## A Note To You

Hello Families,  
This will be our last newsletter of the year!  
You will find a detailed page of next week's events in folders today. Please take note of what your child will be doing and what they will need next week for each event. If you have any questions, please reach out ☺  
I hope to see you next Friday at 12:15 for second grade awards and send off!  
Mrs. Summerfield

## This Week's Agenda

- ❖ Read and write together!
- ❖ Read and solve word problems to add and subtract
- ❖ Practice spelling patterns.
- ❖ Read OUT LOUD to improve reading fluency.
- ❖ Collect data from family members and create graphs – circle graphs, line graphs, bar graphs.

## Practice At Home

**Spelling:** We are REVIEWING!

As second grade comes to a close, your kiddo should be proficient in spelling vowel teams, common prefixes and suffixes, words with schwa, and putting all those things together to spell words with multiple syllables.

**Reading/Social Studies:** We will learn about other cultures around the world and compare those cultures to our own cultures.

**Math:** We are taking what we've learned so far in math and putting it together to plan a trip to the beach with a friend ☺

**Science:** We will continue discussing landforms, what they are made of, and how they change over time.
