1. The law revises the definition of smoke and smoking, clarifies that the prohibition on smoking extends to “any area” of a school building, and extends the prohibition against using an electronic nicotine delivery system or vapor product on school grounds or in a school to also prohibit use of an “electronic cannabis delivery system” in such locations.

This policy is moved to the Community Series, 1000, because it applies to everyone.

PROHIBITION AGAINST SMOKING

The New Milford Board of Education (the “Board”) prohibits smoking, including smoking using an electronic nicotine delivery system (e.g., e-cigarettes), electronic cannabis delivery system, or vapor product, within any of its schools, including in any area of a school building, including but not limited to any indoor facility owned or leased or contracted for, and utilized by the Board for the provision of routine or regular preschool, kindergarten, elementary, or secondary education or library services to children, or on the grounds of such school, or at any school-sponsored activity.

The following definitions shall apply to this policy:

“Any area” shall mean the interior of a school building and the outside area within twenty-five feet of any doorway, operable window or air intake vent of a school building.

“Cannabis” shall mean marijuana, as defined in Conn. Gen. Stat. § 21a-240.

“Electronic nicotine delivery system” shall mean an electronic device used in the delivery of nicotine to a person inhaling from the device and includes, but is not limited to, an electronic cigarette, electronic cigar, electronic cigarillo, electronic pipe or electronic hookah and any related device and any cartridge or other component of such device, including, but not limited to, electronic cigarette liquid or synthetic nicotine.

“School-sponsored activity” shall mean any activity sponsored, recognized or authorized by the Board and includes activities conducted on or off school property.

NEW MILFORD PUBLIC SCHOOLS
New Milford,

Note from Shipman & Goodwin:

Under Conn. Gen. Stat. §10-151, a board of education has the option of delegating authority for the hiring of certified staff to the Superintendent of Schools. This model policy reserves to the Board the hiring of administrators. While individual boards of education may wish to strike this balance differently, it is important for a board of education to make very clear through Board policy who has what authority with regard to the hiring of teachers and administrators.

NEW MILFORD PUBLIC

New Milford,

Note from Shipman & Goodwin:

We have revised this policy to add definitions of discrimination and harassment and include examples of the types of conduct that may be considered Protective Class harassment prohibited by the policy. While not required by law, these revisions are designed to provide guidance to districts in determining whether conduct in question constitutes discrimination or harassment. Further, in 2022, Public Act 22-82 added domestic violence victims as a protected class under Connecticut’s anti-discrimination laws. We have revised the policy to reflect this new protected class and to include the definition of “domestic violence victim.” In addition, effective January 1, 2023, it became an unlawful discriminatory practice for an employer to make decisions based on an employee’s or job applicant’s erased criminal record and we have added language reflecting this new prohibition. We have also updated the regulations and the complaint procedures consistent with a recently issued resolution from the U.S. Department of Education Office of Civil regarding a school district’s obligations to ensure that students are not subjected to a hostile environment on the basis of a protected class. Finally, we have made numerous technical revisions for clarity.

NON-DISCRIMINATION

The New Milford Board of Education (the “Board”) will not make employment decisions (including decisions related to hiring, assignment, compensation, promotion, demotion, disciplinary action and termination) on the basis of race, color, religion, age, sex, marital status, sexual orientation, national origin, alienage, ancestry, disability, pregnancy, genetic information, veteran status, gender identity or expression, status as a victim of domestic violence, or any other basis prohibited by state or federal law (“Protected Class”), except in the case of a bona fide occupational qualification.

It is the policy of the Board that any form of discrimination or harassment on the basis of an individual’s actual or perceived membership in a Protected Class, whether by students, Board employees, Board members or third parties subject to the control of the Board, is prohibited in the New Milford Public Schools (the “District”). The Board’s prohibition of discrimination or harassment in its educational programs or activities expressly extends to academic, nonacademic and extracurricular activities, including athletics.

The Board will not discriminate against any employee or applicant for employment solely on the basis of the individual’s erased criminal history record information, as defined in Conn. Gen. Stat. § 46a-80a.

The Board further prohibits reprisal or retaliation against any individual who reports incidents in good faith that may be a violation of this policy, or who participates in the investigation of such reports.

Discrimination and/or harassment against any individual on the basis of that individual's association with someone in a Protected Class may also be considered a form of Protected Class discrimination and/or harassment, and is therefore prohibited by this policy.

I. **Definitions:**

The following definitions apply for purposes of this policy:

A. **Discrimination**

With respect to employees, it is illegal for employers to treat employees differently in relation to hiring, discharging, compensating, or providing the terms, conditions, and privileges of employment because of such employee's actual or perceived membership in a Protected Class.

B. **Harassment**

Harassment is a form of Protected Class discrimination that is prohibited by law and by this policy. Harassment is unwelcome conduct that is based on an employee's actual or perceived membership in a Protected Class. Harassment constitutes unlawful discrimination when 1) enduring the offensive conduct becomes a condition of continued employment, or 2) the conduct is severe or pervasive enough to create a work environment that a reasonable person would consider intimidating, hostile, or abusive.

Although not an exhaustive list, the following are examples of the types of conduct that may be considered Protected Class harassment and can lead to an intimidating, hostile, or abusive environment, and are therefore prohibited by this policy:

- objectively offensive racial, ethnic, or religious epithets (or epithets commonly associated with any Protected Class membership);
- other words or phrases commonly considered demeaning or degrading on the basis of Protected Class membership;
- display of images or symbols commonly associated with discrimination against individuals on the basis of their membership in a Protected Class;
- graphic, written or electronic communications that are harmful or humiliating based on Protected Class membership;
- bigoted conduct or communications; or
- physical, written, electronic or verbal threats based on Protected Class membership.

Harassment does not have to include intent to harm, be directed at a specific target, or involve repeated incidents.

Sexual harassment is a form of harassment that is prohibited by law and Board Policy 4118.113/4218.113, Policy Regarding Prohibition of Sex Discrimination and Sexual Harassment in the Workplace (Personnel). For more information regarding harassment based on sex, sexual orientation, pregnancy, or gender identity or expression, contact the District's Title IX Coordinator at:

Gen. Stat. §§ 27-103(c), (d).

E. Gender identity or expression

Gender identity or expression refers to a person's gender-related identity, appearance or behavior, whether or not that gender-related identity, appearance or behavior is different from that traditionally associated with the person's physiology or assigned sex at birth, which gender-related identity can be shown by providing evidence including, but not limited to, medical history, care or treatment of the gender-related identity, consistent and uniform assertion of the gender-related identity or any other evidence that the gender-related identity is sincerely held, part of a person's core identity or not being asserted for an improper purpose.

F. Race

The term race is inclusive of ethnic traits historically associated with race, including but not limited to, hair texture and protective hairstyles. “Protective hairstyles” includes, but is not limited to, wigs, headwraps and hairstyles such as individual braids, cornrows, locs, twists, Bantu knots, afros and afro puffs.

G. Domestic violence

The term domestic violence means (1) a continuous threat of present physical pain or physical injury against a family or household member, as defined in Conn. Gen. Stat. § 46b-38a; (2) stalking, including but not limited to, stalking as described in Conn. Gen. Stat. § 53a-181d, of such family or household member; (3) a pattern of threatening, including but not limited to, a pattern of threatening as described in Conn. Gen. Stat. § 53a-62, of such family or household member or a third party that intimidates such family or household member; or (4) coercive control of such family or household member, which is a pattern of behavior that in purpose or effect unreasonably interferes with a person's free will and personal liberty. “Coercive control” includes, but is not limited to, unreasonably engaging in any of the following: (a) isolating the family or household member from friends, relatives or other sources of support; (b) depriving the family or household member of basic necessities; (c) controlling, regulating or monitoring the family or household member's movements, communications, daily behavior, finances, economic resources or access to services; (d) compelling the family or household member by force, threat or intimidation, including, but not limited to, threats based on actual or suspected immigration status, to (i) engage in conduct from which such family or household member has a right to abstain, or (ii) abstain from conduct that such family or household member has a right to pursue; (e) committing or threatening to commit cruelty to animals that intimidates the family or household member; or (f) forced sex acts, or threats of a sexual nature, including, but not limited to, threatened acts of sexual conduct, threats based on a person's sexuality or threats to release sexual images.

It is the policy of the Board to provide for the prompt and equitable resolution of complaints alleging Protected Class discrimination or harassment.

Any employee who believes an employee has experienced Protected Class discrimination or harassment or an act of retaliation or reprisal in violation of this policy should report such concern in writing to Teresa Kavanagh, Director of Human Resources in accordance with the Board’s complaint procedures included in the Board’s Administrative Regulations Regarding Non-Discrimination/Personnel, which accompany this policy and are available online at www.newmilfordps.org/boepolicies or upon request from the main office of any District school.

District employees are required to report incidents of alleged student-to-student and employee-to-student discrimination, harassment or retaliation that may be based on a Protected Class, when District employees witness or of which they have received reports or information, whether such incidents are verbal or physical or amount to discrimination, harassment or retaliation in other forms. NEW MILFORD PUBLIC

New Milford,

**ADMINISTRATIVE REGULATIONS REGARDING DISCRIMINATION
COMPLAINTS (PERSONNEL)**

The New Milford Board of Education (the “Board”) will not make employment decisions (including decisions related to hiring, assignment, compensation, promotion, demotion, disciplinary action and termination) on the basis of race, color, religion, age, sex, marital status, sexual orientation, national origin, alienage, ancestry, disability, pregnancy, genetic information, veteran status, gender identity or expression, status as a victim of domestic violence, or any other basis prohibited by state or federal law (“Protected Class”), except in the case of a bona fide occupational qualification.

It is the policy of the Board that any form of discrimination or harassment on the basis of an individual’s actual or perceived membership in a Protected Class, whether by students, Board employees, Board members or third parties subject to the control of the Board, is prohibited in the New Milford Public Schools (the “District”). Students, Board employees, Board members and third parties are expected to adhere to a standard of conduct that is respectful of the rights of all members of the school community.

It is also the policy of the Board to provide for the prompt and equitable resolution of complaints alleging Protected Class discrimination or harassment. The District will investigate both formal and informal complaints of discrimination, harassment or retaliation.

Although not an exhaustive list, the following are examples of the types of conduct that may be considered Protected Class harassment and can lead to a hostile environment, and are therefore prohibited:

- objectively offensive racial, ethnic, or religious epithets (or epithets commonly associated with any Protected Class membership);
- other words or phrases commonly considered demeaning or degrading on the basis of Protected Class membership;
- display of images or symbols commonly associated with discrimination against individuals on the basis of their membership in a Protected Class;
- graphic, written or electronic communications that are harmful or humiliating based on Protected Class membership;
- bigoted conduct or communications; OR
- physical, written, electronic or verbal threats based on Protected Class membership.

Harassment does not have to include intent to harm, be directed at a specific target, or involve repeated incidents.

Any employee who believes an employee has experienced Protected Class discrimination or harassment or an act of retaliation or reprisal in violation of Board policy should report such concern in writing to Teresa Kavanagh, Director of Human Resources in accordance with the Board's complaint procedures included in these Administrative Regulations Regarding Non-Discrimination/Personnel.

If a complaint involves allegations of discrimination or harassment based on sex, sexual orientation, pregnancy, or gender identity or expression, such complaints will be handled in accordance with the procedures set forth in Board Policy 4118.113/4218.113, Policy Regarding Prohibition of Sex Discrimination and Sexual Harassment in the Workplace (Personnel).

If a complaint involves allegations of discrimination or harassment based on disability, such complaints will be addressed in accordance with the procedures set forth in Board Policy 4118.112/4218.112 Section 504/ADA (Personnel).

In the event conduct reported as Protected Class discrimination and/or harassment allegedly violates more than one policy, the Board will coordinate any investigation in compliance with the applicable policies.

Preferably, complaints should be filed within thirty (30) calendar days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints. The District will investigate such complaints promptly and equitably, and will take corrective action when allegations are verified.

The District will not tolerate any reprisals or retaliation that occur as a result of the good faith reporting of charges of Protected Class discrimination or harassment. The Board further prohibits reprisal or retaliation against any individual who participates in the investigation of reports of alleged Protected Class harassment/discrimination. Any such reprisals or retaliation will result in disciplinary action against the retaliator, and other corrective actions as appropriate.

The District will periodically provide staff development for District administrators and periodically distribute the Non-Discrimination policy and the implementing administrative regulations to staff and students in an effort to maintain an environment free of discrimination and harassment.

Complaint Procedure

As soon as an individual feels that they, or another employee has been subjected to Protected Class discrimination or harassment, the individual should make a written complaint to the Superintendent or designee.

Complaints pertaining to the Superintendent should be filed with the Board Chair. Complaints pertaining to any Board members other than the Board Chair should be filed with the Board Chair. Complaints pertaining to the Board Chair should be filed with the Board Vice-Chair. In all cases, the individual receiving the complaint shall take appropriate steps to cause the matter to be investigated in a manner consistent with the Board's non-discrimination policy and regulation. If any party to the complaint is not

satisfied with the findings and conclusions of an investigation in which the Superintendent or a member of the Board is the respondent, within (30) calendar days of receiving the findings such party may present the complaint and written outcome to the Board Chair (or, if initially presented by the Board Chair, the Board Vice Chair), who will take appropriate steps to cause the matter to be reviewed in a manner consistent with the Board's non-discrimination policy and regulation. Such steps may include retention of an independent investigator different from the investigator who investigated the complaint,

The individual who is alleged to have experienced Protected Class discrimination/harassment (the "complainant") and any individual accused of Protected Class discrimination/harassment (the "respondent") (if applicable) will be provided a copy of the Board's policy and regulation and made aware of the individual's rights under this policy and regulation. In the event the Superintendent or designee receives a complaint alleging discrimination or harassment based on sex, sexual orientation, pregnancy, or gender identity or expression, the Superintendent or designee shall follow the procedures identified in Board Policy 4118.113/4218.113, Policy Regarding Prohibition of Sex Discrimination and Sexual Harassment in the Workplace (Personnel). In the event the Superintendent or designee receives a complaint alleging discrimination or harassment based on disability, the Superintendent or designee shall follow the procedures identified in Board Policy 4118.112/4218.113, Section 504/ADA (Personnel).

The complaint should state the:

- C. Name of the complainant,
- B. Date of the complaint,
- C. Date(s) of the alleged harassment/discrimination,
- D. Name(s) of the harasser(s) or discriminator(s),
- E. Location where such harassment/discrimination occurred,
- F. Names of any witness(es) to the harassment/discrimination,
- G. Detailed statement of the circumstances constituting the alleged harassment/discrimination; and
- H. Proposed remedy.

Any individual who makes an oral complaint of discrimination or harassment will be provided a copy of this regulation and will be requested to make a written complaint pursuant to the above procedure. If an individual is unable to make a written complaint, the employee receiving the oral complaint will either reduce the complaint to writing or assist the individual with completing the written complaint form.

All complaints received by employees are to be forwarded immediately to the Superintendent or designee. Upon receipt of a complaint alleging discrimination or harassment under this complaint procedure, the Superintendent or designee shall promptly investigate the complaint. During the course of the investigation, the investigator shall interview or consult with all individuals reasonably believed to have relevant information, including the complainant, the reporter (if different from the complainant), the respondent, and any witnesses to the conduct. Complaints will be investigated promptly within the timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and/or other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible, to the extent consistent with due process, as determined by the investigator.

Upon receipt of a written complaint of discrimination or harassment, the investigator should:

1. Offer to meet with the complainant and respondent (if applicable) within ten (10) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) to discuss the nature of the complaint, discuss the availability of interim measures, identify individuals the complainant or respondent believes has relevant information, and obtain any relevant documents the complainant or respondent may have;
2. Provide the complainant and respondent (if applicable) with a copy of the Board's non-discrimination policy and accompanying regulations;
3. Conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis of the complaint, including, as applicable, conducting interviews with the parties to the complaint and any relevant witnesses or other individuals deemed relevant to the complaint;
4. Review any records, notes, statements, or other documents relevant to the complaint;
5. Maintain confidentiality to the extent practicable throughout the investigative process, in accordance with state and federal law;
6. Complete a final investigation report that includes: (i) a findings of fact based on the evidence gathered; (ii) for each allegation, the conclusion(s) and reasoning(s) as to whether the discrimination or harassment occurred; and (iii) for any individual(s) found to have engaged in discrimination or harassment, a broad statement of consequences imposed (to the extent permitted by state and federal confidentiality requirements) (i.e. "Consequences were imposed.").
7. Communicate the outcome of the investigation in writing to the complainant and respondent (if any) (to the extent permitted by state and federal confidentiality requirements), within thirty (30) business days (provided that

such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) from the date the complaint was received by the Superintendent's office. The complainant and respondent (if any) shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the District will remedy the discrimination or harassment, adhering to the requirements of state and federal law;

8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of employees and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, the complainant and respondent (if any) will receive notice and interim measures may be implemented as necessary (see sub-paragraph 6);
9. Whenever allegations are verified, ensure that appropriate corrective action is taken (including, but not limited to, disciplinary action) aimed at preventing the recurrence of the discrimination or harassment. Corrective action should include steps to avoid continuing discrimination or harassment;
10. If a complainant or a respondent is not satisfied with the findings and conclusions of the investigation, such party may present the complaint and written outcome to the Superintendent within thirty (30) calendar days of receiving the findings. Upon review of a written request from the party requesting an appeal, the Superintendent shall review the investigative results of the investigator and determine if further action and/or investigation is warranted. Such action may include consultation with a designated investigator (if applicable), complainant, and respondent (if any) and meeting with appropriate individuals to attempt to resolve the complaint, or a decision affirming or overruling a designated investigator's conclusions or findings (if applicable). The Superintendent shall provide written notice to the complainant and respondent (if any) of the proposed actions within thirty (30) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) following the receipt of the written request for review.

