

NORTH PANOLA SCHOOL DISTRICT

Parental Permission Form Concerning Disclosure of Student Images, Recording, and Schoolwork

North Panola School District is committed to protecting the privacy and safety of all students. From time to time, outside agencies – local radio stations, educational television, newspapers, and community/state agencies – highlight exemplary programs in our district. This often involves video recording or taking pictures of students in the classroom setting and/or asking students for their opinion or questions about their educational experience. When realizing that the public has a right and a responsibility for access to information about activities of our school district, North Panola School District endeavors to take every precaution to insure that such disclosure is limited to appropriate school related events.
