

Miss Martin's COUNSELOR

FOR the MONTH OF
AUGUST

NEWS

WELCOME

Welcome to a new year! I am excited to start the new year with those that I have bonded with last year and the new faces I have the pleasure to greet each morning.

This is my second year at Starline as the school counselor. I spend my time checking in with students during lunch, visit classrooms, facilitate Toolbox lessons, small groups, and individual sessions. My goal is simple: For children to thrive at school by feeling safe, comfortable and ultimately enjoying themselves here at Starline.

MY ROLE

I want your children to succeed academically but I also want to see them: smile, laugh, build relationships, learn to socialize with their peers, have self-esteem and courage to do the right thing. I want you as parents to witness tremendous growth that happens.

Sometimes, you might find me in the halls tying shoes, on the playground playing/talking with the students, in the classroom assisting with their work, making sure a student gets breakfast even though they're late, or simply listening to these 600+ hearts that have so much they want you to hear.

Dates to Remember: August 6, 2022, Back to School Health Fair 8am to 12pm Aquatic Center