If the District makes a finding of discrimination, harassment or retaliation, the District will take appropriate remedial action designed to 1) eliminate the discriminatory/harassing conduct, 2) prevent its recurrence, and 3) address its effects on the complainant and any other affected individuals. Examples of appropriate action may include:

- (a) Interventions for the individual who engaged in the discrimination/harassment, such as supervisor notification, discipline, or training.
- (b) Follow-up inquiries with the complainant and witnesses to ensure that the discriminatory/harassing conduct has stopped and that they have not experienced any retaliation.

- (c) Training or other interventions for the larger school community to ensure that students, staff, and parents understand the types of behavior that constitute discrimination/harassment, that the District does not tolerate it, and how to report it.

Note from Shipman & Goodwin:

State law prohibits employers from requiring applicants and employees to disclose the existence of erased criminal history information. Effective January 1, 2023, the definition of erased records has been expanded. In addition, Connecticut General Statutes Section 31-51i now requires that employment applications that contain a question concerning the criminal history of the applicant also contain a specific notice in “clear and conspicuous language.” We have revised our model policy to identify this notice requirement and to include the required notice language. We have also made revisions to reflect gender-neutral language and other technical edits.

The optional language regarding background checks with out of state registries for employees entering from another state is recommended and is in red italicized text.

EMPLOYMENT AND STUDENT TEACHER CHECKS

As set forth below, each applicant for a position with the New Milford Public Schools (the “District”), and each student who is enrolled in a teacher preparation program with the District, as defined in section 10-10a of the Connecticut General Statutes, and completing a student teaching experience in the District (collectively referred to as “applicants”), shall be asked to provide in writing: (1) whether the applicant has ever been convicted of a crime; (2) whether there are any criminal charges pending against the applicant at the time of the application and, if charges are pending, to state the charges and the court in which such charges are pending; and (3) whether the applicant is included on the Abuse and Neglect Registry of the Connecticut Department of Children and Families (“DCF”) (the “Registry”).

*[Optional language: If the applicant’s current or most recent employment occurred out of state, the applicant will also be asked whether the applicant is included on an equivalent database and/or abuse/neglect registry maintained in that other state].**

*[*Note: This language is optional, as out-of-state registry checks are not required under Connecticut law. However, given that the intent of state law is to ensure access to all relevant background information, we have included this provision should districts wish to require this additional information.]*

Applicants shall not be required to disclose any arrest, criminal charge or conviction that has been erased. An employment application form that contains any question concerning the criminal history of the applicant shall contain the following notice, in clear and conspicuous language:

Pursuant to section 31-51i(d) of the Connecticut General Statutes, the applicant is hereby notified that (1) the applicant is not required to disclose the existence of any erased criminal history record information, (2) erased criminal history record information are records pertaining to a finding of delinquency or that a child was a

member of a family with service needs, an adjudication as a youthful offender, a criminal charge that has been dismissed or nolle, a criminal charge for which the person has been found not guilty or a conviction for which the person received an absolute pardon or criminal records that are erased pursuant to statute or by other operation of law, and (3) any person with erased criminal history record information shall be deemed to have never been arrested within the meaning of the general statutes with respect to the proceedings so erased and may so swear under oath.

In addition, the District shall conduct an employment history check for each applicant for a position, as set forth below.

For the purposes of this policy:

“Sexual misconduct” means any verbal, nonverbal, written, or electronic communication, or any other act directed toward or with a student that is designed to establish a sexual relationship with the student, including a sexual invitation, dating or soliciting a date, engaging in sexual dialog, making sexually suggestive comments, self-disclosure or physical exposure of a sexual or erotic nature, and any other sexual, indecent, or erotic contact with a student.

“Abuse or neglect” means abuse or neglect as described in Conn. Gen. Stat. § 46b-120, and includes any violation of Conn. Gen. Stat. §§ 53a-70 (sexual assault in the first degree), 53a-70a (aggravated sexual assault in the first degree), 53a-71 (sexual assault in the second degree), 53a-72a (sexual assault in the third degree), 53a-72b (sexual assault in the third degree with a firearm), or 53a-73a (sexual assault in the fourth degree).

“Former employer” means any person, firm, business, educational institution, nonprofit agency, corporation, limited liability company, the state, any political subdivision of the state, any governmental agency, or any other entity that such applicant was employed by during any of the previous twenty years prior to applying for a position with a local or regional board of education.

Such review may be conducted telephonically or through written communication. Notwithstanding the provisions of subsection (g) of Conn. Gen. Stat. § 31-51i, not later than five (5) business days after the District receives a request for such information about an employee or former employee, the District shall respond with such information. The District may request more information concerning any response made by a current or former employer for information about an applicant, and, notwithstanding subsection (g), such employer shall respond not later than five (5) business days after receiving such request.
3. Requesting information from the Department concerning:

- B. Notwithstanding the provisions of subsection (g) of Conn. Gen. Stat. § 31-51i, if the District receives information that an applicant for a position with or an employee of the District has been disciplined for a finding of abuse or neglect or sexual misconduct, it shall notify the Department of such information.
- C. The District shall not employ an applicant for a position involving direct student contact who does not comply with the provisions of paragraph I.A.1 of this policy.
- D. The District may employ or contract with an applicant on a temporary basis for a period not to exceed ninety (90) calendar days, pending the District's review of information received under this section, provided:

 2. The District has no knowledge of information pertaining to the applicant that would disqualify the applicant from employment with the District; and
 3. The applicant affirms that the applicant is not disqualified from employment with the District.
- E. The District shall not enter into a collective bargaining agreement, an employment contract, an agreement for resignation or termination, a severance agreement, or any other contract or agreement or take any action that:
1. Has the effect of suppressing information relating to an investigation of a report of suspected abuse or neglect or sexual misconduct by a current or former employee;
 2. Affects the ability of the District to report suspected abuse or neglect or sexual misconduct to appropriate authorities; or
 3. Requires the District to expunge information about an allegation or a finding of suspected abuse or neglect or sexual misconduct from any

documents maintained by the District, unless, after investigation, such allegation is dismissed or found to be false.

- F. The District shall not offer employment to a person as a substitute teacher, unless such person and the District comply with the provisions of paragraph I.A.1 of this policy. The District shall determine which such persons are employable as substitute teachers and maintain a list of such persons. The District shall not hire any person as a substitute teacher who is not on such list. Such person shall remain on such list as long as such person is continuously employed by the District as a substitute teacher, as described in paragraph III.B.2 of this policy, provided the District does not have any knowledge of a reason that such person should be removed from such list.
- G. In the case of an applicant who is a contractor, the contractor shall require any employee with such contractor who would be in a position involving direct student contact to supply to such contractor all the information required of an applicant under paragraphs I.A.1.a and I.A.1.c of this policy and a written authorization under paragraph I.A.1.b of this policy. Such contractor shall contact any current or former employer (please note the definition of “former employer” above, including the applicable twenty year reporting period) of such employee that was a local or regional board of education, council of a state or local charter school, interdistrict magnet school operator, or a supervisory agent of a nonpublic school, or if the employee’s employment with such current or former employer caused the employee to have contact with children, and request, either telephonically or through written communication, any information concerning whether there was a finding of abuse or neglect or sexual misconduct against such employee. Notwithstanding the provisions of subsection (g) of Conn. Gen. Stat. § 31-51i, such employer shall report to the contractor any such finding, either telephonically or through written communication. If the contractor receives any information indicating such a finding or otherwise receives any information indicating such a finding or otherwise has knowledge of such a finding, the contractor shall, notwithstanding the provisions of subsection (g) of Conn. Gen. Stat. § 31-51i, immediately forward such information to the District, either telephonically or through written communication. If the District receives such information, it shall determine whether such employee of the contractor may work in a position involving direct student contact at any school in the District. No determination by the District that any such employee of the contractor shall not work under any such contract in any such position shall constitute a breach of such contract.
- H. Any applicant/employee who knowingly provides false information or knowingly fails to disclose information required in subdivision (1) of subsection (A) of this section shall be subject to discipline by the District that may include:
1. denial of employment, or
 2. termination of the contract of a certified employee, in accordance with the provisions of Conn. Gen. Stat. § 10-151, or

3. termination of a non-certified employee in accordance with applicable law and/or any applicable collective bargaining agreement, contract or District policy.
- I. If the District provides information in accordance with paragraph I.A.2 or I.G of this policy, the District shall be immune from criminal and civil liability, provided the District did not knowingly supply false information.
- J. Notwithstanding the provisions of Conn. Gen. Stat. § 10-151c and subsection (g) of Conn. Gen. Stat. § 31-51i, the District shall provide, upon request by another local or regional board of education, governing council of a state or local charter school, interdistrict magnet school operator, or supervisory agent of a nonpublic school for the purposes of an inquiry pursuant to paragraphs I.A.2 or I.G of this policy or to the Commissioner of Education pursuant to paragraph I.B of this policy any information that the District has concerning a finding of abuse or neglect or sexual misconduct by a subject of any such inquiry.
- K. Prior to offering employment to an applicant, the District shall make a documented good faith effort to contact each current and any former employer (please note the definition of “former employer” employer above, including the applicable twenty year reporting period) of the applicant that was a local or regional board of education, governing council of a state or local charter school, interdistrict magnet school operator, or supervisory agent of a nonpublic school, or if the applicant’s employment with such current or former employer caused the applicant to have contact with children in order to obtain information and recommendations that may be relevant to the applicant’s fitness for employment. Such effort, however, shall not be construed to require more than three telephonic requests made on three separate days.
- L. The District shall not offer employment to any applicant who had any previous employment contract terminated by a local or regional board of education, council of a state or local charter school, interdistrict magnet school operator, or a supervisory agent of a nonpublic school, or who resigned from such employment, if the person has been convicted of a violation of Conn. Gen. Stat. § 17a-101a, when an allegation of abuse or neglect or sexual assault has been substantiated.

II. DCF Registry Checks

Prior to hiring any person for a position with the District, and before a student who is enrolled in a teacher preparation program in the District, as defined in section 10-10a of the Connecticut General Statutes, and completing a student teaching experience with the District, begins such student teaching experience, the District shall require such applicant or student to submit to a records check of information maintained on the Registry concerning the applicant.

[Optional: For any applicant whose current or most recent employment occurred out of state, the District shall request that the applicant provide the District with authorization to

access information maintained concerning the applicant by the equivalent state agency in the state of most recent employment, if such state maintains information about abuse and neglect and has a procedure by which such information can be obtained. Refusal to permit the District to access such information shall be considered grounds for rejecting any applicant for employment.]

The District shall request information from the Registry *[or its out of state equivalent]* promptly, and in any case no later than thirty (30) calendar days from the date of employment. Registry checks will be processed according to the following procedure:

- A. No later than ten (10) calendar days after the Superintendent or the Superintendent's designee has notified a job applicant of a decision to offer employment to the applicant, or as soon thereafter as practicable, the Superintendent or the Superintendent's designee will either obtain the information from the Registry or, if the applicant's consent is required to access the information, will supply the applicant with the release form utilized by DCF, *[or its out of state equivalent when available,]* for obtaining information from the Registry.
- B. If consent is required to access the Registry, no later than ten (10) calendar days after the Superintendent or the Superintendent's designee has provided the successful job applicant with the form, the applicant must submit the signed form to DCF *[or its out of state equivalent]*, with a copy to the Superintendent or the Superintendent's designee. Failure of the applicant to submit the signed form to DCF *[or its out of state equivalent]* within such ten-day period, without good cause, will be grounds for the withdrawal of the offer of employment.
- C. Upon receipt of Registry *[or out-of-state registry]* information indicating previously undisclosed information concerning abuse or neglect investigations concerning the successful job applicant/employee, the Superintendent or the Superintendent's designee will notify the affected applicant/employee in writing of the results of the Registry check and will provide an opportunity for the affected applicant/employee to respond to the results of the Registry check.
- D. If notification is received by the Superintendent or the Superintendent's designee that that the applicant is listed as a perpetrator of abuse or neglect on the Registry, the Superintendent or the Superintendent's designee shall provide the applicant with an opportunity to be heard regarding the results of the Registry check. If warranted by the results of the Registry check and any additional information provided by the applicant, the Superintendent or the Superintendent's designee shall revoke the offer of employment and/or terminate the applicant's employment if the applicant has already commenced working for the District.

III. Criminal Records Check Procedure

- A. Each person hired by the District shall be required to submit to state and national criminal records checks within thirty (30) calendar days from the date

of employment. Each student who is enrolled in a teacher preparation program, as defined in section 10-10a of the Connecticut General Statutes, and completing a student teaching experience with the District, shall be required to submit to state and national criminal records checks within sixty (60) calendar days from the date such student begins to perform such student teaching experience. Record checks will be processed according to the following procedure:*

1. No later than five (5) calendar days after the Superintendent or the Superintendent's designee has notified a job applicant of a decision to hire the applicant, or as soon thereafter as practicable, the Superintendent or the Superintendent's designee will provide the applicant with a packet containing all documents and materials necessary for the applicant to be fingerprinted by the local police department or the CT State Department of Emergency Services and Public Protection. This packet shall also contain all documents and materials necessary for the police department to submit the completed fingerprints to the State Police Bureau of Identification for the processing of state and national criminal records checks. The Superintendent or the Superintendent's designee will also provide each applicant with the following notifications before the applicant obtains the applicant's fingerprints: (1) Agency Privacy Requirements for Noncriminal Justice Applicants; (2) Noncriminal Justice Applicant's Privacy Rights; (3) and the Federal Bureau of Investigation, United States Department of Justice Privacy Act Statement.
2. No later than ten (10) calendar days after the Superintendent or the Superintendent's designee has provided the successful job applicant with the fingerprinting packet, the applicant must arrange to be fingerprinted by the local police department or the CT State Department of Emergency Services and Public Protection. Failure of the applicant to have the applicant's fingerprints taken within such ten-day period, without good cause, will be grounds for the withdrawal of the offer of employment.
3. Any person for whom criminal records checks are required to be performed pursuant to this policy must pay all fees and costs associated with the fingerprinting process and/or the submission or processing of the requests for criminal records checks. Fees and costs associated with the fingerprinting process and the submission and process of requests are waived for student teachers, in accordance with state law.
4. Upon receipt of a criminal records check indicating a previously undisclosed conviction, the Superintendent or the Superintendent's designee will notify the affected applicant/employee in writing of the results of the record check and will provide an opportunity for the affected applicant/employee to respond to the results of the criminal records check. The affected applicant/employee may notify the Superintendent or the Superintendent's designee in writing within five (5) calendar days that the affected applicant/employee will challenge such individual's criminal history records check. Upon written notification to

the Superintendent or the Superintendent's designee of such a challenge, the affected applicant/employee shall have ten (10) calendar days to provide the Superintendent or the Superintendent's designee with necessary documentation regarding the affected applicant/employee's record challenge. The Superintendent or the Superintendent's designee may grant an extension to the preceding ten-day period during which the affected applicant/employee may provide such documentation for good cause shown.

5. Decisions regarding the effect of a conviction upon an applicant/employee, whether disclosed or undisclosed by the applicant/employee, will be made on a case-by-case basis. Notwithstanding the foregoing, the falsification or omission of any information on a job application or in a job interview, including but not limited to information concerning criminal convictions or pending criminal charges, shall be grounds for disqualification from consideration for employment or discharge from employment.
6. Notwithstanding anything in paragraph III.A.5 of this policy, above, no decision to deny employment or withdraw an offer of employment on the basis of an applicant/employee's criminal history record shall be made without affording the applicant/employee the opportunities set forth in paragraph III.A.4 of this policy, above.

B. Criminal Records Check for Substitute Teachers:

A substitute teacher who is hired by the District must submit to state and national criminal history records checks according to the procedures outlined above, subject to the following:

1. If the state and national criminal history records checks for a substitute teacher have been completed within one year prior to the date the District hired the substitute teacher, and if the substitute teacher arranged for such prior criminal history records checks to be forwarded to the Superintendent or the Superintendent's designee, then the substitute teacher will not be required to submit to another criminal history records check at the time of such hire.
2. If a substitute teacher submitted to state and national criminal history records checks upon being hired by the District, then the substitute teacher will not be required to submit to another criminal history records check so long as the substitute teacher is continuously employed by the District, that is, employed for at least one day of each school year, by the District, provided a substitute teacher is subjected to such checks at least once every five years.

IV. Sex Offender Registry Checks

District personnel shall cross-reference the Connecticut Department of Public Safety's sexual offender registry prior to hiring any new employee and before a student who is enrolled in a teacher preparation program, as defined in section 10-10a of the Connecticut General Statutes, and completing a student teaching experience with the District, begins such student teaching experience. Registration as a sexual offender constitutes grounds for denial of employment opportunities and opportunities to perform student teaching experiences in the District.

V. Credit Checks

The District may also ask a prospective employee for a credit report for employment for certain District positions, where the District's receipt of a credit report is substantially related to the employee's potential job. "Substantially related to the current or potential job" is defined to mean "the information contained in the credit report is related to the position for which the employee or prospective employee who is the subject of the report is being evaluated because of the position." Prior to asking for a credit report, the District will determine whether the position falls within one of the categories as described in this paragraph. The position must: (1) be a managerial position which involves setting the direction or control of the District; (2) involve access to employees' personal or financial information; (3) involve a fiduciary responsibility to the District, including, but not limited to, the authority to issue payments, collect debts, transfer money or enter into contracts; (4) provide an expense account or District debit or credit card; or (5) involve access to the District's nonfinancial assets valued at two thousand five dollars or more.

