## **WCSD ADMINISTRATOR SONJA RUSH-HARVIN GRADUATES FROM PRESTIGIOUS SCALE FELLOWSHIP**

Williamsburg County School District proudly announces that Sonja Rush-Harvin, Assistant Principal of C.E. Murray Middle School, is a graduate of the South Carolina Afterschool Leaders Empowered (SCALE) Fellowship, a distinguished 10-month leadership program administered by the Riley Institute at Furman University.

The SCALE Fellowship is designed to equip education and community leaders with the knowledge, professional networks, and leadership skills necessary to elevate program quality, expand capacity, and strengthen partnerships and long-term sustainability for afterschool and summer learning initiatives across South Carolina. Participants engage in rigorous training focused on leadership development, policy, program design, and community collaboration.

As part of the fellowship, participants complete a culminating capstone project addressing a critical area of afterschool education. Ms. Rush-Harvin's capstone focused on Program Quality, with a particular emphasis on student engagement, exploring strategies to create meaningful, engaging learning environments that support student success beyond the traditional school day.

Williamsburg County School District congratulates Ms. Rush-Harvin on this significant professional achievement and commends her dedication to advancing educational equity, student engagement, and innovative learning opportunities within WCSD and across the state.

*The mission of Williamsburg County School District is to prepare students for college, careers, and citizenship in a global society.*
