# FOREWORD

With this school year coming to a close, we pause to look back on the friends we have made and the happiness we have shared. This year has been one filled with many experiences which we will never forget. The joys, the disappointments, the fun and the hard work . . . these are all a part of our memories of this past year together. Because these events have been so meaningful, we have tried to preserve them by creating this 1966 Bunavola. May you feel as sentimental towards this, your yearbook, as you do in recalling old memories at B.H.S.

That quick  
interested  
youth of  
winning fir  
ment to m  
Oratorical  
of the side  
These qual  
And to you

That quick smile that shows pride in his faculty and student body . . . the sincere look that tells you he's really interested in YOU . . . a life which is a constant example of a Christian gentleman . . . a sincere concern for the youth of the community . . . a devotion to duty that through the years has been largely responsible for Bunkie's winning first place at Central Louisiana Literary rally four years in succession . . . the moral support and encouragement to individual students that have helped them win first place in the state in such contests as the American Legion Oratorical Contest, the National Council of Teachers of English Award, and various essay contests . . . the pacing of the sidelines during athletic contests, giving encouragement to coaches and players alike . . .

These qualities are representative of you

PRINCIPAL CURRY L. COUVILLION

And to you - with love and genuine respect - we dedicate the 1966 BUNAVOLA.

For I may misunderstand you and the  
high advice you give,  
But there's no misunderstanding  
how you act and how you live.

## PRINCIPAL'S MESSAGE

Bunkie High School Students,

Your teachers, parents and the patrons of this school join me in commending you for the very fine efforts you are making toward preparing yourselves for college and life's work. Your academic accomplishments and the spirit of citizenship you have displayed have been so apparent that your school enjoys the enthusiastic support and confidence necessary in making any institution a real asset to its community. We feel that the students following you will be proud of your accomplishments and will have to strive to maintain those high standards.

Again, congratulations and best wishes.

Elected on the basis of popular vote, the Student Council of Bunkie High has done well this year in carrying out its plans to better the school as a whole. Beginning its work on the very first day, the organization made name tags for each student in order to have them become better acquainted with each other.

Other activities of this elected body were to arrange the assemblies, collect for needy families, conduct elections, and to welcome students attending Career Day.

Under the guidance of Mr. Malcom Bordelon, advisor, the Student Council has certainly carried out its program successfully. The purpose of the organization is to further the best interests of school activities, to promote good citizenship, to advise the administration as to the wishes of the student body, to better relations between students and faculty and to charter new clubs.

# PELICAN STATE

The experiences of these five delegates, who attended the 1965 session of Pelican Boys' and Girls' State, have been described as being inspiring and unforgettable. This marvelous program, from which they benefited greatly, is sponsored annually by the American Legion and the American Legion Auxiliary. Its purpose is to inform the youth of his duties as an American citizen, and to deepen his appreciation of his great American heritage. These students are selected on the basis of character, leadership, and intelligence.

# QUILL AND SCROLL

Quill and Scroll is an international honorary society for high school journalists. Each member must rank in the upper third of his class, must be a Junior or Senior, and must have done outstanding work in some field of journalism.

Being organized at the beginning of this school year by Mrs. Don Wilkins, advisor, this club is new at Bunkie High School. Quill and Scroll recognizes those students worthy of its membership, and is the only club here at B. H. S. connected with a national society.

This organization is composed of dedicated young men and is under the leadership of Mr. B. G. St. Romain. Not only does the F. F. A. strive to produce better farmers in the field of agriculture, but it also stresses good citizenship and wholesome character. These boys have also assisted other organizations in their various projects and have been a big help to B. H. S. as a whole.

# CONCERT BAND

Wearing bright red and white uniforms, the 60 member Bunkie Hi Marching Band gave top performances at every one of the home football games this year. Marching maneuvers and well-executed shows were also presented at various out-of-town games. And of course the band was present to add to the spirit of all the Thursday afternoon pep rallies. The band also marched in numerous parades throughout the year.

Directed by Mr. Julius Guillot, the 48 member Concert Band presented its annual program on April 26. The Avoyelles Parish Solo and Band Festivals were also attended by members of the Bunkie Band.

The Bunkie High School Chorus, under the direction of Mr. Julius Guillot, has a membership of 76 students. Not only did this group provide entertainment for various school assemblies, but also it carried its popularity to higher levels. The chorus as a whole participated in the Avoyelles Parish Song Festival. Various members represented the school in the Central La. and State Rallies. The chorus also participated in the annual band concert, presented on April 26.

# BOOSTERS

Cheering our boys to victory, the energetic Booster Squad has put forth tremendous spirit and support during the past year. Besides participating in half-time shows and boosting the football team, the group has performed many other activities. The Homecoming Dance and the Red and White Formal, sponsored by the Boosters, were enjoyed by all who attended. This can certainly be praised as a worthwhile organization and one very beneficial to the school.

FRIDAY

# Marksville Lost Air Offense Catskin In 20-6 Defeat

A determined gang of sophomores, led by a handful of juniors and seniors, brought the Catskin back to Bunkie Friday night. Under the leadership of Bunkie High School contained Marksville's passing whiz, quarterback Dan Couvillon, and generated a potent offense of its own to shake the Tigers, 20-6, for the first time since 1961.

With the Panther Stadium victory went the Avoyelles Parish Football championship, a slight chance at a state playoff berth and the Catskin, symbol of victory between the two squads.

While a wicked Bunkie run-slippy-fingered receivers and a muddy turf spelled doom for Couvillon, Bunkie's Dan Dupree

# Panthers Need No Wildcat Warning

Bunkie High School doesn't have to be warned about its game with Cottonport Friday at 7:30 p.m. on the Wildcat field. The Panthers have already been bit-

Cottonport's Class B aggregation opened the 1965 season by locking everybody in the Marksville stands to win the Avoyelles Parish Jamboree crown. Cottonport used a 6-0 score to nip Bunkie and Marksville in the "practice" game, then entered the regular season and proved wasn't a luke.

Bunkie in the Jamboree Panthers have improved a hundred fold since that first victory in September. Coach Frank Foreman's sophomore-laden outfit has a 2-2-1 record and except for a loss to Menard, 33-0, has been impressive all year.

Cottonport roared into Panther Stadium last year and showed that the Panthers can win quickly. The Cats saw their game winning streak smashed in 1964, and never could get another going.
