SEASIDE LIBRARY

Our theme this summer is "Reading Colors Your World" and we are planning to have four in-person teen Tuesdays! The dates will be June 22, June 29, July 6, and July 13th, starting at 2:30 at the library. We will have a Bob Ross Painting day, Giant Games day, Craft day, and a Cake-in-a-Jar Making day. We are limiting these events to five teens, so please call the library at (503) 738-6742 or email mrose@cityofseaside.us to sign up.

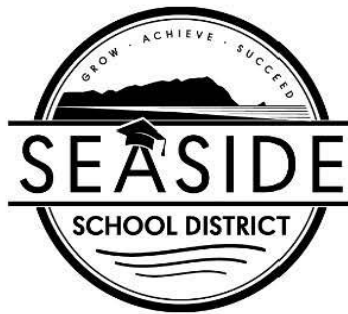

All that is required for teens to participate in our summer reading program is to fill out and return a raffle ticket for each book they read. There will be a drawing for prizes each month. Teens can fill out as many raffle tickets as they want, but the book must be read during the summer. They can start picking up raffle tickets on Tuesday, June 1st, and our kick-off event is Saturday, June 12th. Teens can get a free book to start and free books will be available to teens while supplies last. Each time you turn in a reading log your name goes into our monthly drawing for prizes! Prizes include a lava lamp, Bluetooth mini speaker, and CASH!

We will also have free Take-and-Make craft kits during the summer while supplies last, and a monthly book club for teens.

Visit <https://seasidelibrary.org/teens> for more information about our upcoming summer events!

Dear Seaside School District Families,

In response to the pandemic and a year of online learning, the Oregon Department of Education has allocated funding for Summer Programs for students who will be *entering* grades 1-12 in Fall of 2021. As a result, **Seaside School District will offer a variety of Summer School opportunities and Summer Camps in August, with transportation and sack lunches included.**

Pre-registration for programs will be prioritized for students most needing to make up graduation credits (Grades 10, 11, & 12) and unfinished learning (Grades 1 through 9); remaining slots will then be made available to all students. High School students who need to make up credits towards graduation will be eligible for programs focusing on Credit Recovery, tutoring, or Summer School credit opportunities. For elementary students, fifty of the slots for summer camp will also qualify for wraparound childcare services through the Sunset Empire Parks and Recreation District during summer sessions.

Parents whose students are prioritized for these programs based on data gathered this spring will be contacted for registration first. Our aim is to serve as many students as possible. After May 17, 2021, any remaining registration slots will be opened to all other students.

You may also see a Bookmobile cruising through your neighborhood once a week this summer. The Bookmobile, curated by our Seaside District Library staff, will deliver free books once a week to drop off spots in Cannon Beach, Seaside, Gearhart, and Cullaby Lake. More information on days, times, and locations will be announced in June.

For more information or questions, please contact [Cate Blakesley](mailto:cblakesley@seasidek12.org) at Pacific Ridge Elementary School 503-738-5161 or via email at cblakesley@seasidek12.org.

Affectionately,

Cate Blakesley

WE VALUE YOUR OPINION!

The Oregon Department of Education (ODE) will soon be asking families living in Seaside School District with children receiving special education services to respond to the Family Involvement Survey.

If your family is selected, we ask that you take a few minutes to complete and return the survey in the self-addressed, stamped envelope or complete the online version by going to the stated web address.

You are an important member of our team. Your participation in this survey will help us plan improvements in our special education system.

If you have questions regarding the survey, please contact Brad Lenhardt at brad.lenhardt@state.or.us or at 503-947-0607.
