Stewart County School District Celebrates Continuous Improvement in Student Performance on 2024 Georgia Milestone Assessments

LUMPKIN, GA— The Stewart County School District is thrilled to announce remarkable gains in student performance on the 2024 Georgia Milestone Assessments, which highlight the district's commitment to academic excellence and continuous improvement.

In a significant achievement, the percentage of 3rd-grade students reading on grade level has soared by 23 percentage points, rising from 30% in 2023 to an impressive 53% in 2024. Additionally, the percentage of 3rd-grade students scoring proficient or higher on the English Language Arts (ELA) test has surged by 30 percentage points, moving from 0% in 2023 to 30% in 2024. These double-digit gains underscore the dedication and hard work of our students, teachers, and staff.

"We are extremely proud of our students and teachers for making these incredible gains," said Superintendent Dr. Michael H. Robinson. "Continuous improvement is evident, and we are looking to the days ahead as we continue to work together to ensure that all of our students reach their full potential."

While the district celebrates these impressive advancements in Reading and ELA, the math Georgia Milestones scores will be available for release later this fall. This delay is due to the recent update of the math assessments to align with the new K-12 Mathematics Standards, first implemented during the 2023-24 school year.

The Stewart County School District remains dedicated to providing high-quality education and fostering an environment where all students can thrive. As we look to the future, we will continue to prioritize student achievement and strive for excellence in all areas of education.

About Stewart County School District - Stewart County School District is an equal opportunity employer committed to inclusion and diversity. We take affirmative action to ensure equal opportunity for all applicants, regardless of race, color, religion, sex, sexual orientation, gender identity, national origin, disability, Veteran status, or other legally protected characteristics.