When a credit report will be requested as part of the employment process, the District will provide written notification to the prospective employee regarding the use of credit checks. That notification must be provided in a document separate from the employment application. The notification must state that the District may use the information in the consumer credit report to make decisions related to the individual's employment.

The District will obtain consent before performing the credit or other background checks. If the District intends to take an action adverse to a potential employee based on the results of a credit report, the District must provide the prospective employee with a copy of the report on which the District relied in making the adverse decision, as well as a copy of "A Summary of Your Rights Under the Fair Credit Reporting Act," which should be provided by the company that provides the results of the credit check. The District will notify the prospective employee either orally, in writing or via electronic means that the adverse action was taken based on the information in the consumer report. That notice must include the name, address and phone number of the consumer reporting company that supplied the credit report; a statement that the company that supplied the report did not make the decision to take the unfavorable action and cannot provide specific reasons for the District's actions; and a notice of the person's right to dispute the accuracy or completeness of any information the consumer reporting company furnished, and to get an additional free report from the company if the person asks for it within sixty (60) calendar days.

VI. Notice of Conviction

If, at any time, the District receives notice of a conviction of a crime by a person holding a certificate, authorization or permit issued by the State Board of Education, the District shall send such notice to the State Board of Education. In complying with this

requirement, the District shall not disseminate the results of any national criminal history records check.

VII. School Nurses

School nurses or nurse practitioners appointed by, or under contract with, the District shall also be required to submit to a criminal history records check in accordance with the procedures outlined above.

VIII. Personal Online Accounts

For purposes of this policy, “personal online account” means any online account that is used by an employee or applicant exclusively for personal purposes and unrelated to any business purpose of the District, including, but not limited to, electronic mail, social media and retail-based Internet web sites. “Personal online account” does not include any account created, maintained, used or accessed by an employee or applicant for a business purpose of the District.

A. During the course of an employment check, the District may not:

1. request or require that an applicant provide the District with a user name and password, password or any other authentication means for accessing a personal online account;
2. request or require that an applicant authenticate or access a personal online account in the presence of District personnel; or
3. require that an applicant invite a supervisor employed by the District or accept an invitation from a supervisor employed by the District to join a group affiliated with any personal online account of the applicant.

B. The District may request or require that an applicant provide the District with a user name and password, password or any other authentication means for accessing:

1. any account or service provided by District or by virtue of the applicant’s employment relationship with the District or that the applicant uses for the District’s business purposes, or
2. any electronic communications device supplied or paid for, in whole or in part, by the District.

C. In accordance with applicable law, the District maintains the right to require an applicant to allow the District to access the applicant’s personal online account, without disclosing the user name and password, password or other authentication means for accessing such personal online account, for the purpose of:

1. conducting an investigation for the purpose of ensuring compliance with applicable state or federal laws, regulatory requirements or prohibitions against work-related employee misconduct based on the receipt of specific information about activity on an applicant's personal online account; or
2. conducting an investigation based on the receipt of specific information about an applicant's unauthorized transfer of the District's proprietary information, confidential information or financial data to or from a personal online account operated by an applicant or other source.

IX. Policy Inapplicable to Certain Individuals

This policy shall not apply to:

- A. A student employed by the District who attends a District school.
- B. A person employed by the District as a teacher for a noncredit adult class or adult education activity, as defined in Conn. Gen. Stat. § 10-67, who is not required to hold a teaching certificate pursuant to Conn. Gen. Stat. § 10-145b for such position.

X. Falsification of Records

Notwithstanding any other provisions of this policy, the falsification or omission of any information on a job application or in a job interview, including but not limited to information concerning abuse or neglect investigations or pending criminal applications, shall be grounds for disqualification from consideration for employment or discharge from employment.

Agency Privacy Requirements for Noncriminal Justice Applicants

Authorized governmental and non-governmental agencies/officials that conduct a national fingerprint-based criminal history record check on an applicant for a noncriminal justice purpose (such as employment or a license, immigration or naturalization matter, security clearance, or adoption) are obligated to ensure the applicant is provided certain notices and that the results of the check are handled in a manner that protects the applicant's privacy. All notices must be provided in writing.¹ These obligations are pursuant to the Privacy Act of 1974, Title 5, United States Code (U.S.C.), Section 552a, and Title 28, Code of Federal Regulations (CFR), Section 50.12, among other authorities.

- Officials must ensure that each applicant receives an adequate written FBI Privacy Act Statement (dated 2013 or later) when the applicant submits the applicant's fingerprints and associated personal information.²
- Officials must advise all applicants in writing that procedures for obtaining a change, correction, or update of an FBI criminal history record are set forth at 28 CFR 16.34. Information regarding this process may be found at <https://www.fbi.gov/services/cjis/identity-history-summary-checks> and <https://www.edo.cjis.gov>.
- Officials must provide the applicant the opportunity to complete or challenge the accuracy of the information in the FBI criminal history record.
- Officials should not deny the employment, license, or other benefit based on information in the FBI criminal history record until the applicant has been afforded a reasonable time to correct or complete the record or has declined to do so.
- Officials must use the criminal history record for authorized purposes only and cannot retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Council.³

The FBI has no objection to officials providing a copy of the applicant's FBI criminal history record to the applicant for review and possible challenge when the record was obtained based on positive fingerprint identification. If agency policy permits, this courtesy will save the applicant the time and additional FBI fee to obtain the applicant's record directly from the FBI by following the procedures found at 28 CFR 16.30 through 16.34. It will also allow the officials to make a more timely determination of the applicant's suitability.

Each agency should establish and document the process/procedures it utilizes for how/when it gives the applicant the FBI Privacy Act Statement, the 28 CFR 50.12 notice, and the opportunity to correct the applicant's record. Such documentation will assist State and/or FBI auditors during periodic compliance reviews on use of criminal history records for noncriminal justice purposes.

Noncriminal Justice Applicant's Privacy Rights

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for a job or license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below. All notices must be provided to you in writing.⁴ These obligations are pursuant to the Privacy Act of 1974, Title 5, United States Code (U.S.C.) Section 552a, and Title 28 Code of Federal Regulations (CFR), 50.12, among other authorities.

- You must be provided an adequate written FBI Privacy Act Statement (dated 2013 or later) when you submit your fingerprints and associated person information. This Privacy Act Statement must explain the authority for collecting your fingerprints and associated information and whether your fingerprints and associated information will be searched, shared, or retained.⁵
- You must be advised in writing of the procedures for obtaining a change, correction, or updating of your criminal history record as set forth at 28 CFR 16.34.
- You must be provided the opportunity to complete or challenge the accuracy of the information in your FBI criminal history record (if you have such a record).
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the criminal history record.
- If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <http://www.fbi.gov/services/cjis/identity-history-summary-checks> and <https://www.edo.cjis.gov>.
- If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI by submitting a request via <https://www.edo.cjis.gov>. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)
- You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.⁶

Note from Shipman & Goodwin:

A Board of Education Policy on nepotism is not required by law and is, therefore, a discretionary decision for the Board of Education. This model policy is provided for the Board’s consideration. Pursuant to Conn. Gen Stat. §§ 7-148(c)(10)(B) and 7-148h, a municipality can adopt its own ethics code and establish a board or agency to investigate allegations of unethical conduct. If the Board wishes to adopt a nepotism policy, it should determine whether the town or municipality has adopted an ethics code and, if so, whether it contains any relevant provisions, such as an explicit ban on nepotism or a prohibition against municipal employees from using their positions to financially benefit relatives or immediate family members.

Additional Note: The Board has a policy on Nepotism. The Town Code of Ethics has been reviewed and this proposed policy supports the intent of the Town’s Code of Ethics.

No employee may be involved in the process of screening for advancement in the application process, interviewing or hiring of his or her relatives.

Employees will not be hired, promoted, transferred or assigned to work in positions in the same school or work unit or department in which a relative is already employed, unless the Superintendent approves such an assignment in writing.

No administrator or supervisor shall supervise any of his or her relatives.

A Board member or administrator who has an existing familial relationship with an employee, as defined above, or who has had a change in circumstances which creates a familial relationship with any employee of the District, shall declare such relationship to the Superintendent or Chair of the Board immediately.

If a change in circumstances creates a familial relationship between an employee and his or her supervisor, the Board, through its Superintendent, reserves the right to seek a transfer of any employee in order to resolve any concerns about the operations of the district with respect to nepotism or the appearance of nepotism. The Superintendent may also provide for the evaluation and/or supervision of the employee outside of the typical chain of command in order to resolve any concerns about nepotism or the appearance of nepotism.

EVALUATION, TERMINATION AND NON-RENEWAL OF ATHLETIC COACHES

It is the policy of the New Milford Board of Education (the “Board”) that an athletic coach employed by the Board shall:

- 1) adhere to all Board policies, rules and regulations;
- 2) conduct himself or herself in a professional manner;
- 3) serve as a role model for students; and
- 4) demonstrate competence and proficiency in his or her role as an athletic coach of a particular sport.

For purposes of this policy, the term “**athletic coach**” means any person holding (and required to hold) a coaching permit issued by the Connecticut State Board of Education who is hired by the Board to act as a coach for a sport season. The term “athletic coach” under this policy shall include only coaches who have direct responsibility for one or more teams (including assistant coaches if they serve as a coach to another team (*e.g.*, JV)), and the term shall not include other assistant coaches and volunteer coaches.

For purposes of this policy, the term “**athletic director**” means an individual responsible for administering the athletic program of a school or school district under the jurisdiction of the Board, and who is responsible for the supervision of athletic coaches.

The Superintendent may adopt administrative regulations in accordance with this policy.

I. Evaluations

Pursuant to state law, the Board requires that an athletic coach employed by the Board be evaluated on an annual basis by the athletic director or the coach’s immediate supervisor. An athletic coach shall be provided with a copy of any such evaluation. Other assistant and volunteer coaches may be evaluated as directed by the Superintendent of Schools or his/her designee.

II. Employment of an Athletic Coach

- A. Athletic coaches serve at the discretion of the Superintendent, and their employment in their specific coaching positions (*e.g.*, basketball, golf) may be non-renewed or terminated at any time, subject to the provisions set forth below which apply to athletic coaches who have served in the same coaching position for three or more consecutive school years.
- B. If the Superintendent non-renews or terminates the coaching contract of an athletic coach who has served in the same coaching position for three or more consecutive school years, the Superintendent shall inform such coach of the decision within ninety (90) calendar days of the end of the athletic season covered by the contract. In such cases, the athletic coach will have an opportunity to appeal the decision of the Superintendent in accordance with the procedures set forth below in Section III.
- C. Notwithstanding any rights an athletic coach may have to a hearing, nothing prohibits a Superintendent from terminating the employment contract of any athletic coach at any time, including an athletic coach who has served in the same coaching position for three or more consecutive school years:
 - 1) for reasons of moral misconduct, insubordination, failure to comply with the Board's policies, rules and regulations; or
 - 2) because the sport has been canceled by the Board.
- D. If a decision to terminate a coach's employment is made during the athletic season, the Superintendent shall remove the coach from duty during the pendency of any hearing conducted pursuant to this policy.

III. Hearing Procedures:

An athletic coach who has served in the same coaching position for three or more consecutive school years may appeal any such non-renewal or termination decision (except if such decision was due to cancellation of the sport) to the Board in accordance with the following procedures:

- A. The athletic coach must file a written appeal with the Board within ten (10) calendar days of the Superintendent's written notification of non-renewal or termination. Such appeal shall set forth the basis on which the athletic coach seeks review of that decision, and a copy of said appeal shall be sent to the Superintendent. Failure to submit a timely written appeal shall constitute a waiver of said appeal opportunity.
- B. Within a reasonable period of time of its receipt of a written appeal of the Superintendent's decision, the Board or a committee of the Board as designated

by the Chairperson shall conduct a hearing to consider such appeal. Reasonable notice of the time and place for such hearing shall be issued to the athletic coach prior to the commencement of the hearing.

- C. At the hearing, the athletic coach shall have an opportunity to present facts and evidence in support of renewal and/or reinstatement, and the Superintendent shall have the opportunity (but shall not be obligated) to present facts and evidence in support of the decision of non-renewal and/or termination. For good cause shown, the athletic coach may call a limited number of witnesses to testify if there is a clear need for witnesses to present factual information (rather than simply expressing an opinion on the skill or competence of the athletic coach). In any event, cumulative or redundant testimony shall not be allowed.
- D. The decision of non-renewal or termination shall be affirmed unless the Board determines that the decision is arbitrary and capricious. The coach shall bear the burden of proof on this point.
- E. Within a reasonable period of time following the hearing, the Board shall determine whether the Superintendent acted in an arbitrary and capricious manner in making his/her decision not to renew and/or to terminate, and shall provide a written decision to the coach. The decision of the Board shall be final.

II. Procedures for Grievances/Complaints Alleging Discrimination on the Basis of Disability

- A. Any eligible person, including any student, parent/guardian, staff member or other employee who feels that he/she has been discriminated against on the basis of disability (including differential treatment, harassment and retaliation) may submit a written complaint to the district's designated Section 504/ADA Coordinator (see contact information below) within thirty (30) school days of the alleged occurrence.
- B. Timely reporting of complaints facilitates the prompt investigation and resolution of such complaints. If a complaint is filed relating to alleged discrimination occurring more than thirty (30) school days after the alleged occurrence, the ability of the New Milford Public Schools (the "District") to investigate the allegations may be limited by the passage of time. Therefore, complaints received after thirty (30) school days of the alleged occurrence shall be investigated to the extent possible, given the passage of time and the impact on available information, witnesses and memory. If a complaint is made verbally, the individual taking the complaint will reduce the complaint to writing. Individuals wishing to make a complaint about discrimination against students on the basis of disability should be referred to the district's Section 504/ADA policies and regulations regarding students.
- C. Retaliation against any individual who complains pursuant to the Board's policy and regulations listed herein is strictly prohibited. The district will not tolerate any retaliation that occurs as a result of the good faith reporting or complaint of disability-based discrimination or as a result of an individual's participation or cooperating in the investigation of a complaint. The district will take necessary actions to prevent retaliation as a result of filing a complaint or the participation in an investigation of a complaint.

[NOTE: Section 504 does not provide a statute of limitations for filing grievances/complaints with the district. The district encourages prompt reporting by suggesting that complaints be filed within thirty (30) school days in order to facilitate timely resolution of potential disputes.]

- D. If the Section 504/ADA Coordinator is the subject of the complaint, the complaint should be submitted directly to the Superintendent who may conduct the investigation or appoint a designee to conduct the investigation in accordance with these procedures. If the Superintendent is the subject of the complaint, the District shall designate an appropriate party to conduct the investigation in accordance with these procedures.
- E. Complaints will be investigated promptly within timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and other extenuating

circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible.

F. The complaint should contain the following information:

1. The name of the complainant;
2. The date of the complaint;
3. The date(s) of the alleged discrimination;
4. The names of any witnesses or individuals relevant to the complaint;
5. A detailed statement describing the circumstances in which the alleged discrimination occurred; and
6. The remedy requested.

However, all complaints will be investigated to the extent possible, even if such information is not included in the complaint. In such circumstances, additional information may be requested by the investigator as part of the investigation process.

G. Upon receipt of the complaint, the individual investigating the complaint shall:

1. Provide a copy of the written complaint to the Superintendent of Schools;
2. Meet separately with the complainant and the respondent within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant and respondent believe have relevant information, and obtain any relevant documents the complainant may have;
3. Provide the complainant and respondent with a copy of the applicable Board Section 504/ADA Policy and these administrative regulations;
4. Consider whether and which interim measures might be appropriate for an alleged victim and the respondent pending the outcome of the District's investigation;
5. Conduct an investigation of the factual basis of the complaint that is adequate, reliable, and impartial, including conducting interviews with individuals with information and review of documents relevant to the complaint;
6. Maintain confidentiality to the extent practicable throughout the investigative process in accordance with state and federal law;
7. Communicate the outcome of the investigation in writing to the complainant, and to the respondent (to the extent permitted by state and federal confidentiality requirements), within fifteen (15) school days from the date the complaint was received by the Section 504/ADA Coordinator or Superintendent. The written notice shall include a finding as to whether the complaint was substantiated and if so, shall identify how the District will remedy any identified violations of Section 504/ADA. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant and the respondent shall be notified of any such extension;

8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint, and no later than fifteen (15) school days after the start of the following school year. The complainant and the respondent will receive notice if the investigation has been impeded by the summer recess, and interim measures may be implemented as necessary (see sub-paragraph 4);
 9. Ensure that appropriate corrective action is taken whenever allegations are verified. When allegations are verified, ensure that measures to remedy the effects of the discrimination and prevent its recurrence are appropriately considered, and offered, when appropriate. Corrective action should include steps to avoid continuing discrimination;
 10. In the event the investigator concludes that there is no violation of Section 504/ADA, the district may attempt to resolve the complainant's ongoing concerns, if possible.
- H. If the complainant or respondent is not satisfied with the findings and conclusions of the investigation, the appealing party may request review and reconsideration of the conclusion of the complaint within thirty (30) days of receipt of the written outcome. In requesting review, the appealing party must submit the complaint, the written outcome of the complaint, and explain why he/she believes the factual information relied upon by the investigator was incomplete, the analysis of the facts was incorrect, and/or the appropriate legal standard was not applied, *and* how this information would change the investigator's determination in the case. Failure to provide all such information may result in the denial of the review.

