# CAROLYN HUMMEL

Carolyn Ruth (Hoffman) Hummel was born June 23, 1945 to Vernon and Herma Hoffman. Carolyn went to Danube Public Schools, graduating in 1963 and went on to attend the University of Minnesota, graduating with a degree in Physical Education and Health in 1970. During her college years, she participated in volleyball, basketball, and track and field. Carolyn remembered that "our professors were preparing us for girls' athletics." They thought it may become a reality in the mid 70's.

In the fall of 1970, Carolyn moved to Lakefield to begin her teaching career. In 1972, she was united in marriage to Ron Hummel. They made their home in Lakefield and had three children: Michelle, Angela, and Jon. All three were accomplished athletes in high school and college.

When Carolyn moved to Lakefield, female athletes participated in GAA activities, but not competitively. Carolyn started the process of competitive games against neighboring districts in 1972-1973. Female sports were a reality! The Panthers, Silver Bullets, and Huskies reaped the rewards of her knowledge, skill, and drive. Her teams were always fundamentally sound and consistent. Coach Hummel implemented the successful Junior Olympic Volleyball program. Her team and personal recognitions are far too many to write, but are a part of public record. In 2004, Carolyn was inducted into the Minnesota Volleyball Coaches Association, and in 2012 was inducted into the Minnesota State High School Coaches Association Hall of Fame. She retired from her prestigious career after 31 years, coaching from 1974-2004 with a record of 555-182-13.

Carolyn had a passion for volleyball that she instilled in her players and coaches. Although she didn't focus on statistics and personal accomplishments, there were many! Carolyn didn't just coach, she taught and role modeled to her players the value of having respect for yourself and others on and off the court. She always called her players "young ladies." She made sure they were classy individuals. Carolyn was so respected that her players modeled and learned what it meant to be good citizens. She taught them how to take pride in themselves and that hard work pays off! She touched and help mold so many young girls in positive ways to be successful women.

Coach Hummel left a lasting legacy and imprint for the "love of volleyball" to fellow coaches and players! We continue the tradition she started. Blessed be her memory!
