

Hello Eagle Family!

My name is Hunter Byrd and I am so excited to begin the school year in Horn Lake here at the Intermediate School! I will be the General Music teacher here at HLIS and have the pleasure of teaching students how to read and perform music! I have recently moved from Memphis, TN and will begin my second year teaching here in Horn Lake. I graduated from the University of Memphis with my Bachelors in Music Education and I am really excited to pass along my passion for music to all of the students I meet this year!

During my time at the University of Memphis I had the opportunity to perform in the U of M Wind Ensemble, Symphony Orchestra, and the Mighty Sound of the South. I also taught many private music lessons throughout my time in undergrad where I got to work with students one-on-one to help them grow in their musical abilities. I am very passionate about helping students reach their highest level of achievement in music and education in general.

In my free time I love to read, sing, color, and travel with my husband Conner Byrd who is a band director here at Horn Lake Middle School. I am looking forward to performing music with all of the students here at HLIS this year! My contact information is listed below; please feel free to reach out anytime with questions, concerns, or if you want to get involved with the General Music class this year! We are going to have a wonderful school year!
Go Eagles!
