Dr. Veronica Sanders Honored by National FFA Organization

HOUSTON COUNTY, GA – Dr. Veronica Sanders, Agriculture teacher at Warner Robins High School, was recently selected to receive the Honorary American FFA Degree.

This award is given to those who advance agricultural education and FFA through outstanding personal commitment. The National FFA Organization works to enhance the lives of youth through agricultural education. Without the efforts of highly dedicated individuals, thousands of young people would not be able to achieve the success that, in turn, contributes directly to the overall well-being of the nation.

The Honorary American FFA Degree is an opportunity to recognize those who have gone beyond valuable daily contributions to make an extraordinary long-term difference in the lives of students, inspiring confidence in a new generation of agriculturists. Members of the National FFA Organization’s board of directors approved the nomination.

Dr. Sanders received a plaque and medal during the 96th National FFA Convention & Expo in Indianapolis in early November.

Warner Robins High School is located at 401 South Davis Drive in Warner Robins. Mr. Chris McCook serves as principal. For more information about the school, visit <https://wrhs.hcbe.net/>.
