Re: 2024 IRS Mileage Rate

The IRS Mileage Reimbursement Rate for the year 2024 (effective January 1, 2024) will increase to 67¢ per mile. There will be a two-month window in which Skyward will reflect both the 2023 & 2024 rates. You will need to select the correct mileage option when completing your expense reimbursement. **Use the MILE2024 code when entering mileage for the 2024 year. Use the MILE2023 code when entering mileage for the 2023 year.**

You must enter and submit all 2023 mileage requests prior to March 1, 2024 in order to receive reimbursements for travel through December 31, 2023.
