

REQUEST FOR PROPOSAL

Accessible Playground Equipment

Furlow Charter School is soliciting proposals for design, supply, and installation of accessible playground equipment that meets the needs of children of all abilities. Our goal is to create an inclusive playground environment that promotes physical activity, social interaction, and developmental play for all children.

SCOPE OF WORK

The selected vendor will be responsible for:

- **Equipment Supply:** Provide high-quality, durable playground equipment that is compliant with all safety standards;
 - Specifically looking for a wheelchair accessible swing and an accessible spinner (see sample pictures below)
- **Installation:** Complete the installation of the equipment, ensuring all safety regulations and guidelines are followed.
 - This should include options for ground cover mulch that is ADA compliant
 - Removal of the playground structure that is in the location currently
 - Installation of new equipment
