What is a School-Parent Compact?

Temple Middle School, and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Every Student Succeeds Act (ESSA) participating children, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

Jointly Developed

The parents, students, and staff partnered to develop this school parent compact for achievement. In our annual leadership team meeting to develop our school improvement plan, a parent representative provided input. All parents are invited to revision meetings held in the spring and beginning of the school year to review the compact and make suggestions based on student needs and school improvement goals.
