Please remember all students may have a free breakfast at school. Adequate sleep patterns are extremely important during testing week. It is very difficult to make up these tests, so please assist your child on being at school each testing day and arriving on time. All of us want our students to be very successful as possible!

Registration/Annual Verification 2022-2023

New Student and returning student registration has begun online. If you are registering a new student, please bring your child's birth certificate, immunization records and proof of residence. Guardians must show court proof of guardianship or a notarized agreement. A child must be 5 years old by August 31, 2022 in order to be admitted into the kindergarten program.

UPCOMING EVENTS

T-BOLT ORIENTATION NIGHT

Thunderbolt's 7th Grade Orientation Night will be Thursday, May 5th from 6:00 to 7:15 pm. Students will be given a flyer about this event. Also, parents you are able to view our monthly newsletter on our website

<https://nautilus.lhusd.org>

Parents can check Synergy and look up weekly grades. Please see Mrs. DeMauro in the office for assistance.

NAUTILUS MARQUEE

For \$1 a day or \$5.00 for the week, a personal birthday message will be displayed on our marquee

Reduced/Free Meal Application –Online Applications

We encourage every LHUSD family to complete an application for Free or Reduced Price Meals. Not only does this help us identify families in need of assistance, it also allows the District to receive federal dollars for classroom programming. You can submit a meal application through the Titan Family Portal (<https://family.titank12.com>) for the current school year - without having to sign up for meal payments.

HEALTH NEWS

Dear Parents:

It is very important if your student is sick to keep them home from school. If anyone in the household has been tested for COVID, they need to stay home until you know the results. The nurse also needs to be informed of all illnesses. Your school Nurse is the main source of information for the Health Department for tracking COVID.

The School District's Policy on Covid is different from the CDC's recommendations. Please call me at 928-505-6062 for any questions. I will explain when your student can return and why.

My goal as the School Nurse is to keep ALL students safe and in school.

Thank You, Paula Struve, RN

Student Drop-Off and Pick-Up

The student drop-off and pick-up system at Nautilus is effective and safe when everyone follows the procedures!

The following are some "tips" to use the system more effectively!

Please drop off students at the green curb at ANY point where you have stopped. Do not wait to be at the front of the drop off line to drop them off.

Have students enter/exit the right side of the vehicle, if possible, as the left side is a driving lane.

Please pull into the left lane when students have exited or entered the vehicle, to allow others to move forward and drop off their students. When students are "dropped off" in the right lane, drivers may pull into the left lane and continue on their way.

Las Vegas schools call this set-up the "kiss and go lane"! Parents give their child a "kiss" as they leave the car each morning and then "go" on to their workday!

Park in the parking lot if your child needs help exiting the vehicle or you want to make sure they go into the building.

The following practices take away from the system's effectiveness – and even compromise safety!

- "Cutting/walking" across the kiss and go lanes or parking exit lanes to walk your child to the building, instead of using the supervised crosswalk.
 - Dropping students off in the "driving lanes" of the parking lot.
 - Dropping off/Picking up in the bus parking area.
 - Waiting to be "first" in the "green curb" line, and not dropping children off upon reaching the "green curb" sidewalk.
 - Remaining in the kiss and go lanes to watch a child enter the building.
 - Not pulling into the left lane when able to do so after dropping off students.
 - Early arrival and waiting in the pickup line for the end of the day dismissal.
- Please ask if you have any questions about the student drop-off and pick-up procedures! 505-6060.

Parents Right to Know Title I School-Wide Programs Parents' Right to Know Notice

Dear Parents or Guardians:

We are pleased to notify you that in accordance with the Elementary and Secondary Act (ESEA), as amended by the Every Student Succeeds Act (ESSA), you have the right to request information regarding the professional qualifications of your child's teacher. Specifically, you may request the following:

- Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under emergency or substitute status.
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If you would like to receive this information or have any questions, please contact your child's school principal.

Sincerely, Rebecca Stone, Superintendent
Lake Havasu Unified School District
Lake Havasu Unified School District will engage each student with a focus on scholarship, character, and humanity – so that all students may graduate with the academic and social skills necessary to become responsible citizens and contributing members of society.
