Contract for Texline ISD Transfer Students

Students who transfer to Texline ISD while residing in another school district are subject to certain conditions. Inter-district transfers are a privilege granted by the receiving district, and not a right of students living outside of the district. Texline ISD retains the right to accept or reject any and all transfer applications, based on an individual evaluation of —

- Grades
- State achievement test scores
- Attendance
- Discipline infractions
- Potential adverse effect of the transfer on the ethnic make-up of the district
- Potential adverse effect of the transfer on the financial well-being of the district

Student transfers may be revoked during the school year should any of the following situations occur —

- Attendance falls below 92% during any semester (barring extenuating circumstances)
- Student has chronic zeros and/or failing grades in any class
- Chronic minor violations of the Student Code of Conduct
- Any major violation of the Student Code of Conduct
- Repeated dress code violations
- Any gang related activity
- Other behaviors, which results in hindering the learning of other students

Should any of these behaviors occur, our attendance committee of teachers and the principal or designee will convene to determine the future status of the student’s transfer. If the transfer is revoked, the parent, and the district of the student’s residence will be notified, and the student will be re-enrolled in the home district or another district of the parent/guardian’s choice immediately. If the student and/or parent disagree with the decision of the committee, a hearing before the superintendent may be requested. All hearing requests will be submitted in writing to the superintendent’s office, and the superintendent will have 10 days to schedule a hearing. The student will be allowed to remain a part of Texline ISD until such time as a decision is rendered on the hearing. The decision of the superintendent is binding and may not be appealed to the Texline Board of Trustees.

I, _____, parent/guardian of _____ accept the conditions of this contract.
