

ODEM ELEMENTARY SCHOOL

***Where the Future Begins!
Second Six Weeks
2021-2022***

Administrator's Corner:

It's hard to believe that the 2nd. Six weeks is over and that we are now at the beginning of the 3rd. Six weeks. Our students are learning and discovering new things every day with the commitment and guidance of their teachers. School and classroom routines and procedures have been established. Student expectations have been set to ensure an ongoing successful academic year of hands-on meaningful learning, rigor and relevance with connections made to real world experiences.

Your partners in education,
Mrs. Esmeralda Martinez & Mrs. Dora J. Sturgeon

- Dec. 7th.-Second Grade Music Performance
- Dec. 13th.-17th.-Canned Food Drive

Gobble 'til you Wobble-Walk!

On November 19, 2021, Odem Elementary students will participate in a walk during their PE class time. Students will walk around the parking lot next to the tennis courts. Parents are welcome to come watch their student during this outdoor activity. There will be a sign in sheet for parents to sign in under the pavilion and will need to park in the Intermediate parking lot.

Attendance at school is very important. When students arrive late or are picked up before dismissal, teaching and learning are disrupted. Please make every effort to have your child in school each day!

STUDENT SPOTLIGHT

Katia Serda
Pre-K
Miss Cook

Katia has exhibited exceptional behavior in her Pre-K class.

Serenity Martin
Kinder
Mrs. Seward

Serenity loves to learn, she always has a smile. She works hard and helps others without being asked.

Aysia Barrera
First Grade
Miss Sanchez

Aysia works hard every day in class. She is also always wanting to help her fellow classmates whenever she can. She is kind and sweet to all her classmates as well as her teacher. She is always participating in class-room activities and discussions. She always comes to class ready to learn something new.

Julius Luna
Second Grade
Mrs. Gomez

Julius Luna comes to school ready to learn every day. He is also very kind and helpful to his classmates. He participates in all class-room activities and is ready to answer any questions.

The Fresh Fruit & Vegetable Program is a partnership that introduces school children to a variety of produce that they otherwise might not have the opportunity to sample. Students at Odem Elementary are provided with selected fruits and vegetables on Tuesday and Thursday afternoons. Classroom teachers contribute to the Fresh Fruit & Vegetable program by incorporating the nutritional education component based on the fruit or vegetable students are sampling. Some of the exciting fruits and vegetables offered for the month of October include individually wrapped cantaloupe chunks, sweet potato chunks, green bell pepper, baby carrots, honey crisp apples and blood oranges.