Upon review of a written request from the appealing party, the Superintendent shall review the investigative results of the investigator and determine if further action and/or investigation is warranted. Such action may include consultation with the investigator and other relevant witnesses, a meeting with appropriate individuals to attempt to resolve the complaint or a decision affirming or overruling the investigator's conclusions or findings. The Superintendent shall provide written notice to the appealing party and other party of his/her decision within ten (10) school days following the receipt of the written request for review. When a written request for review is received during summer recess, the Superintendent conduct the review as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the review, and no later than ten (10) school days after the start of the following school year. The Superintendent's decision shall be final.

**POLICY REGARDING PROHIBITION OF SEX DISCRIMINATION
AND SEXUAL HARASSMENT IN THE WORKPLACE (PERSONNEL)**

It is the policy of the New Milford Board of Education (the "Board") for the New Milford Public Schools (the "District") that any form of sex discrimination or sexual harassment is prohibited in the Board's education programs and activities, whether by students, Board employees or third parties subject to substantial control by the Board. It is the policy of the Board to maintain a working environment free from harassment, insults or intimidation on the basis of an employee's sex and free from discrimination based on sex.

The Board does not discriminate on the basis of sex in the education programs or activities that it operates and the Board is required by Title IX of the Education Amendments of 1972 and its implementing regulations ("Title IX"), Title VII of the Civil Rights Act of 1964 ("Title VII"), and Connecticut law not to discriminate in such a manner. Discrimination or harassment on the basis of sex includes discrimination or harassment on the basis of gender identity or sexual orientation. Students, Board employees and third parties are required to adhere to a standard of conduct that is respectful of the rights of all parties. Any employee or student who engages in conduct prohibited by this Policy shall be subject to disciplinary action, up to and including termination or expulsion, respectively. Third parties who engage in conduct prohibited by this Policy shall be subject to other sanctions, which may include exclusion from Board property and/or activities. Individuals who engage in acts of sex discrimination or sexual harassment may also be subject to civil and criminal penalties.

For conduct to violate Title IX, the conduct must have occurred in an education program or activity of the Board; the conduct must have occurred within the United States of America; and the complainant must be participating in or attempting to participate in the education program or activity of the Board. Conduct that does not meet these requirements still may constitute a violation of Title VII, Connecticut law, and/or another Board policy.

The Superintendent of Schools shall develop Administrative Regulations implementing this Policy and in accordance with Title IX, Title VII, and Connecticut law (the “Administrative Regulations”).

Sex discrimination occurs when an employer refuses to hire, disciplines or discharges any individual, or otherwise discriminates against an individual with respect to his or her compensation, terms, conditions, or privileges of employment on the basis of the individual’s sex. Sex discrimination also occurs when a person, because of the person’s sex, is denied participation in or the benefits of any education program or activity receiving federal financial assistance.

Sexual harassment under Title IX means conduct on the basis of sex that satisfies one or more of the following:

- (1) An employee of the Board conditioning the provision of an aid, benefit, or service of the Board on an individual’s participation in unwelcome sexual conduct (*i.e.*, *quid pro quo*);
- (2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the Board’s education programs or activities; or
- (3) “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30).

Sexual harassment under Title VII and Connecticut law means unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- (1) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
- (2) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
- (3) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Reporting Sex Discrimination or Sexual Harassment

It is the express policy of the Board to encourage victims of sex discrimination and/or sexual harassment to report such claims. Employees are encouraged to report complaints of sex discrimination and/or sexual harassment promptly in accordance with

the appropriate process set forth in the Administrative Regulations. The Board directs its employees to respond to such complaints in a prompt and equitable manner. Violations of this Policy by employees will not be permitted and may result in discipline up to and including discharge from employment. Individuals who engage in acts of sex discrimination or sexual harassment may also be subject to civil and criminal penalties. Retaliation against any employee for complaining about sex discrimination or sexual harassment is prohibited under this Policy and illegal under state and federal law.

Any Board employee with notice of sex discrimination and/or sexual harassment allegations shall immediately report such information to the building principal and/or the Title IX Coordinator, or if the employee does not work in a school building, to the Title IX Coordinator.

The New Milford Public Schools administration (the "Administration") shall provide training to Title IX Coordinator(s), investigators, decision-makers, and any person who facilitates an informal resolution process (as set forth in the Administrative Regulations), which training shall include, but need not be limited to, the definition of sex discrimination and sexual harassment, the scope of the Board's education program and activity, how to conduct an investigation and implement the grievance process, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. The Administration shall make the training materials used to provide these trainings publicly available on the Board's website. The Administration shall also periodically provide training to all Board employees on the topic of sex discrimination and sexual harassment under Title IX, Title VII, and Connecticut law, which shall include but not be limited to when reports of sex discrimination and/or sexual harassment must be made. The Administration shall distribute this Policy and the Administrative Regulations to employees, union representatives, students, parents and legal guardians and make the Policy and the Administrative Regulations available on the Board's website to promote an environment free of sex discrimination and sexual harassment.

The Board's Title IX Coordinator for Employees is Teresa Kavanagh, Director of Human Resources. Any individual may make a report of sex discrimination and/or sexual harassment to any Board employee, school principal, or directly to the Title IX Coordinator:

Teresa Kavanagh
Director of Human Resources

information to the Title IX Coordinator. Board employees may also make a report of sexual harassment and/or sex discrimination to the U.S. Department of Education: Office for Civil Rights, Boston Office, U.S. Department of Education, 8th Floor, 5 Post Office Square, Boston, MA 02109-3921 (Telephone: 617-289-0111).

Sex discrimination occurs when a person, because of the person’s sex, is denied participation in or the benefits of any education program or activity receiving federal financial assistance.

Sexual harassment under Title IX means conduct on the basis of sex that satisfies one or more of the following:

- (1) An employee of the Board conditioning the provision of an aid, benefit, or service of the Board on an individual’s participation in unwelcome sexual conduct (i.e., *quid pro quo*);
- (2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District’s education programs or activities; or

- (3) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Although not an exhaustive list, the following are other examples of conduct prohibited by the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel):

NOTICE OF THE TITLE IX COORDINATOR

The District's Title IX Coordinator is Teresa Kavanagh, Director of Human Resources. Any individual may make a report of sex discrimination and/or sexual harassment to any District employee or directly to the Title IX Coordinator using any one, or multiple, of the following points of contact:

Teresa Kavanagh
Director of Human Resources
25 Sunny Valley Road, Suite A

New Milford, CT 06776
Telephone Number: 860-210-2200
kavanaght@newmilfordps.org

Any District employee in receipt of allegations of sex discrimination or sexual harassment, or in receipt of a formal complaint, shall immediately forward such information to the Title IX Coordinator. The Title IX Coordinator manages the District's compliance with Title IX, Title VII and Connecticut law with respect to sexual harassment and/or sex discrimination and is an available resource to anyone seeking information or wishing to file a formal complaint of same. When a student, District employee, or other participant in the District's programs and activities feels that such person has been subjected to discrimination on the basis of sex in any District program or activity, including without limitation being subjected to sexual harassment, such person may contact the Title IX Coordinator or utilize the Title IX, Title VII and Connecticut law grievance systems set forth herein to bring concerns forward for the purpose of obtaining a prompt and equitable resolution.

[Note: Additional Persons May be Added. The federal regulations provide that each recipient of federal financial assistance must designate and authorize "at least one Employee" to coordinate its efforts to comply with its responsibilities under the federal regulations.]

EXPLANATION OF COMPLAINT PROCESS AND PROCEDURE

The federal regulations implementing Title IX require the adoption and publication of two separate grievance systems: a grievance process for complaints of sex discrimination involving allegations of sexual harassment and grievance procedures for complaints of sex discrimination that are not sexual harassment. Accordingly, the Administration will process any complaints of sex discrimination involving allegations of sexual harassment, as defined above, pursuant to the **grievance process** set forth in Section I of these regulations. The Administration will process any complaints of sex discrimination that are not sexual harassment pursuant to the **grievance procedures** set forth in Section II of these regulations.

The District will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act (FERPA), or as required by law, or to carry out the purposes of these Administrative Regulations, including the conduct of any investigation, hearing, or judicial proceeding arising from these Administrative Regulations.

The obligation to comply with Title IX is not obviated or alleviated by the FERPA.

SECTION I. GRIEVANCE PROCESS FOR COMPLAINTS OF SEXUAL HARASSMENT UNDER TITLE IX

A. Definitions

- **Bias** occurs when it is proven that the Title IX Coordinator, investigator(s), and/or decision-maker(s) demonstrate actual bias, rather than the appearance of bias. Actual bias includes, but is not limited to, demonstrated personal animus against the respondent or the complainant and/or prejudgment of the facts at issue in the investigation.
- **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.
- A **conflict of interest** occurs when it is proven that the Title IX Coordinator, investigator(s), and/or decision-maker(s) have personal, financial and/or familial interests that affected the outcome of the investigation.
- **Consent** means an active, clear and voluntary agreement by a person to engage in sexual activity with another person (also referred to hereafter as “affirmative consent”).

For the purposes of an investigation conducted pursuant to these Administrative Regulations, the following principles shall be applied in determining whether consent for sexual activity was given and/or sustained:

- A. Affirmative consent is the standard used in determining whether consent to engage in sexual activity was given by all persons who engaged in the sexual activity.
- B. Affirmative consent may be revoked at any time during the sexual activity by any person engaged in the sexual activity.
- C. It is the responsibility of each person engaging in sexual activity to ensure that the person has the affirmative consent of all persons engaged in the sexual activity to engage in the sexual activity and that the affirmative consent is sustained throughout the sexual activity.
- D. It shall not be a valid excuse to an alleged lack of affirmative consent that the respondent to the alleged violation believed that the complainant consented to the sexual activity:
 - (i) because the respondent was intoxicated or reckless or failed to take reasonable steps to ascertain whether the complainant affirmatively consented, or
 - (ii) if the respondent knew or should have known that the complainant was unable to consent because such individual was unconscious, asleep, unable to communicate due to a mental or physical condition, unable to consent due to the age of the individual or the age difference between the individual and the respondent, or incapacitated due to the influence of drugs, alcohol or medication.
- E. The existence of a past or current dating or sexual relationship between the complainant and the respondent, in and of itself, shall not be determinative of a finding of consent.

- For purposes of investigations and complaints of sexual harassment, **education program or activity** includes locations, events, or circumstances over which the Board exercises substantial control over both the respondent and the context in which the sexual harassment occurs.
- **Employee** means (A) a teacher, substitute teacher, school administrator, school superintendent, guidance counselor, school counselor, psychologist, social worker, nurse, physician, school paraprofessional or coach employed by the Board or working in a public elementary, middle or high school; or (B) any other individual who, in the performance of the individual’s duties, has regular contact with students and who provides services to or on behalf of students enrolled in a public elementary, middle or high school, pursuant to a contract with the Board.
- **Formal complaint** means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment (as defined under Title IX) against a respondent and requesting that the Administration investigate the allegation of sexual harassment. A “document filed by a complainant” means a document or electronic submission that contains the complainant’s physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint.
- **Respondent** means an individual who has been alleged to be the perpetrator of conduct that could constitute sexual harassment.
- **School days** means the days that school is in session as designated on the calendar posted on the Board’s website. In its discretion, and when equitably applied and with proper notice to the parties, the District may consider business days during the summer recess as “school days” if such designation facilitates the prompt resolution of the grievance process.
- **Supportive measures** means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the District’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District’s educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, mutual restrictions on contact between the parties, increased security and monitoring, and other similar measures.

B. Reporting Sexual Harassment

1. It is the express policy of the Board to encourage victims of sexual harassment to report such claims. Any person may report sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sexual harassment), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator. If the District receives notice

of sexual harassment or alleged sexual harassment against a person in the District's education program or activity, the Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, whether or not the complainant files a formal complaint, and will consider the complainant's wishes with respect to such measures. If the complainant has yet to file a formal complaint, the Title IX Coordinator will explain to the complainant the process for doing so.

2. The District will treat complainants and respondents equitably. A respondent is presumed not responsible for the alleged conduct and a determination regarding responsibility will be made at the conclusion of the grievance process if a formal complaint is filed. Nothing in these Administrative Regulations shall preclude the District from placing an employee respondent on administrative leave during the pendency of the grievance process. Further, nothing in these Administrative Regulations shall limit or preclude the District from removing a respondent from the District's education program or activity on an emergency basis, provided that the District undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal. If a respondent is removed on an emergency basis, the District shall provide the respondent with notice and an opportunity to challenge the decision immediately following the removal.

C. Formal Complaint and Grievance Process

1. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information listed for the Title IX Coordinator. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the District's education programs or activity. A formal complaint may be signed by the Title IX Coordinator. If the formal complaint being filed is against the Title IX Coordinator, the formal complaint should be filed with the Superintendent. If the formal complaint being filed is against the Superintendent, the formal complaint should be filed with the Board Chair, who will then retain an independent investigator to investigate the matter.
2. The District may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. If possible, formal complaints should be filed within ten (10) school days of the alleged occurrence in order to facilitate the prompt and equitable resolution of such claims. The District will attempt to complete the formal grievance process within ninety (90) school days of receiving a formal complaint. This timeframe may be temporarily delayed or extended in accordance with Subsection G of this Section.
3. Upon receipt of a formal complaint, if the Title IX Coordinator has not already discussed the availability of supportive measures with the complainant, the Title IX Coordinator will promptly contact the complainant to discuss the availability of such measures and consider the complainant's wishes with respect to them. The Title IX

Coordinator or designee may also contact the respondent, separately from the complainant, to discuss the availability of supportive measures for the respondent. The District will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the District to provide such supportive measures.

4. Within ten (10) school days of receiving a formal complaint, the District will provide the known parties with written notice of the allegations potentially constituting sexual harassment under Title IX and a copy of this grievance process. The written notice must also include the following:
 - i. The identities of the parties involved in the incident, if known;
 - ii. The conduct allegedly constituting sexual harassment as defined above;
 - iii. The date and the location of the alleged incident, if known;
 - iv. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
 - v. A statement that the parties may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence; and
 - vi. A statement of any provision in the District's policies that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

If, in the course of an investigation, the District decides to investigate allegations about the complainant or respondent that are not included in the written notice, the District must provide notice of the additional allegations to the parties whose identities are known.

5. The parties may have an advisor of their choice accompany them during any grievance proceeding at which the party's attendance is required. The District may, in its discretion, establish certain restrictions regarding the extent to which an advisor may participate in the proceedings. If any such restrictions are established, they will be applied equally to all parties.
6. The Title IX Coordinator will, as applicable, promptly commence an investigation of the formal complaint, designate a school administrator to promptly investigate the formal complaint, or dismiss the formal complaint in accordance with Subsection F of this Section. The standard of evidence to be used to determine responsibility is the preponderance of the evidence standard (i.e., more likely than not). The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the District and not on the parties.
7. The parties will be given an equal opportunity to discuss the allegations under investigation with the investigator(s) and are permitted to gather and present relevant evidence. This opportunity includes presenting witnesses, including fact and expert

witnesses, and other inculpatory and exculpatory evidence. Credibility determinations will not be based on a person's status as a complainant, respondent, or witness. The District will provide to a party whose participation is invited or expected (including a witness) written notice of the date, time, location, participants, and purpose of all hearings (if applicable), investigative interviews, or other meetings, with sufficient time for the party to prepare to participate.

8. Both parties will be given an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint, including the evidence upon which the District does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation. Prior to completion of the investigative report, the District will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have ten (10) school days to submit a written response, which the investigator(s) will consider prior to completion of the investigative report, as described in Paragraph 9 of this Subsection.
9. The investigator(s) will create an investigative report that fairly summarizes relevant evidence. The investigator(s) will send the investigative report, in an electronic format or hard copy, to each party and to each party's advisor for their review and written response at least ten (10) school days prior to a hearing or the time a determination regarding responsibility is made.
10. The Superintendent will appoint a decision-maker(s), who shall be a District employee or third-party contractor and who shall be someone other than the Title IX Coordinator or investigator(s). If the formal complaint filed is against the Superintendent, the Board Chair shall appoint the decision-maker, who shall be someone other than the Title IX Coordinator or investigator(s). The investigator(s) and the decision-maker(s) shall not discuss the investigation's facts and/or determination while the formal complaint is pending. The decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decisions to exclude a question as not relevant.
11. The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker must apply the preponderance of the evidence standard. The written determination will include: (1) identification of the allegations potentially constituting sexual harassment; (2) a description of the procedural

steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held; (3) findings of fact supporting the determination; (4) conclusions regarding the application of the District's code of conduct to the facts; (5) a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the District will impose on the respondent, and whether remedies designed to restore or preserve equal access to the District's education program or activity will be provided by the District to the complainant; and (6) the District's procedures and permissible bases for the complainant and respondent to appeal. If the respondent is found responsible for violating the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel), the written determination shall indicate whether the respondent engaged in sexual harassment as defined by the Board's Policy and these Administrative Regulations. The written determination will be provided to both parties simultaneously.

12. Student respondents found responsible for violating the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) may be subject to discipline up to and including expulsion. Employee respondents found responsible for violating the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) may be subject to discipline up to and including termination of employment. Other respondents may be subject to exclusion from the District's programs, activities and/or property. In appropriate circumstances, the District may make a criminal referral. Remedies will be designed to restore or preserve equal access to the District's education programs or activities.
13. After receiving notification of the decision-maker(s)' decision, or after receiving notification that the District dismissed a formal complaint or any allegation therein, both complainant and respondent may avail themselves of the appeal process set forth in Section E of this Section.

