## WHAT'S HAPPENING

*Home of the Diamond Mine*

Greetings Parents and Community Members:

The GTC Diamond Family is continuously providing students abundant career technical opportunities. Students have various opportunities to complete hands-on tasks that will be very beneficial in future endeavors. Many students have started to join organizations and gaining a better understanding of the program requirements and processes. It is indeed a great year to be a Diamond. Great things are always happening in the Diamond Mine.

Educationally Yours,

*Dr. Kandice K. Jernigan, CTE Director*
