Instructions: Provide a detailed account of how your school is using State and Local funds. The total amount of money should be accounted for completely.

Foundation Program (State and Local Funds)	\$2,155,427.00
---	-----------------------

The funds from the foundation program will be used to pay salaries and benefits for the applicable teaching units in the amount of \$1,967,381. Teachers will use the Instructional Funds to purchase supplies for their classrooms needs in order to teach to the highest standards possible. The Technology Funds will be used to purchase interactive panels for classroom, laptops for mobile computer labs, desktop units for classroom use, and other technology supplies. The Library Enhancement funds will be used to purchase the library automation system and Accelerated Reader incentives for the students. The Professional Development funds will be used to pay registration fees and other expenses for personnel to attend CLAS, MEGA, a counselor's conference, and an assistant principal's conference. The Textbook Funds will be use to purchase the new Math curriculum.

Instructions:

- 1) Enter the dollar amount received for your Title I Allocation.
- 2) Enter the dollar amount received for your Parent and Family Engagement Title I Allocation.

Title I, Part A (General and Parent and Family Engagement)	
	Amount Allocated
Title I Allocation	\$221,948.49
Title I Parent and Family Engagement Allocation	\$2,211.56
TOTAL - Title I, Part A Allocation	\$224,160.05

Instructions: Enter the dollar amounts for expenditures that are planned with your Title I Allocation. The REMAINING ALLOCATION row should be blank. If there is a remaining balance, please allocate those funds. For expenditures that do not align with any category, please use the last row - "Other Items Not Included Above". **It is acceptable to have some blanks as long as the total allocation is allocated.**