D. Informal Resolution

At any time prior to reaching a determination regarding responsibility, but only after the filing of a formal complaint, the District may suggest to the parties the possibility of facilitating an informal resolution process, such as mediation, to resolve the formal complaint without the need for a full investigation and adjudication. If it is determined that an informal resolution may be appropriate, the Title IX Coordinator or designee will consult with the parties.

Prior to facilitating an informal resolution to a formal complaint, the Title IX Coordinator or designee will provide the parties with written notice disclosing the sexual harassment allegations, the requirements of an informal resolution process, and any consequences from participating in the informal resolution process. Upon receipt of this document, complainants and respondents have five (5) school days to determine whether they consent to participation in the informal resolution. The District must obtain voluntary, written consent to the informal resolution process from both parties.

Prior to agreeing to any resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint. If a satisfactory resolution is reached through this informal process, the matter will be considered resolved. If these efforts are unsuccessful, the formal grievance process will continue.

Nothing in this section precludes an employee from filing a complaint of retaliation for matters related to an informal resolution, nor does it preclude either party from filing complaints based on conduct that is alleged to occur following the District's facilitation of the informal resolution.

An informal resolution is not permitted to resolve allegations that an employee sexually harassed a student.

E. Appeal Process

After receiving notification of the decision-maker(s)' decision, or after receiving notification that the District dismissed a formal complaint or any allegation therein, both complainant and respondent have five (5) school days to submit a formal letter of appeal to the Title IX Coordinator specifying the grounds upon which the appeal is based. Upon receipt of an appeal, the Superintendent shall appoint a decision-maker(s) for the appeal, who shall be someone other than the Title IX Coordinator, investigator(s) or initial decision-maker(s).

Appeals will be appropriate only in the following circumstances:

- new evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter;
- procedural irregularity that affected the outcome of the matter;
- the Title IX Coordinator, investigator(s), and/or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter. A conflict of interest or bias does not exist solely because the Title IX Coordinator, investigators(s), and/or decision-maker(s) previously worked with or disciplined the complainant or respondent.

The District will provide the other party with written notice of such appeal. The appealing party will then have ten (10) school days to submit to the decision-maker(s) for the appeal a written statement in support of, or challenging, the outcome of the grievance process. The decision-maker(s) for the appeal will provide the appealing party's written statement to the other party. The other party will then have ten (10) school days to submit to the decision-maker for the appeal a written statement in support of, or challenging, the outcome of the grievance process. The decision-maker(s) for the appeal, in their discretion, will determine any additional necessary and appropriate procedures for the appeal.

After considering the parties' written statements, the decision-maker(s) for the appeal will provide a written decision. The decision-maker(s) for the appeal will attempt to issue the written decision within thirty (30) school days of receipt of all written statements from the parties. If it is found that one of the bases for appeal exists, the decision-maker(s) for the appeal will issue an appropriate remedy.

Supportive measures for either or both parties may be continued throughout the appeal process.

F. Dismissal of a Formal Complaint

The Title IX Coordinator shall dismiss any formal complaint that, under Title IX, 1) would not constitute sexual harassment as defined under Title IX even if proved, 2) did not occur in the District's education program or activity, or 3) did not occur against a person in the United States. Such dismissal does not preclude action under another Board policy.

The District may dismiss a formal complaint or any allegations therein, if at any time during the investigation or hearing: 1) a complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; 2) the respondent is no longer enrolled or employed in the District; or 3) specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal, the District will promptly and simultaneously send written notice of the dismissal and reason(s) therefor to each party. Either party can appeal from the District's dismissal of a formal complaint or any allegations therein using the appeals procedure.

In the event a formal complaint is dismissed prior to the issuance of a decision under Title IX, the Title IX Coordinator shall determine if the allegations of sexual harassment shall proceed through the grievance procedures identified in Section II of these Administrative Regulations for claims of sex discrimination for consideration as to whether the allegations constitute sexual harassment under Title VII or Connecticut law.

A dismissal pursuant to this section does not preclude action by the District under the Student Discipline policy, Code of Conduct for students/or and employees, or any other applicable rule, policy, and/or collective bargaining agreement.

G. Miscellaneous

1. Any timeframe set forth in these Administrative Regulations may be temporarily delayed or extended for good cause. Good cause may include, but is not limited to, considerations such as the absence or illness of a party, a party's advisor, or a witness; concurrent law enforcement activity; concurrent activity by the Department of Children and Families; or the need for language assistance or accommodation of disabilities. If any timeframe is altered on a showing of good cause, written notice will be provided to each party with the reasons for the action.
2. If a sexual harassment complaint raises a concern about discrimination or harassment on the basis of any other legally protected classification (such as race, religion, color, national origin, age, or disability), the Title IX Coordinator or designee shall make a referral to other appropriate personnel within the District (e.g. Section 504 Coordinator, etc.), so as to ensure that any such investigation complies with the requirements of policies regarding nondiscrimination.

3. If the sexual harassment complaint results in reasonable cause to suspect or believe that a child has been abused or neglected, has had a nonaccidental physical injury, or injury which is at variance with the history given of such injury, is placed at imminent risk of serious harm, or that a student has been sexually assaulted by a school employee, then, the person to whom the complaint is given or who receives such information shall report such matters in accordance with the Board's policy on the Reports of Suspected Child Abuse or Neglect of Children.
4. Retaliation against any individual who complains pursuant to the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) and these Administrative Regulations is strictly prohibited. Neither the District nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or these Administrative Regulations, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under these Administrative Regulations. The District will take actions designed to prevent retaliation. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination described herein.
5. The District will maintain for a period of seven (7) years records of:
 - i. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the Board's education program or activity;
 - ii. Any appeal and the result therefrom;
 - iii. Any informal resolution and the result therefrom; and
 - iv. All material used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The Board will make these training materials publicly available on its website.

If the District has actual knowledge of sexual harassment in an education program or activity of the Board, and for any report or formal complaint of sexual harassment, the District will create and maintain for a period of seven (7) years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. The District will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the Board's education program or activity. If the District does not provide a complainant with supportive measures, then the District will document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

SECTION II. GRIEVANCE PROCEDURES FOR CLAIMS OF SEX DISCRIMINATION (OTHER THAN SEXUAL HARASSMENT UNDER TITLE IX)

A. Definitions

- **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sex discrimination.
- **Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sex discrimination.

B. Reporting Sex Discrimination Other than Sexual Harassment under Title IX

It is the express policy of the Board to encourage victims of sex discrimination to report such claims. Any person may report sex discrimination (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator. If the District receives notice of sex discrimination or alleged sex discrimination against a person in the District's education program or activity, the Title IX Coordinator or designee will promptly notify the complainant of the grievance process. The District will treat complainants and respondents equitably during the grievance process. Sexual harassment is a form of sex discrimination, and any incident of sexual harassment under Title IX, as defined above, shall be handled pursuant to Section I of these Administrative Regulations. Any allegations of sexual harassment under Title VII or Connecticut law, as defined above, shall be handled pursuant to this Section II of these Administrative Regulations.

C. Grievance Procedures

1. As soon as an employee feels that the employee has been subjected to sex discrimination other than sexual harassment as defined under Title IX (including, without limitation, sexual harassment under Title VII or Connecticut law), the employee should make a written complaint to the Title IX Coordinator or to the building principal, or designee. The employee will be provided a copy of the Board's Policy and Administrative Regulations and made aware of the employee's rights under this Policy and Administrative Regulations. Preferably, complaints should be filed within ten (10) school days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints.
2. The complaint should state the:
 - i. Name of the complainant;
 - ii. Date of the complaint;
 - iii. Date(s) of the alleged discrimination;
 - iv. Name(s) of the discriminator(s);
 - v. Location where such discrimination occurred;
 - vi. Names of any witness(es) to the discrimination;
 - vii. Detailed statement of the circumstances constituting the alleged discrimination; and
 - viii. Remedy requested.

3. Any employee who makes an oral complaint of sex discrimination to any of the above-mentioned personnel will be provided a copy of these Administrative Regulations and will be requested to make a written complaint pursuant to the above procedure.
4. All complaints are to be forwarded immediately to the building principal or designee unless that individual is the subject of the complaint, in which case the complaint should be forwarded directly to the Superintendent of Schools or designee. In addition, a copy of any complaint filed under this Policy shall be forwarded to the Title IX Coordinator. If the complaint being filed is against the Title IX Coordinator, the complaint should be filed with the Superintendent. If the complaint being filed is against the Superintendent, the complaint should be filed with the Board Chair, who will then retain an independent investigator to investigate the matter.
5. The Title IX Coordinator or designee shall investigate all complaints of sex discrimination against an employee, regardless of whether the conduct occurred on or off-school grounds. Complaints will be investigated promptly within the timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information, and other extenuating circumstances. The investigation shall be conducted discreetly, maintaining confidentiality insofar as possible while still conducting an effective and thorough investigation.
6. Any employee who makes a complaint shall be notified of the District's intent to investigate the complaint. In the event the employee requests confidentiality or that an investigation not be conducted, the District will take reasonable steps to investigate and respond to the complaint to the extent possible, given the request for confidentiality or that the District not investigate the complaint. If the employee insists that this information not be shared with the alleged discriminator(s), the employee will be informed that the District's ability to investigate and/or take corrective action may be limited.
7. Upon receipt of a sex discrimination complaint, the Title IX Coordinator shall either promptly commence an investigation of the complaint, or shall designate a school administrator to promptly investigate the complaint. The Title IX Coordinator or designee shall:
 - i. offer to meet with the complainant and respondent (if applicable) separately within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant and respondent (if applicable) believe have relevant information, and obtain any relevant documents the complainant and respondent may have;
 - ii. provide the complainant and respondent (if applicable) with a copy of the Board's sex discrimination policy and accompanying regulations;
 - iii. consider whether any interim measures may be appropriate to protect the complainant or respondent (if applicable), pending the outcome of the investigation;

- iv. conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis of the complaint, including, as applicable, conducting interviews with individuals deemed relevant to the complaint;
 - v. consider whether alleged sex discrimination has created a hostile work environment, including consideration of the effects of off-campus conduct on the school;
 - vi. communicate the outcome of the investigation in writing to the complainant, to the respondent, and to any individual properly identified as a party to the complaint (to the extent permitted by state and federal confidentiality requirements), within ninety (90) school days from the date the complaint was received by the Superintendent's office. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant and respondent (if applicable) shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the District will remedy the discrimination, adhering to the requirements of state and federal law; and
 - vii. when sex discrimination has been found, take steps that are reasonably calculated to end the discrimination, take corrective and/or disciplinary action aimed at preventing the recurrence of the discrimination, as deemed appropriate by the Superintendent or designee, and take steps to remedy the effects of the sex discrimination.
8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, the complainant and respondent will receive notice and interim measures may be implemented as necessary.
9. If the complainant or respondent (if applicable) is dissatisfied with the findings of the investigation, the complainant or respondent may file a written appeal within five (5) school days to the Title IX Coordinator, or, if the Title IX Coordinator conducted the investigation, to the Superintendent of Schools. The Title IX Coordinator or Superintendent shall review the Title IX Coordinator or designee's written report, the information collected by the Title IX Coordinator or designee together with the recommended disposition of the complaint to determine whether the alleged conduct constitutes sex discrimination. The Title IX Coordinator or Superintendent of Schools may determine if further action and/or investigation is warranted. After completing this review, the Title IX Coordinator or Superintendent of Schools shall respond to the complainant and respondent (if applicable), in writing, within fifteen (15) school days following the receipt of the written request for review.

D. Miscellaneous

1. If a sex discrimination complaint raises a concern about discrimination or harassment on the basis of any other legally protected classification (such as race, religion, color, national origin, age, or disability), the Title IX Coordinator or designee shall make a referral to other appropriate personnel within the District (e.g. Section 504 Coordinator, etc.), so as to ensure that any such investigation complies with the requirements of policies regarding nondiscrimination.
2. If the sex discrimination complaint results in reasonable cause to suspect or believe that a child has been abused or neglected, has had a nonaccidental physical injury, or injury which is at variance with the history given of such injury, is placed at imminent risk of serious harm, or that a student has been sexually assaulted by a school employee, then, the person to whom the complaint is given or who receives such information shall report such matters in accordance with the Board's policy on the Reports of Suspected Child Abuse or Neglect of Children.
3. Retaliation against any individual who complains pursuant to the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) and these Administrative Regulations is strictly prohibited. Neither the District nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or these Administrative Regulations, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under these Administrative Regulations. The District will take actions designed to prevent retaliation as a result of filing a complaint. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination described herein.

Section III. Further Reporting

At any time, a complainant alleging sex discrimination or sexual harassment may also file a complaint with the Office for Civil Rights, Boston Office, U.S. Department of Education, 8th Floor, 5 Post Office Square, Boston, MA 02109-3921 (Telephone (617) 289-0111).

Employees may also make a report of sexual harassment and/or sex discrimination to the Connecticut Commission on Human Rights and Opportunities, 450 Columbus Boulevard, Hartford, CT 06103-1835 (Telephone: 860-541-3400 or Connecticut Toll Free Number: 1-800-477-5737).

Copies of these Administrative Regulations will be distributed to all employees.

Note from Shipman & Goodwin:

We have revised this policy in light of Sections 86 and 87 of June Special Session, Public Act No. 21-1. The law revises the definition of smoke and smoking, clarifies that the prohibition on smoking extends to “any area” of a school building, and extends the prohibition against using an electronic nicotine delivery system or vapor product on school grounds or in a school to also prohibit use of an “electronic cannabis delivery system” in such locations. We further revised the policy to clarify that, while Connecticut law allows for the legal use of marijuana under certain circumstances, because marijuana use is still prohibited under federal law, the use of marijuana at work, or outside of work if it impairs an employee’s ability to perform their job, constitutes a violation of this policy.

ALCOHOL, TOBACCO AND DRUG-FREE WORKPLACE

PURPOSE

The purpose of this policy is to establish a workplace that is free of the effects of alcohol and second-hand smoke, and free from drug abuse. By accomplishing this purpose, the Board of Education (the “Board”) also seeks to promote a safe, healthy working environment for all employees and to reduce absenteeism, tardiness, and other job performance problems that may be caused by alcohol and/or drug abuse. This policy is adopted in accordance with state law and the Drug Free Workplace Act.

STATEMENT OF POLICY

Employees shall not be involved with the unlawful manufacture, distribution, possession, or use of an illegal drug, a controlled substance, or alcohol, and shall not be under the influence of such substances while on school property or while conducting Board business on or off school property. Any employee who discovers illegal drugs, a controlled substance, or alcohol on school property shall notify the Superintendent or the Superintendent’s designee who shall investigate the matter.

An employee must report any conviction under a criminal drug statute for violations occurring on or off school property while on Board business to the Superintendent or his/her designee within five (5) days after the conviction. The Board will notify any agency awarding a grant to the Board of such conviction within ten (10) days thereafter.

Employees shall only use prescription drugs on school property, or during the conduct of Board business, that have been prescribed to them by a licensed medical practitioner, and

such drugs shall be used only as prescribed. However, in accordance with Conn. Gen. Stat. § 21a-408a through 408q, the Board specifically prohibits the palliative use of marijuana on school property, at a school-sponsored activity, or during the conduct of Board business, and specifically prohibits employees from being under the influence of intoxicating substances, including marijuana used for palliative purposes, during work hours.

The Board prohibits smoking, including smoking using an electronic nicotine delivery system (e.g., e-cigarettes), electronic cannabis delivery system, or vapor product, and the use of tobacco products in any area of a school building, on school property, including property owned, leased, contracted for, or utilized by the Board, or at any school-sponsored activity.

While Connecticut law allows for the legal use of marijuana under certain circumstances, because marijuana use is still prohibited under federal law, the use of marijuana at work, or outside of work if it impairs an employee's ability to perform their job, constitutes a violation of this policy.

Violations of this policy may result in disciplinary action, up to and including possible termination of employment.

- b) Recognizing that DCF is the lead agency for the investigation of child abuse and neglect reports and reports of a student's sexual assault by school employees, the Superintendent's investigation shall permit and give priority to any investigation conducted by the Commissioner of DCF or the appropriate local law enforcement agency. 8. Evidence of Abuse, Neglect or Sexual Assault by a School Employee

- a) If, upon completion of the investigation by the Commissioner of DCF ("Commissioner"), the Superintendent has received a report from the Commissioner that the Commissioner has reasonable cause to believe that (1) a child has been abused or neglected by a school employee, as defined above, and the Commissioner has recommended that such employee be placed on the DCF Child Abuse and Neglect Registry, or (2) a student is a victim of sexual assault by a school employee, the

The Superintendent shall suspend such school employee. Such suspension shall be with pay and shall not result in the diminution or termination of benefits to such employee.

