- Large public events may be postponed.
- Visitors/volunteers may be restricted.
- Field Trips may be suspended.
- Deep clean the entire school.
- Masks are required on buses (EO 2021-585)

Ballard County Schools is committed to the safety of our students. Vaccinations for those eligible are encouraged. Community transmission numbers will be monitored to gauge the status of spread within our community. The district will announce on its webpage and social media when we change from one Level to another; until the school has publicized a change, families should not assume we have changed levels. – Revised 9/21/21
