## ANNOUNCEMENTS

**SCHOLARSHIP:** Charles S. Trzcinski was an outstanding Physics teacher and coach at Midland High School from 1972 - 1997. He was an inspirational teacher, coach, and leader who promoted the "Chemic Pride" motto. "Trz" passed away in 1997 at the age of 48 after a very short battle with cancer. During his 25 years at Midland High School, Trz emphasized to his students and athletes the importance of participation, teamwork, hard work, respect for others and the challenging of one's self.

There is a \$1,000 scholarship awarded in his name each year to a graduating senior who exemplifies the attitude and work ethic emphasized by Mr. Trzcinski. Financial need is not a consideration and preference may be given to a student who meets all criteria and has lost a parent. The nomination form link is on the MHS Newsletter and paper copies can be found in the Main Office. Applications are due by Friday, April 25th.

**GREEN CLUB:** Hello Chemics!! Next week is blue goes green week! Green Club is hosting events all next week and we need your help, we need recycled materials from Chemics! This Thursday we will have bins in the eyeball for you guys to give, old t-shirts, plastic bags, and any other reusable plastic!

**PARKING:**

Attention Students:

We've had ongoing issues with students sharing parking spots. Please be reminded that parking spots are assigned to individual students only-one student, one spot.

Sharing spots creates problems, especially when both students are on campus and one ends up parking in someone else's assigned space. This leads to confusion and complaints we're working to avoid.

If you're currently sharing a spot with someone, stop immediately. Continued violations may result in parking privileges being revoked. Thank you for your cooperation.

**POSITIVE THINKING**

Happiness

Happiness isn't something that happens to you; it's a state of being. It's a choice you make every day. Work through the hard stuff and focus on the good stuff.

**IN SPORTS ACTIVITIES**