- b) Not later than seventy-two (72) hours after such suspension, the Superintendent shall notify the Board of Education and the Commissioner of Education, or the Commissioner of Education's representative, of the reasons for and the conditions of the suspension. The Superintendent shall disclose such records to the Commissioner of Education and the Board of Education or its attorney for purposes of review of employment status or the status of such employee's certificate, permit or authorization, if any.
- c) The suspension of a school employee employed in a position requiring a certificate shall remain in effect until the Superintendent and/or Board of Education acts pursuant to the provisions of Conn. Gen. Stat. §10-151. - e) Regardless of the outcome of any investigation by the Commissioner of DCF and/or the police, the Superintendent and/or the Board, as appropriate, may take disciplinary action, up to and including termination of employment, in accordance with the provisions of any applicable statute, if the Superintendent's investigation produces evidence that a child has been abused or neglected by a school employee or that a student has been a victim of sexual assault by a school employee.
- f) The District shall not employ a person whose employment contract is terminated or who resigned from employment following a suspension pursuant to Paragraph 8(a) of this policy and Conn. Gen. Stat. § 17a-101i, if such person is convicted of a crime involving an act of

child abuse or neglect or an act of sexual assault of a student, as described in Paragraph 2 of this policy.

If the investigation by the Superintendent and/or the Commissioner of DCF produces evidence that a child has been abused or neglected, or a student has been sexually assaulted, by any individual who provides services to or on behalf of students enrolled in the District, pursuant to a contract with the Board, the Superintendent shall permanently suspend the provision of such services, and direct the individual to refrain from any contact with students enrolled in the District.

10. Delegation of Authority by Superintendent

The Superintendent may appoint a designee for the purposes of receiving and making reports, notifying and receiving notification, or investigating reports pursuant to this policy.

11. Confidential Rapid Response Team

The Superintendent shall establish a confidential rapid response team to coordinate with DCF to (1) ensure prompt reporting of suspected abuse or neglect or sexual assault of a student by a school employee, as described in Paragraph 2, above, and (2) provide immediate access to information and individuals relevant to the department's investigation. The confidential rapid response team shall consist of a teacher and the Superintendent, a local police officer and any other person the Board of Education, acting through its Superintendent, deems appropriate.

12. Disciplinary Action for Failure to Follow Policy

APPENDIX B

The purpose of this policy is to provide consistency for staff in defining and identifying operational definitions, evidence of abuse and/or neglect and examples of adverse impact indicators.

The following operational definitions are working definitions and examples of child abuse and neglect as used by the Connecticut DCF.

For the purposes of these operational definitions,

- A person responsible for a child's health, welfare or care means:
 - the child's parent, guardian, or foster parent; an employee of a public or private residential home, agency or institution or other person legally responsible under State law for the child's welfare in a residential setting; or any staff person providing out-of-home care, including center-based child day care, family day care, or group day care.
- A person given access to a child is a person who is permitted to have personal interaction with a child by the person responsible for the child's health, welfare or care or by a person entrusted with the care of a child.
- A person entrusted with the care of a child is a person who is given access to a child by a person responsible for the health, welfare or care of a child for the purpose of providing education, child care, counseling, spiritual guidance, coaching, training, instruction, tutoring or mentoring.
- **Note:** Only a "child" as defined in the policy above may be classified as a victim of child abuse and/or neglect; only a "person responsible," "person given access," or "person entrusted" as defined above may be classified as a perpetrator of child abuse and/or neglect.
 - While only a child under eighteen may be a victim of child abuse or neglect, a report under mandatory reporting laws and this policy is required if an employee of the Board of Education in the ordinary course of such person's employment or profession has reasonable cause to suspect or believe that any person, regardless of age, who is being educated by the Technical Education and Career System or a local or regional board of education, other than as part of an adult education program, is a victim of sexual assault, as set forth in this policy, and the perpetrator is a school employee.

emotional instability;

sleep disturbances;

somatic complaints with no medical basis;

A child may be found neglected who:

has been abandoned;

is being denied proper care and attention physically, educationally, emotionally, or morally;

has been abused.

Evidence of physical neglect includes, but is not limited to:

inadequate food;

holding the child responsible for the care of siblings or others beyond the child's ability; and/or

failure to provide reasonable and proper supervision of a child given the child's age and cognitive abilities.

Note:

- Inadequate food, clothing, or shelter or transience finding must be related to caregiver acts of omission or commission and not simply a function of poverty alone.
- Whether or not the adverse impact has to be demonstrated is a function of the child's age, cognitive abilities, verbal ability and developmental level.
- Adverse impact may not be required if the action/inaction is a single incident that demonstrates a serious disregard for the child's welfare.

Medical Neglect

Medical Neglect is the unreasonable delay, refusal or failure on the part of the person responsible for the child's health, welfare or care or the person entrusted with the child's care to seek, obtain, and/or maintain those services for necessary medical, dental or mental health care when such person knows, or should reasonably be expected to know, that such actions may have an adverse impact on the child.

Evidence of medical neglect includes, but is not limited to:

frequently missed appointments, therapies or other necessary medical and/or mental health treatments;

withholding or failing to obtain or maintain medically necessary treatment from a child with life-threatening, acute or chronic medical or mental health conditions; and/or

withholding medically indicated treatment from disabled infants with life-threatening conditions.

Note: Failure to provide the child with immunizations or routine well-child care in and of itself does not constitute medical neglect.

Educational Neglect

Except as noted below, **Educational Neglect** occurs when a school-aged child has excessive absences from school through the intent or neglect of the parent or caregiver.

Definition of School-Aged Child: Except as noted below, a school-aged child is a child five years of age and older and under 18 years of age who is not a high school graduate. **Note:** Excessive absenteeism and school avoidance may be presenting symptoms of a failure to meet the physical, emotional or medical needs of a child. Careline staff shall consider these potential additional allegations at the time of referral.

Criteria:

- **For children school-aged to age 12, excessive absenteeism** may be indicative of the parent's or caregiver's failure to meet the educational needs of a student.
- **For children older than age 12, excessive absenteeism**, coupled with a failure by the parent or caregiver to engage in efforts to improve the child's attendance, may be indicative of educational neglect.
 - For children older than age 12, excessive absenteeism through the child's own intent, despite the parent's or caregiver's efforts, is not educational neglect. Rather, this is truancy, which is handled through the school district.

Child's Characteristics. In determining the criteria for excessive absenteeism, the following characteristics of the child shall be considered by the social worker:

- Age;
- Health;
- Level of functioning;
- Academic standing; and
- Dependency on parent or caregiver

Parent or Caregiver's Characteristics. In determining the criteria for excessive absenteeism, the following characteristics of the parent or caregiver shall be considered by the social worker:

- Rationale provided for the absences;
- Efforts to communicate and engage with the educational provider; and
- Failure to enroll a school-aged child in appropriate educational programming (including homeschooling)

Exceptions (in accordance with Conn. Gen. Stat. § 10-184):

1. A parent or person having control of a child may exercise the option of not sending the child to school at age five (5) or age six (6) years by personally

appearing at the school district office and signing an option form. In these cases, educational neglect occurs if the parent or person having control of the child has registered the child at age five (5) or age (6) years and then does not allow the child to attend school or receive home instruction.

2. A parent or person having control of a child seventeen (17) years of age may consent to such child's withdrawal from school. Such parent or person shall personally appear at the school district office and sign a withdrawal form.

Note: Failure to sign a registration option form for such child is not in and of itself educational neglect.

Emotional Neglect

Emotional Neglect is the denial of proper care and attention, or failure to respond, to a child's affective needs by the person responsible for the child's health, welfare or care; by the person given access to the child; or by the person entrusted with the child's care which has an adverse impact on the child or seriously interferes with a child's positive emotional development.

Note: Whether or not the adverse impact has to be demonstrated is a function of the child's age, cognitive abilities, verbal ability and developmental level. Adverse impact is not required if the action/inaction is a single incident which demonstrates a serious disregard for the child's welfare.

Note: The adverse impact may result from a single event and/or from a consistent pattern of behavior and may be currently observed or predicted as supported by evidence-based practice.

Evidence of emotional neglect includes, but is not limited to, the following:

inappropriate expectations of the child given the child's developmental level;

failure to provide the child with appropriate support, attention and affection;

permitting the child to live under conditions, circumstances or associations;

injurious to the child's well-being including, but not limited to, the following:

substance abuse by caregiver, which adversely impacts the child emotionally;

psychiatric problem of the caregiver, which adversely impacts the child emotionally; and/or

exposure to family violence which adversely impacts the child emotionally.

Indicators may include, but are not limited to, the following:

depression;
withdrawal;
low self-esteem;
anxiety;
fear;
aggression/ passivity;
emotional instability;
sleep disturbances;
somatic complaints with no medical basis;
inappropriate behavior for age or development;
suicidal ideations or attempts;
extreme dependence;
academic regression; and/or
trust issues.

Moral Neglect

Moral Neglect: Exposing, allowing, or encouraging the child to engage in illegal or reprehensible activities by the person responsible for the child's health, welfare or care or person given access or person entrusted with the child's care.

Evidence of Moral Neglect includes but is not limited to:

stealing;
using drugs and/or alcohol; and/or
involving a child in the commission of a crime, directly or by caregiver indifference.

REPORTS OF SUSPECTED ABUSE OR NEGLECT OF ADULTS WITH AN INTELLECTUAL DISABILITY OR AUTISM SPECTRUM DISORDER

Section 46a-11b of the Connecticut General Statutes requires that certain school personnel report any suspected abuse or neglect of persons between eighteen (18) and sixty (60) years of age who: 1) have an intellectual disability or 2) receive funding or services from the Department of Social Services' ("DSS") Division of Autism Spectrum Disorder Services. In furtherance of this statute and its purpose, it is the policy of the New Milford Board of Education (the "Board") to require ALL EMPLOYEES of the Board to comply with the following procedures in the event that, in the ordinary course of their employment or profession, they have reasonable cause to suspect that a person with an intellectual disability or an individual receiving funding or services from DSS' Division of Autism Spectrum Disorder Services between eighteen (18) and sixty (60) years of age has been abused or neglected.

1. Scope of Policy

This policy applies not only to employees who are required by law to report suspected abuse and/or neglect of adults with intellectual disabilities, but also to ALL EMPLOYEES of the Board.

2. Definitions

For the purposes of this policy:

"Abuse" means the willful infliction of physical pain or injury or the willful deprivation by a caretaker of services which are necessary to the person's health or safety.

"Neglect" means a situation where a person with an intellectual disability either is living alone and is not able to provide for himself or herself the services which are necessary to maintain his or her physical and mental health, or is not receiving such necessary services from the caretaker.

"Statutorily Mandated Reporter" means an individual required by Conn. Gen. Stat. Section 46a-11b to report suspected abuse and/or neglect of adults with intellectual disabilities. In the public school context, the term "statutorily mandated reporter" includes teachers, school administrators, school guidance counselors, paraprofessionals, licensed behavior analysts, registered or licensed practical nurses, psychologists, social workers, licensed or certified substance abuse counselors, mental health professionals, physical therapists, occupational therapists, dental hygienists, speech pathologists, and licensed professional counselors.

3. Reporting Procedures for Statutorily Mandated Reporters

If a statutorily mandated reporter has reasonable cause to suspect or believe that any person with an intellectual disability, or any individual who receives funding or services from DSS' Division of Autism Spectrum Disorder Services, between eighteen (18) and sixty (60) years of age has been abused or neglected, the mandated reporter shall, as soon as practicable, but not later than forty-eight (48) hours after having reasonable cause to suspect abuse or neglect, make an oral report to:

Abuse Investigation Division
Department of Developmental Services ("DDS")
460 Capitol Avenue
Hartford, Connecticut 06106
Telephone: 1-844-878-8923

An unsuccessful attempt to make an initial report to DDS on the weekend, holiday, or after business hours shall not be construed as a violation of this policy or applicable law if the mandatory reporter makes reasonable attempts to make such report as soon as practicable after the initial attempt. For purposes of this policy, "reasonable attempts" means documented efforts to contact DDS by phone, electronic mail or in person.

The statutorily mandated reporter shall also immediately notify the Superintendent.

Such initial oral report shall be followed by a written report to the Abuse Investigation Division of DDS not later than five calendar days after the initial oral report was made, and a copy of any written report shall be given to the Superintendent.

4. Reporting Procedures for Non-Statutorily Mandated Reporters

The following procedures apply only to employees who are not statutorily mandated reporters, as set forth above.

- a) If an employee who is not a statutorily mandated reporter has reasonable cause to suspect that any person with an intellectual disability, or any

individual who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, between eighteen (18) and sixty (60) years of age has been abused or neglected, the following steps shall be taken.

- (1) The employee shall as soon as practicable, but not later than forty-eight (48) hours after having reasonable cause to suspect abuse or neglect, make an oral report by telephone or in person to the Superintendent of Schools or his/her designee, to be followed by an immediate written report to the Superintendent or his/her designee.
 - (2) If the Superintendent or his/her designee determines that there is reasonable cause to suspect or believe that any person with an intellectual disability, or any individual who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, between eighteen (18) and sixty (60) years has been abused or neglected, the Superintendent or designee shall cause reports to be made in accordance with the procedures set forth for statutorily mandated reporters, set forth above.
- b) Nothing in this policy shall be construed to preclude an employee from reporting suspected abuse and/or neglect of adults with intellectual disabilities, or any individual who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, directly to the Abuse Investigation Division of DDS.

5. Contents of Report

Any oral or written report made pursuant to this policy shall contain the following information, if known:

- a) the name and address of the allegedly abused or neglected person;
- b) a statement from the reporter indicating a belief that the person is intellectually disabled or receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, together with information indicating that the person is unable to protect himself or herself from abuse or neglect;
- c) information concerning the nature and extent of the abuse or neglect; and
- d) any additional information that the reporter believes would be helpful in investigating the report or in protecting the person with an intellectual disability or who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services.

6. Investigation of the Report

If the suspected abuser is a school employee, the Superintendent shall thoroughly investigate the report, and shall, to the extent feasible, endeavor to coordinate any such investigation with the investigation conducted by the Abuse Investigation Division of DDS.

The Superintendent's investigation shall include an opportunity for the suspected abuser to be heard with respect to the allegations contained within the report. During the course of an investigation of suspected abuse by a school employee, the Superintendent may suspend the employee with pay or may place the employee on administrative leave with pay, pending the outcome of the investigation.

If the investigation by the Superintendent and/or the Abuse Investigation Division of DDS produces evidence that a person with an intellectual disability, or any individual who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, has been abused by a school employee, the Superintendent and/or the Board, as appropriate, may take disciplinary action, up to and including termination of employment.

7. Delegation of Authority by Superintendent

The Superintendent may appoint a designee for the purposes of receiving and making reports, notifying and receiving notification, or investigating reports pursuant to this policy.

8. Disciplinary Action for Failure to Follow Policy

Any employee who fails to comply with the requirements of this policy shall be subject to discipline, up to and including termination of employment.

9. Non-discrimination Policy

The Board shall not discharge or in any manner discriminate or retaliate against any employee who, in good faith, makes a report pursuant to this policy, or testifies or is about to testify in any proceeding involving abuse or neglect.

Note from Shipman & Goodwin:

This policy was revised to reflect changes in the law required by Public Act 15-6, “An Act Concerning Employee Online Privacy,” codified in Connecticut General Statutes § 31-40x. Among several other provisions, this new law prohibits employers from requiring employees or prospective employees to provide login and password information for personal online accounts and protects employees and prospective employees from retaliation for not providing such information to their employers. This policy has also been updated to include minor revisions throughout, including provisions for new types of technology. Additionally, the policy was revised to include an optional section on crowd-funding activities.

Additional Note: The crowd-funding option is inserted as it is a practice in the district.

SOCIAL MEDIA

The New Milford Board of Education (the “Board”) recognizes the importance and utility of social media and networks for its employees. The laws regarding social media continue to evolve and change. Nothing in this policy is intended to limit an employee’s right to use social media or personal online accounts under applicable law, as it may evolve. The Board acknowledges, for example, that its employees have the right under the First Amendment, in certain circumstances, to speak out on matters of public concern. The Board will resolve any conflict between this policy and applicable law in favor of the law.

Ordinarily, the use of social media by employees, including employees’ use of personal online accounts, will not be a legal or policy issue. While a policy cannot address every instance of inappropriate social media use, employees must refrain from social media use that:

- 1) interferes, disrupts or undermines the effective operation of the school district;
- 2) is used to engage in harassing, defamatory, obscene, abusive, discriminatory or threatening or similarly inappropriate communications;
- 3) creates a hostile work environment;
- 4) breaches confidentiality obligations of school district employees; or
- 5) violates the law, board policies and/or other school rules and regulations.

The Board of Education, through its Superintendent, will adopt and maintain administrative regulations to implement this policy.

ADMINISTRATIVE REGULATIONS REGARDING USE OF SOCIAL MEDIA

The New Milford Board of Education (the “Board”) recognizes the importance and utility of social media and networks for its employees. The laws regarding social media continue to evolve and change. Nothing in the Board’s policy or these administrative regulations is intended to limit an employee’s right to use social media or personal online accounts under applicable law, as it may evolve. The Board acknowledges, for example, that its employees have the right under the First Amendment, in certain circumstances, to speak out on matters of public concern. The Board will resolve any conflict between the Board’s policy or these regulations and applicable law in favor of the law.

Ordinarily, the use of social media by employees, including employees’ personal online accounts, will not be a legal or policy issue. While a policy or regulation cannot address every instance of inappropriate social media use, employees must refrain from social media use that:

- 1) interferes, disrupts or undermines the effective operation of the school district;
- 2) is used to engage in harassing, defamatory, obscene, abusive, discriminatory or threatening or similarly inappropriate communications;
- 3) creates a hostile work environment;
- 4) breaches confidentiality obligations of school district employees; or
- 5) violates the law, Board policies and/or other school rules and regulations.

Definitions:

The rapid speed at which technology continuously evolves makes it difficult, if not impossible, to identify all types of social media.

