ATLAS 3-10 SUMMATIVE ASSESSMENT

Arkansas law requires that all public-school students shall participate in a statewide program of educational assessments per Ark. Code Ann. §§ 6-15-419, 6-15-433, 6-15-2009. The Pine Bluff School District will administer the **ATLAS 3-10 Summative** to assess students in **grades 3-8** in the content areas of **English Language Arts (ELA), Mathematics, and Science**. Students will take end-of-year exams for ELA in **grades 9 and 10** and end-of-course exams for **Algebra I, Geometry, and Biology**. Algebra I may be taken in eighth grade and replace the eighth grade Mathematics assessment if a student is enrolled in Algebra I at that time. All students will be required to participate in ATLAS 3-10 Summative unless they qualify for the alternate assessment.
