W.D. Robbins Elementary School

The W.D. Robbins Elementary School, and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Every Student Succeeds Act of 2015 (ESSA) (participating children), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

This school-parent compact is in effect during school year 2023-2024

School Responsibilities

W.D. Robbins Elementary School will:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards as follows:

W.D. Robbins Elementary School offers a high-quality curriculum taught by highly qualified faculty and staff. We do this with a well-equipped, supportive faculty that provides an effective learning environment with minimal disruptions and distractions. All teachers are trained through staff development that enables them to instruct students at various levels and in a variety of ways to meet academic challenges.

2. Hold parent-teacher conferences (at least annually in elementary schools) during which this compact will be discussed as it relates to the individual child's achievement. Specifically, those conferences will be held:

All initial parent-teacher conferences will be held before December 17, 2023. At these conferences teachers will discuss iReady Reading, HMH Math Growth Measure, Literacy Screener, and ACAP results with parents.

3. Provide parents with frequent reports on their children's progress. Specifically, the school will provide reports as follows:

Each quarter parents will receive monthly Wednesday progress folders that are sent home school-wide containing updated progress reports and other important information. In addition, many teachers send home weekly or even daily reports to parents. Parents may also check their child's grades in Schoology at any time to view their child's progress.

4. Provide parents reasonable access to staff. Specifically, staff will be available for consultation with parents as follows:

Our staff will be available for conferencing during teacher planning times each day. Teachers sometimes hold conferences before or after school to accommodate parent work schedules.

5. Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities, as follows:

Parents are encouraged to volunteer their time in individual classrooms upon administrative approval. Appointments may be made to observe classroom activities. We welcome parent participation through chaperoning field trips, attending academic family nights, quarterly honors programs, grade level parent meetings, and serving on committees such as the Parent Advisory Council and ACIP Committee.

6. Ensure regular two-way, meaningful communication between family members and school staff, and, to the extent practicable, in a language that family members can understand.

The school staff will communicate with family member regularly through monthly parent newsletters, school messenger, classroom weekly newsletters, etc. The school has access to TRANSACT for ESL families. The English Language division's Bilingual/Migrant Parent Specialist will provide additional assistance and support to migrant and English Language Learners when applicable.