Thus, the term Social Media includes a variety of online tools and services that allow users to publish content and interact with their audiences. By way of example, social media includes, but is not limited to, the following websites or applications, including an employee’s personal online account using such social media:

- (1) social-networking (e.g. Facebook, LinkedIn, Google+, Classmates.com);
- (2) blogs and micro-blogs (e.g. Twitter, Tumblr, Medium);
- (3) content-sharing (e.g. Scribd, SlideShare, DropBox);
- (4) imagesharing, videosharing or livestreaming (e.g. Snapchat, Periscope, Flickr, YouTube, Instagram, Vine, Pinterest);

- (5) other sharing sites or apps such as by sound, location, news, or messaging, etc. (e.g. Reddit, Kik, Yik Yak, SoundCloud, WhatsApp).

Board of Education includes all names, logos, buildings, images and entities under the authority of the Board of Education.

Electronic communications device includes any electronic device that is capable of transmitting, accepting or processing data, including, but not limited to, a computer, computer network and computer system, and a cellular or wireless telephone.

Personal online account includes any online account that is used by an employee exclusively for personal purposes and unrelated to any business purpose of the Board, including, but not limited to electronic mail, social media and retail-based Internet websites. Personal online account does not include any account created, maintained, used or accessed by an employee for a business, educational or instructional purpose of the Board.

Rules Concerning District-Sponsored Social Media Activity

1. In order for an employee to use social media sites as an educational tool or in relation to extracurricular activities or programs of the school district, the employee must seek and obtain the prior permission of his/her supervisor.
2. Employees may not use personal online accounts to access social media for classroom activities without express permission of the employee's supervisor. Where appropriate and with permission, district-sponsored social media accounts should be used for such purposes.
3. If an employee wishes to use social media sites to communicate meetings, activities, games, responsibilities, announcements etc., for a school-based club or a school-based activity or an official school-based organization, or an official sports team, the employee must also comply with the following rules:
 - o The employee must receive the permission of his/her immediate supervisor.
 - o The employee must not use his/her personal online account for such purpose, but shall use his/her Board-issued account.
 - o The employee must ensure that such social media use is compliant with all Board of Education policies, regulations, and applicable state and federal law, including the provision of required legal notices and permission slips to parents.
 - o The employee must set up the club, etc. as a group list which will be "closed" (e.g. membership in the group is limited to students, parents and appropriate school personnel), and "monitored" (e.g. the employee had the ability to access and supervise communications on the social media site).
 - o Parents shall be permitted to access any page that their child has been invited to join.

- o Access to the page may only be permitted for educational purposes related to the club, activity, organization or team.
 - o The employee responsible for the page will monitor it regularly.
 - o The employee's supervisor shall be permitted access to any page established by the employee for a school-related purpose.
 - o Employees are required to maintain appropriate professional boundaries in the establishment and maintenance of all such district-sponsored social media activity.
4. Employees are prohibited from making harassing, defamatory, obscene, abusive, discriminatory or threatening or similarly inappropriate statements in their social media communications using district-sponsored sites or accounts or through Board-issued electronic accounts.
 5. Employees are required to comply with all Board of Education policies and procedures and all applicable laws with respect to the use of electronic communications devices, networks, Board-issued accounts, or when accessing district-sponsored social media sites or while using personal devices on the district's wireless network or while accessing district servers.
 6. The Board of Education reserves the right to monitor all employee use of district computers and other electronic devices, including employee blogging and social networking activity. An employee should have no expectation of personal privacy in any communication made through social media, including personal online accounts, while using district electronic communications devices.
 7. All communications through district-sponsored social media or Board-issued electronic accounts must comply with the Board of Education's policies concerning confidentiality, including the confidentiality of student information. If an employee is considering sharing information and is unsure about the confidential nature of the information, the employee shall consult with his/her supervisor prior to communicating such information.
 8. An employee may not link a district-sponsored social media page to any personal online account or sites not sponsored by the school district.
 9. An employee may not use district-sponsored social media or Board-issued electronic accounts for communications for private financial gain, political, commercial, advertisement, proselytizing or solicitation purposes.
 10. An employee may not use district-sponsored social media or Board-issued electronic accounts in a manner that misrepresents personal views as those of the Board of Education, individual school or school district, or in a manner that could be construed as such.

Rules Concerning Personal Online Accounts

1. The Board understands that employees utilize social media and the web for personal matters in the workplace. The Board of Education reserves the right to monitor all employee use of district electronic communications devices, including a review of online and personal social media activities. An employee should have no expectation of personal privacy in any personal communication made through social media while using district computers, district-issued cellular telephones or other electronic communications devices. While the Board reserves the right to monitor use of its electronic communications devices, employees may engage in incidental personal use of social media in the workplace so long as such use does not interfere with operations and productivity, and does not violate other Board policies.
2. An employee may not mention, discuss, reference or link to the Board of Education, the school district or its individual schools, programs or teams using personal online accounts or other sites or applications in a manner that could reasonably be construed as an official school district communication, unless the employee also states within the communication that such communication is the personal view of the employee of the school district and that the views expressed are the employee's alone and do not represent the views of the school district or the Board of Education. An example of such a disclaimer is: "the opinions and views expressed are those of the author and do not necessarily represent the position or opinion of the school district or Board of Education." For example, except as may be permitted by Board policy, employees may not provide job references for other individuals on social media that indicate that such references are made in an official capacity on behalf of the Board of Education.
3. Employees are required to maintain appropriate professional boundaries with students, parents, and colleagues. For example, absent an unrelated online relationship (e.g., relative, family friend, or personal friendship unrelated to school), it is not appropriate for a teacher or administrator to "friend" a student or his/her parent or guardian or otherwise establish special relationships with selected students through personal online accounts, and it is not appropriate for an employee to give students or parents access to personal postings unrelated to school.
4. In accordance with the public trust doctrine, employees are advised to refrain from engaging in harassing, defamatory, obscene, abusive, discriminatory or threatening or similarly inappropriate communications through personal online accounts. Such communications reflect poorly on the school district's reputation, can affect the educational process and may substantially and materially interfere with an employee's ability to fulfill his/her professional responsibilities.
5. Employees are individually responsible for their personal communications through social media and personal online accounts. Employees may be sued by other employees, parents or others, and any individual that views an employee's communication through social media and personal online accounts as defamatory, pornographic, proprietary, harassing, libelous or creating a hostile work environment. In addition, employees should consider refraining from posting anything that belongs to another person or entity, such as copyrighted publications or trademarked images. As all of these

activities are outside the scope of employment, employees may be personally liable for such claims.

6. Employees are required to comply with all Board of Education policies and procedures with respect to the use of electronic communications devices when accessing personal online accounts and/or social media through district computer systems. Any access to personal online accounts and/or personal social media activities while on school property or using school district equipment must comply with those policies, and may not interfere with an employee's duties at work.
7. All communications through personal online accounts and/or social media must comply with the Board of Education's policies concerning confidentiality, including the confidentiality of student information. If an employee is considering sharing information and is unsure about the confidential nature of the information, the employee shall consult with his/her supervisor prior to communicating such information.
8. An employee may not post official Board of Education material using a personal online account without written permission of his/her supervisor.
9. All of the Board of Education's policies and administrative regulations apply to employee use of personal online accounts in the same way that they apply to conduct that occurs in the workplace and off duty conduct.

Access to Personal Online Accounts

1. An employee may not be required by his/her supervisor to provide his/her username, password, or other means of authentication of a personal online account.
2. An employee may not be required to authenticate or access a personal online account in the presence of his/her supervisor.
3. An employee may not be required to invite or accept an invitation from his/her supervisor or required to join a group with the employee's personal online account.

Use of Crowdfunding Activities

Prior to engaging in any crowdfunding activities (e.g. DonorsChoose, Kickstarter, GoFundMe, etc) for the Board of Education, its schools, classes, or extracurricular teams or clubs, an employee must first apply in writing to the building principal and receive approval for the crowdfunding activity. Such written application must include the name of the website or application to be utilized, a full description of the reason for the crowdfunding activity, a copy of the proposed personal profile to be listed on the site/application, and the proposed content to be uploaded to the crowdfunding website or application, including images. Any money received from crowdfunding activities must be deposited directly into a school activity fund and may not first be received by the employee. Crowdfunding activities must comply with all Board of Education policies,

regulations and procedures, and shall not include photos of students or the sharing of any confidential student information.

Disciplinary Consequences

Violation of the Board's policy concerning the use of social media or these administrative regulations may lead to discipline up to and including the termination of employment consistent with state and federal law.

An employee may face disciplinary action up to and including termination of employment if an employee transmits, without the Board's permission, confidential information to or from the employee's personal online account.

An employee may not be disciplined for failing to provide his/her username, password, or other authentication means for accessing a personal online account, failing to authenticate or access a personal online account in the presence of his/her supervisor or failing to invite his/her supervisor or refusing to accept an invitation sent by his/her supervisor to join a group affiliated with a personal online account, except as provided herein.

Notwithstanding, the Board may require that an employee provide his/her username, password or other means of accessing or authenticating a personal online account for purposes of accessing any account or service provided by the Board for business purposes or any electronic communications device supplied by or paid for, in whole or in part, by the Board.

Nothing in this policy or regulations shall prevent the district from conducting an investigation for the purpose of ensuring compliance with applicable state or federal laws, regulatory requirements or prohibitions against work-related employee misconduct based on the receipt of specific information about an activity on an employee's personal online account or based on specific information about the transfer of confidential information to or from an employee's personal online account. During the course of such investigation, the district may require an employee to allow the district to access his or her personal online account for the purpose of conducting such investigation. However, the employee will not be required to provide his/her username and/or password or other authentication means in order for the district to access the personal online account.

Note from Shipman & Goodwin:

We have revised this policy to provide additional details regarding eligibility for and administration of leave consistent with the requirements of the federal Family and Medical Leave Act (FMLA) and applicable state law. While this policy does not, and cannot, recite every statutory and regulatory requirement, the revisions are designed to provide additional guidance in areas that are often the subject of client inquiry. When administering leave pursuant to the FMLA, districts should be aware of any applicable collective bargaining agreement provisions, which may provide greater benefits to the employee than the requirements of law, which are reflected in the policy.

In addition, consistent with federal regulations, we have included an optional section allowing for intermittent leave following the birth or placement of a healthy child, but only if the employer agrees. A board of education may decide that it will not allow intermittent or reduced schedule leave for these reasons, and therefore not include this provision in its policy. If it does include this provision, the district must be aware of its equal protection obligations and treat similarly situated individuals in the same manner.

FAMILY AND MEDICAL LEAVE

PURPOSE

The purpose of this policy is to apprise employees of their rights, and establish guidelines for leaves taken by employees of the New Milford Board of Education (the “Board”), under the federal Family and Medical Leave Act of 1993 (“FMLA”) and applicable Connecticut state law. This policy is not intended to, and does not, recite every provision of applicable law and regulations.

ELIGIBILITY

Employees other than school paraprofessionals who have been employed by the Board for at least twelve (12) months, and who have worked at least 1,250 actual work hours during the twelve (12) months immediately preceding the start of a leave, are eligible for unpaid leave under the FMLA.

A school paraprofessional in an educational setting is eligible for the leave described in this policy if the paraprofessional has worked for the Board for at least twelve (12) months, and has worked at least 950 service hours during the twelve (12) months immediately preceding the start of such leave.

Full-time instructional employees meet the 1,250 hours of service requirement unless the Board can demonstrate that the full-time instructional employee did not meet the 1,250 hours of service requirement in the 12-month period prior to the start of leave.

DEFINITIONS

Genetic information: For purposes of this policy, “genetic information” includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Instructional employee: For purposes of this policy, an “instructional employee” is defined as a teacher or other employee of the Board who is employed principally in an instructional capacity and whose principal function is to teach and instruct students in a class, a small group, or an individual setting, and includes athletic coaches, driving instructors, and special education assistants such as signers for the hearing impaired. The term does not include teacher assistants or aides who do not have as their principal function actual teaching or instructing, nor auxiliary personnel such as counselors, psychologists, curriculum specialists, cafeteria workers, maintenance workers, bus drivers, or other primarily non-instructional employees.

Paraprofessional: For purposes of this policy, a “paraprofessional” means a school employee who performs duties that are instructional in nature or deliver either direct or indirect services to students and/or parents and serves in a position for which a teacher has ultimate responsibility for the design and implementation of educational programs and services. This definition is only used for the purpose of calculating eligibility for the leave described in this policy at the 950 hour threshold.

REASONS FOR LEAVE

Leaves under the FMLA and applicable state law may be taken for the following reasons:

incapacity due to pregnancy, prenatal medical care or child birth; or

to care for the employee's newborn child; or

the placement of a child with the employee by adoption or for foster care; or

to care for the employee's spouse, child or parent who has a serious health condition; or

to care for the employee's own serious health condition that renders the employee unable to perform the functions of the employee's position; or

to serve as an organ or bone marrow donor; or

to care for an injured or ill servicemember (see below – Length of Leave – for further information); or

a qualifying exigency arising out of a family member's military service, including one or more of the following reasons (note – more detailed information on the following categories is available from the Human Resources office:

short-notice deployment;

military events and related activities;

childcare and school activities;

financial and legal arrangements;

counseling;

rest and recuperation;

post-deployment activities;

parental care leave for military member's parent who is incapable of self-care and care is necessitated by the military member's covered active duty;

additional activities that arise out of the active duty or call to active duty status of a covered military member, provided that the Board and the employee agree that such leave qualifies as an exigency, and agree to both the timing and the duration of such leave.

LENGTH OF LEAVE

(a) Basic FMLA Leave Entitlement

If a leave is requested for one of the above-listed reasons, each eligible employee may take up to a total of twelve (12) weeks unpaid family or medical leave in the 12-month entitlement period.

The 12-month entitlement period for family or medical leave is measured on the basis of a "rolling" 12-month period measured backward from the date an employee uses any FMLA leave.

(b) Leave to Care for an Injured or Ill Servicemember

In addition to the reasons for leave listed above, an eligible employee may take up to twenty-six (26) workweeks of FMLA leave during a 12-month period to care for (i) a servicemember who is the employee's spouse, parent, child or next of kin, and who incurred a serious injury or illness in the line of duty and while on active duty in the Armed Forces or had a preexisting injury or illness prior to beginning active duty that was aggravated by service in the line of duty on active duty in the Armed Forces; or (ii) a covered veteran with a serious injury or illness who is the employee's spouse, parent, child or next of kin.

For servicemembers, the injury or illness must render the servicemember medically unable to perform the duties of office, grade, rank or rating. This provision applies to servicemembers who are undergoing medical treatment, recuperation, or therapy, are in outpatient status, or who are on the temporary disability retired list, for a serious injury or illness.

For covered veterans, the veteran must be undergoing medical treatment, recuperation or therapy for a serious injury or illness and must have been (1) a member of the Armed Forces (including the National Guard or Reserves); (2) discharged or released under conditions that were other than dishonorable; and (3) discharged within the five-year period before the eligible employee first takes FMLA military caregiver leave to care for the veteran.¹

For covered veterans, serious injury or illness means any of the following:

- (i) a continuation of a serious injury or illness that was incurred or aggravated when the covered veteran was a member of the Armed Forces and rendered the servicemember unable to perform the duties of the servicemember's office, grade, rank, or rating; or
- (ii) a physical or mental condition for which the covered veteran has received a U.S. Department of Veterans Affairs Service-Related Disability Rating (VASRD) of 50 percent or greater, and such VASRD rating is based, in whole or in part, on the condition precipitating the need for military caregiver leave; or
- (iii) a physical or mental condition that substantially impairs the covered veteran's ability to secure or follow a substantially gainful occupation by reason

¹ The employee's first date of leave must be within the five-year period. However, the employee may continue to take leave throughout the single 12-month period even if the leave extends past the five-year period. Note - special rules may apply to calculating the five-year period for veterans discharged between October 28, 2009 and March 8, 2013. This period will effectively be excluded from the five-year calculation.

of a disability or disabilities related to military service, or would do so absent treatment; or

- (iv) an injury, including a psychological injury, on the basis of which the covered veteran has been enrolled in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers.

When combined with any other type of FMLA qualifying leave, total leave time may not exceed twenty-six (26) weeks in a single twelve (12) month period. Standard FMLA leave procedures described below apply to all requests for and designation of leave for this purpose. *However*, in the case of leave to care for a servicemember with a serious injury or illness, the 12-month period begins on the day such leave actually commences.

TYPES OF LEAVE AND CONDITIONS

(a) Full-Time, Intermittent and Reduced Schedule Leave

Full-time leave excuses the employee from work for a continuous period of time. Full-time unpaid leave may be taken for any of the reasons permitted by the FMLA.

Intermittent leave means leave taken due to a single qualifying reason in separate periods of time rather than for one continuous period of time. Examples of intermittent leave include: leave taken one day per week over a period of a few months; or leave taken on an occasional/as-needed basis for medical appointments.

Reduced schedule leave is leave that reduces the employee's usual number of work hours per day for some period of time. For example, an employee may request half-time work for a number of weeks so the employee can assist in the care of a seriously ill parent.

Intermittent or reduced schedule leave may be taken (a) when medically necessary for an employee's or covered family member's serious health condition, or for a covered service member's serious illness or injury, and (b) the need for leave can be best accommodated through an intermittent or reduced schedule leave. In addition, FMLA leave may be taken intermittently or on a reduced schedule basis (1) due to a qualifying exigency; or (2) to effectuate the placement of a child for adoption or foster care before the placement of the child in the home.

