

# How To Apply for Free and Reduced Price School Meals

Please use these instructions to help you fill out the application for free and reduced price school meals. You only need to submit one application per household, **even if your children attend more than one school in the Geneva City School District.**

The application must be filled out completely to determine the eligibility of your child(ren) for free or reduced price school meals. Please follow these instructions in order! Each step of the instructions is the same as the steps on your application. If at any time you are not sure what to do next, please contact Teresa Kunkle, GHS/GMS, at 334.684.9451; Krystal Seay, JAMES, at 334.684.9864.

**Please use a pen (not a pencil) when filling out the application and do your best to print clearly.**

## Step 1: List ALL children, infants, and students up to and including grade 12

Tell us how many infants/toddlers, children not in school, and elementary/middle/high school students live in your household. They do NOT have to be related to you to be a part of your household.

**Who should I list here?** When filling out this section, please include ALL members in your household who are:

- Children age 18 or under AND are supported with the household's income;
- In your care under a formal foster arrangement through a court or state/local agency, or qualify as homeless, migrant, or runaway youth;
- Students attending (regardless of age) Geneva City Schools.

**A) List each child's name.** Print each child's name. Use one line of the application for each child. When printing names, write one letter in each box. Stop if you run out of space. If there are more children present than lines on the application, attach a second piece of paper (or a second application if completing electronically) with all required information for the additional children. This also applies to adults in Step 3. "MI" is short for middle initial. Print the first letter of each child's middle name in the box.

**B) Is the child a student?** If "Yes," write the grade level of the student in the "Grade" column to the right.

**C) Do you have any foster children?** If any children listed are foster children, mark the "Foster Child" box next to the child's name. If you are **ONLY** applying for foster children, after finishing **Step 1**, go to **Step 4**.

Foster children who live with you may count as members of your household and should be listed on your application. If you are applying for both foster and non-foster children, go to Step 3. Note: Adopted children are not considered foster children. A foster child is a minor child who has been taken into state custody and placed with a state-licensed adult, who cares for the child in place of their parent or guardian.

**D) Are any children homeless, migrant, or runaway?** If you believe any child listed in this section meets this description, mark the "Homeless, Migrant, Runaway" box next to the child's name and complete all steps of the application. Homeless, Migrant, Runaway status must be confirmed with the appropriate program staff. If the school district cannot confirm your student's homeless, migrant, or runaway status, then the school district will contact you to complete an income-based application. You may choose to provide income information now in order to prevent the school district from potentially needing to contact you later.

## Step 2: Do any household members currently participate in SNAP, TANF, or FDPIR?

If anyone in your household (including you) currently participates in one or more of the assistance programs listed below, your children are eligible for free school meals:

- The Supplemental Nutrition Assistance Program (SNAP) or Alabama SNAP.
- Temporary Assistance for Needy Families (TANF) or Alabama TANF.
- The Food Distribution Program on Indian Reservations (FDPIR).

**A) If no one in your household participates in any of the above listed programs:**

- Check "No" in **Step 2** and go to **Step 3**.

**B) If anyone in your household participates in any of the above listed programs:**

- Write a case number for SNAP, TANF, or FDPIR. You only need to provide one case number. If you participate in one of these programs and do not know your case number, contact: Geneva County DHR at 334.684.5800.
- Go to **Step 4**.

## Step 3: List ALL household members and income for each member

**How do I report my income?**

- Use the lists titled "**Sources of Income**" & "**Examples of Income for Children**," on the back side of the application form to determine if your household has income to report.
- Report all amounts in GROSS INCOME ONLY. Report all income in whole dollars. Do not include cents.
  - Gross income is the total income received **before** taxes and deductions.
  - Many people think of income as the amount they "take home" and not the total, "gross" amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.
- Write a "0" in any fields where there is no income to report. Any income fields left empty or blank will also be counted as a zero. If you write "0" or leave any fields blank, you are certifying (promising) that there is no income to report. If local officials suspect that your household income was reported incorrectly, your application will be investigated.
- Mark how often each type of income is received using the check boxes to the right of each field.

### 3.A. Report income earned by adults

**Who should I list here?**

- When filling out this section, please include ALL adult members in your household who are living with you and share income and expenses, even if they are not related and even if they do not receive income of their own.
- **Do NOT Include:**
  - People who live with you but are not supported by your household's income AND do not contribute income to your household.
  - Infants, children and students already listed in **Step 1**.
