

Mentoring Program

Southwire offers a Mentoring Program at **12 for Life** that provides students with a support system throughout the school year. **12 for Life** mentors assist students with goal setting, improving basic life skills, and academic support. This is a voluntary program for all involved and will be conducted at the 12 for Life facility.

The following survey will be used to match you to a mentor.

1. My fav interest is... Circle your favorite.
 - Music | Social Media | Art | Fitness | Outdoors
2. Which of the following is your fav school subject? Circle your favorite/s.
 - Math | ELA | Science | History | Physical Ed.
3. If money and time were not obstacles...What would be your ultimate goal? Circle your favorite.
 - Travel the world | Pursue a dream career | Start a business | Help others | Master a new skill/hobby
4. What would you like to achieve with your mentoring experience? Circle your favorite.
 - Connection | Create a plan for my career or education | Build better decision-making skills | Gain confidence and believe in myself | Get advice on handling tough situations