If foreseeable intermittent or reduced schedule leave is medically required based upon planned medical treatment of the employee or a family member or a covered service member, including during a period of recovery from an employee's or family member's serious health condition or a serious injury or illness of a covered service member, the Board may, in its sole discretion, temporarily transfer the employee to another job with equivalent pay and benefits that better accommodates the type of leave requested. Also, special arrangements may be required of an instructional employee

who needs to take intermittent or reduced-schedule leave which will involve absence for more than twenty (20) percent of the work days in the period over which the leave will extend (for example, more than five days over a five-week period), if the leave is to care for a family member with a serious health condition, to care for a covered service member with a serious injury or illness, or for the employee's own serious health condition, which is foreseeable based on planned medical treatment. In such situations, the Board may require the instructional employee to transfer temporarily to another job or take leave for a particular duration, not to exceed the duration of the planned medical treatment.

(b) Both Spouses Working for the Same Employer

If both spouses are eligible employees of the Board and request leave for the birth, placement of a child by adoption or for foster care, or to care for a parent with a serious health condition, they only will be entitled to a maximum combined total leave equal to twelve (12) weeks in the 12-month entitlement period. If either spouse (or both) uses a portion of the total 12-week entitlement for one of the purposes in the preceding sentence, each is entitled to the difference between the amount the employee has taken individually and the 12 weeks for FMLA leave for their own or their spouse's serious health condition in the 12-month entitlement periods.

(c) Leave Taken by Instructional Employees Near the End of an Academic Term

If a leave taken by an instructional employee for any reason begins more than five (5) weeks before the end of an academic term, the Board may require that instructional employee to continue the leave until the end of the term if the leave will last at least three (3) weeks and the instructional employee would return to work during the three-week period before the end of the term.

If the instructional employee begins a leave during the five-week period preceding the end of an academic term for a reason other than the instructional employee's own serious health condition, the Board may require the instructional employee to continue taking leave until the end of the term if the leave will last more than two (2) weeks and the instructional employee would return to work during the two-week period before the end of the term.

If the instructional employee begins a leave during the three-week period preceding the end of an academic term for a reason other than the instructional employee's own serious health condition, the Board may require the instructional employee to continue taking leave until the end of the term if the leave will last more than five (5) working days.

REQUESTS FOR LEAVE

(a) Foreseeable Leave

An employee must notify the Department of Human Resources of the need for a family or medical leave at least thirty (30) days before the leave is to begin if the need for the leave is foreseeable based on the expected birth of the employee's child, placement of a child with the employee for adoption or foster care, planned medical treatment for the employee's or family member's serious health condition, or the planned medical treatment for a serious injury or illness of a covered service member. If 30 days-notice is not practicable, then the employee must provide notice as soon as practicable under the circumstances, usually the same day or the next business day after the employee becomes aware of the need for FMLA leave.

(b) Qualifying Exigency.

An employee must provide notice as soon as practicable if the foreseeable leave is for a qualifying exigency, regardless of how far in advance such leave is foreseeable.

(c) Unforeseeable Leave.

When the employee's need for leave is not foreseeable, an employee must provide notice as practicable under the circumstances.

SCHEDULING PLANNED MEDICAL TREATMENT

When planning medical treatment for foreseeable FMLA leave, an employee must consult with the Department of Human Resources and make a reasonable effort to schedule the treatment so as not to disrupt unduly the Board's operations, subject to the approval of the health care provider. Similarly, if an employee needs leave intermittently or on a reduced leave schedule for planned medical treatment, the employee must make a reasonable effort to schedule the treatment so as not to disrupt unduly the Board's operations. Ordinarily, the employee should consult with the Department of Human Resources prior to scheduling the treatment in order to work out a treatment schedule that best suits the needs of the Board and the employee. The Board and the employee shall attempt to work out a schedule for leave that meets the employee's needs without unduly disrupting the Board's operations, subject to the approval of the health care provider as to any modification of the treatment schedule.

REQUIRED CERTIFICATIONS/DOCUMENTATION

For leaves taken for any FMLA-qualifying reason, an employee must submit a completed certification form supporting the need for leave. The appropriate form will be provided to the employee. The employee must submit a complete and sufficient certification form as required within fifteen (15) calendar days of receiving the request for the completed certification. If it is not practicable for the employee to provide the completed form by the due date despite the employee's diligent, good faith efforts, the employee must inform the Department of Human Resources of the reason(s) for delay and what efforts the employee undertook to obtain the required certification. FMLA-protected leave may be delayed or denied if the employee does not provide a

complete and sufficient certification as required. Depending on the reason for leave, an employee may be required to submit medical certification from the employee's health care provider, medical certification the employee's family member's health care provider, and/or other documentation (e.g., to establish a family relationship, military active duty orders, etc.). In certain circumstances and under certain conditions, employees may also be required to obtain second or third medical opinions and/or recertifications, in accordance with applicable law.

If an employee takes leave for the employee's own serious health condition (except on an intermittent or reduced-schedule basis), prior to returning to work the employee must provide a medical fitness-for-duty certification that the employee is able to resume work and the health condition that created the need for the leave no longer renders the employee unable to perform the essential functions of the job. This certification must be submitted to the Department of Human Resources. If the employee is unable to perform one or more of the essential functions of the employee's position, the Board will determine whether the employee is eligible for additional FMLA leave (if such leave has not been exhausted) or whether an accommodation is appropriate, in accordance with the Americans with Disabilities Act.

In connection with the Board's request for medical information, employees must be aware that the Genetic Information Nondiscrimination Act of 2008 ("GINA") prohibits employers and other entities covered by Title II of GINA from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, the Board requests that employees not provide any genetic information when responding to a request for medical information.

Note: The medical certification form should include the above language related to GINA.

USE OF PAID LEAVE

Accrued paid personal leave and accrued paid vacation will be substituted (in that order) for any unpaid portions of family or medical leave taken for any reason. However, where the leave is for the employee's own serious health condition, accrued paid sick leave shall be substituted for unpaid portions of family or medical leave prior to the substitution of accrued paid personal and accrued paid vacation leave. The amount of unpaid family or medical leave entitlement is reduced by the amount of paid leave that is substituted.

In addition, in cases involving absences due to a Workers' Compensation injury that also qualifies as an FMLA serious health condition, and if the employee (and the employee's collective bargaining agent, if applicable) and the Board agree to do so, the Board will apply the employee's available accrued paid leave in increments as a supplement to the Workers' Compensation weekly benefit in an appropriate amount so that the employee can maintain the employee's regular weekly income level.

MEDICAL INSURANCE AND OTHER BENEFITS

During approved family or medical leaves of absence, the Board will continue to pay its portion of medical insurance premiums for the period of unpaid family or medical leave. The employee must continue to pay the employee's share of the premium, and failure to do so may result in loss of coverage. If the employee does not return to work after expiration of the leave, the employee will be required to reimburse the Board for payment of medical insurance premiums during the family or medical leave, unless the employee does not return because of a serious health condition or circumstances beyond the employee's control.

During an FMLA leave, an employee shall not accrue any benefits, such as seniority, pension, sick or vacation leave, unless otherwise required by any applicable collective bargaining agreement or Board policy. However, unused employment benefits accrued by the employee up to the day on which the leave begins will not be lost upon return to work. Leave taken under this policy does not constitute an absence under the Board's attendance policy, if any.

REINSTATEMENT

Except for circumstances unrelated to the taking of a family or medical leave, and unless an exception applies, an employee who returns to work following the expiration of a family or medical leave is entitled to return to the job such employee held prior to the leave or to an equivalent position with equivalent pay and benefits.

ADDITIONAL INFORMATION

Questions regarding family or medical leave may be directed to the Superintendent or designee. An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer. FMLA does not affect any federal or state law prohibiting discrimination, or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

 - b. receives written clearance to participate in such full, unrestricted supervised team activities from a licensed health care professional trained in the evaluation and management of concussions.
5. The Board shall prohibit a student athlete from participating in any intramural or interscholastic athletic activity unless the student athlete, and a parent or guardian of

such athlete, receives training regarding the concussion education plan developed or approved by the State Board of Education by:

- a. reading written materials;
 - b. viewing online training videos; or
 - c. attending in-person training regarding the concussion education plan developed or approved by the State Board of Education.
6. The Board shall annually provide each participating student athlete's parent or legal guardian with a copy of an informed consent form approved by the State Board of Education and obtain the parent or guardian's signature, attesting to the fact that such parent or guardian has received a copy of such form and authorizes the student athlete to participate in the athletic activity.

Reporting Requirements

1. The school principal, teacher, licensed athletic trainer, licensed physical or occupational therapist employed by a school district, or coach who informs a student athlete's parent or guardian of the possible occurrence of a concussion shall also report such incident to the nurse supervisor or designee.

Student and Parent Concussion Informed Consent Form

This consent form was developed to provide students, parents and legal guardians with current and relevant information regarding concussions and to comply with Connecticut General Statutes (C.G.S.) Chapter 166, Section 10-149b: *Concussions: Training courses for coaches. Education plan. Informed consent form. Development or approval by State Board of Education. Revocation of coaching permit*; and Section 10-149c: *Student athletes and concussions. Removal from athletic activities. Notification of parent or legal guardian. Revocation of coaching permit.*

What is a Concussion?

National Athletic Trainers Association (NATA) - *A concussion is a “trauma induced alteration in mental status that may or may not involve loss of consciousness.”*

Centers for Disease Control and Prevention (CDC) - *“A concussion is a type of traumatic brain injury, or TBI, caused by a bump, blow, or jolt to the head or by a hit to the body that causes the head and brain to move rapidly back and forth. This sudden movement can cause the brain to bounce around or twist in the skull, stretching and damaging the brain cells and creating chemical changes in the brain.”* -CDC, Heads Up: Concussion. http://www.cdc.gov/headsup/basics/concussion_what.html

“Even a ‘ding,’ ‘getting your bell rung,’ or what seems to be mild bump or blow to the head can be serious.” -CDC, Heads Up: Concussion Fact Sheet For Coaches http://www.cdc.gov/headsup/pdfs/custom/headsupconcussion_fact_sheet_coaches.pdf

Section 1. Concussion Education Plan Summary

The Concussion Education Plan and Guidelines for Connecticut Schools was approved by the Connecticut State Board of Education in January 2015. Below is an outline of the requirements of the Plan. The complete document is accessible on the CSDE Web site: <https://portal.ct.gov/SDE/Publications/Concussion-Education-Plan-and-Guidelines-for-Connecticut-Schools>

State law requires that each local and regional board of education must approve and then implement a concussion education plan by using written materials, online training or videos, or in-person training that addresses, at a minimum, the following:

1. The recognition of signs or symptoms of a concussion.
2. The means of obtaining proper medical treatment for a person suspected of sustaining a concussion.
3. The nature and risks of concussions, including the danger of continuing to engage in athletic activity after sustaining a concussion.
4. The proper procedures for allowing a student-athlete who has sustained a concussion to return to athletic activity.
5. Current best practices in the prevention and treatment of a concussion.

Section 2. Signs and Symptoms of a Concussion: Overview

A concussion should be suspected if any one or more of the following signs or symptoms are present, or if the coach/evaluator is unsure, following an impact or suspected impact as described in the CDC definition above.

Signs of a concussion may include (i.e. what the athlete displays/looks like to an observer):

- Confusion/disorientation/irritability
- Trouble resting/getting comfortable
- Lack of concentration
- Slow response/drowsiness
- Incoherent/slurred speech
- Slow/clumsy movements
- Loss of consciousness
- Amnesia/memory problems
- Acts silly, combative or aggressive
- Repeatedly asks the same questions
- Dazed appearance
- Restless/irritable
- Constant attempts to return to play
- Constant motion
- Disproportionate/inappropriate reactions
- Balance problems

Symptoms of a concussion may include (i.e. what the athlete reports)

- Headache or dizziness
- Nausea or vomiting
- Blurred or double vision
- Oversensitivity to sound/light/touch
- Ringing in ears
- Feeling foggy or groggy

State law requires that a coach **MUST** immediately remove a student-athlete from participating in any intramural or interscholastic athletic activity who: a) is observed to exhibit signs, symptoms or behaviors consistent with a concussion following a suspected blow to the head or body, or b) is diagnosed with a concussion, regardless of when such concussion or head injury may have occurred. **Upon removal of the athlete, a qualified school employee must notify the parent or legal guardian within 24 hours that the student athlete has exhibited signs and symptoms of a concussion.**

Section 3. Return to Play (RTP) Protocol Overview

Currently, it is impossible to accurately predict how long an individual’s concussion will last. There must be full recovery before a student-athlete is allowed to resume participating in athletic activity. Connecticut law now requires that no athlete may resume participation until she/he has received written medical clearance from a licensed health care professional (physician, physician assistant, advanced practice registered nurse (APRN), athletic trainer) trained in the evaluation and management of concussions.

Concussion Management Requirements:

1. No athlete shall return to participation in the athletic activity on the same day of a concussion.
2. If there is any loss of consciousness, vomiting or seizures, the athlete MUST be transported immediately to the hospital.
3. Close observation of an athlete MUST continue following a concussion. The athlete should be monitored following the injury to ensure that there is no worsening/escalation of symptoms.
4. Any athlete with signs or symptoms related to a concussion MUST be evaluated by a licensed health care professional (physician, physician assistant, advanced practice registered nurse (APRN), athletic trainer) trained in the evaluation and management of concussions.
5. The athlete MUST obtain an initial written clearance from one of the license health care professionals identified above directing her/him into a well-defined RTP stepped protocol similar to the one outlined below. If at any time signs or symptoms return during the RTP progression, the athlete should cease activity.
6. After the RTP protocol has been successfully administered (no longer exhibits any signs or symptoms or behaviors consistent with concussions), final written medical clearance is required by one of the licensed health care professionals identified above for the athlete to fully return to unrestricted participation in practices and competitions.

Medical Clearance RTP protocol (at least one full day between steps recommended)

Rehabilitation stage	Functional exercise at each stage of rehabilitation	Objective of each stage
1. No activity	Complete physical and cognitive rest until asymptomatic; School activities may need to be modified	Recovery
2. Light aerobic exercise	Walking, swimming or stationary cycling maintaining intensity at less than 70% of maximal exertion; no resistance training	Increase heart rate
3. Sport-specific exercise No contact	Skating drills in ice hockey, running drills in soccer; no head impact activities	Add movement
4. Non-contact sport drills	Progression to more complex training drills, such as passing drills in football and ice hockey; may start progressive resistance training	Exercise, coordination and cognitive load
5. Full contact sport drills	Following final medical clearance, participate in normal training activities	Restore confidence and assess functional skills by coaching staff
6. Full activity	No restrictions	Return to full athletic performance

*If at any time signs or symptoms should worsen during the RTP progression the athlete should stop activity that day. If the athlete’s symptoms are gone the next day, she/he may resume the RTP progression at the last step completed in which no symptoms were present. If symptoms return and do not resolve, the athlete should be referred back to her/his medical provider.

**ADMINISTRATIVE REGULATIONS REGARDING BLOODBORNE
PATHOGENS**

The New Milford Board of Education (the “Board”) is committed to promoting a safe and healthful work environment for its staff. In pursuit of this goal and in accordance with the United States Department of Labor, Occupational Safety and Health Administration (“OSHA”) regulations dealing with “Safe Workplace” standards relating to exposure to bloodborne pathogens, the following will be the procedures of the Board for at risk personnel.

The Board shall establish a written exposure control plan in accordance with the federal standards for dealing with potentially infectious materials in the workplace to protect employees from possible infection due to contact with Bloodborne pathogens. Pursuant to these procedures, the school will take reasonably necessary actions to protect its employees from infectious disease and in particular H.I.V. and H.B.V. infection.

The school will provide the training and protective equipment to those persons who are at risk by virtue of their job performance and may come in contact with infectious disease. Furthermore, all Board personnel defined by OSHA and the school who may come in contact with blood and body fluids will be offered the vaccine for the hepatitis B Virus which is a life threatening bloodborne pathogen. The vaccination will be done at no cost to the personnel and is provided as a precaution for personnel safety.

- I. All locker rooms, restrooms, and nurses' offices will be cleaned daily using disinfectant. Custodial staff members are required to wear rubber gloves and use long-handled scrubbing utensils during these cleaning procedures at these locations.
- J. When a spill occurs, the building administrator or his/her designee will limit access to areas of potential exposure and notify the staff and students. The janitorial staff will be notified to immediately clean the area.

- K. All procedures involving blood or other potentially infectious materials shall be performed in such a manner as to minimize splashing, spraying, spattering and generation of droplets of these substances.
- L. Mouth pipetting/suctioning of blood or other potentially infectious materials is prohibited.
- M. Specimens of blood or other potentially infectious materials shall be placed in a container labeled in accordance with Section X of this plan, which prevents leakage during collection, handling, processing, storage, transport, or shipping.

V. Hepatitis B Vaccination

- A. The hepatitis B vaccination series shall be made available at no cost to all Category I employees. The hepatitis B vaccination shall be made available after an employee with occupational exposure has received the required training and within 10 working days of initial assignment, unless the employee has previously received the complete hepatitis B vaccination series, or antibody testing has revealed that the employee is immune, or vaccination is contraindicated by medical reasons.
- B. Employees who decline to accept the vaccination shall sign the hepatitis B vaccination declination statement.

VI. Training for Exposure Control

- A. Each year, all at risk personnel will be supplied with written materials relating to precautions, risks, and actions to take if contaminated by blood or other body fluids containing the following:

I understand that by declining this vaccine, I continue to be at risk of acquiring hepatitis B, a serious disease.
