

HOMework POLICY

Most of the homework that you will have will be classwork that was not completed. I do not give an excessive amount of homework. If you seem to have an abundance amount of homework, you may not be spending your time wisely in class. Homework will be checked for completion at the beginning of class the next day.

LATE WORK

- Assignments turned in late will lose **10% per day**.
- Work more than **5 days late** may not be accepted unless there's a valid excuse.
- Communicate early if you're having trouble!

ABSENCES AND MAKEUP WORK

- If you're absent, it's your responsibility to ask for missed work.
- You'll have **THREE** days to make up missed work.
- Make-up work that is not turned in will be counted as a zero.
- Check the class folder or online platform for resources.

EXTRA HELP

- I'm available for extra help before/after school or by appointment.
- Email or message me if you need help — don't wait until the last minute.

CHEATING, PLAGIARISM, AND COPYING WORK WILL RESULT IN A ZERO AND A PARENT/GUARDIAN CONTACT.

AN AVERAGE DAY IN MY CLASS

- Bell Ringer and Homework Check (5-8 Min)
- Review Homework (5-8 Min)
- Direct Instruction (25-35 Min)
- Independent Work (10-14 Min)

SUPPLY LIST

- TI-30XIIS Scientific Calculator
- Composition Notebook
- 3 Ring Binder (Can be shared with other classes)
- Notebook Paper

WISH LIST

- Paper Towels
- Kleenex
- Germ-X
- Disinfectant Wipes
- Small Individually Wrapped Candy

GRADING POLICY

I will follow the ACBOE math grading criteria. Your math grade will be determined in the following way.

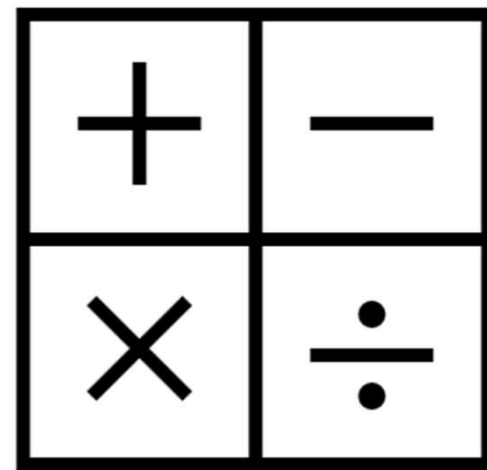

Assessments	Grade (%)
Major Grades	65
Minor Grades	35

**BE STRONGER
THAN YOUR
EXCUSES**

WELCOME to

6th Grade

MATH

GOAL: To apply ratio reasoning, divide fractions, use negative numbers, write expressions, and analyze data in alignment with Alabama's 6th-grade math standards.

MEET THE TEACHER

Hello! My name is Coach Caton, and I am excited to be your 6th-grade math teacher. I have been teaching for 5 years. I strive to create a fun and welcoming environment where students want to learn. If I am not in the classroom, I am spending time with my dogs, watching my nephews play sports, or coaching here at MMS.

FAVORITES

- **Subject:** Math
- **Hobby:** Crafting or hunting
- **Food:** Taco Bell
- **Color:** Blue
- **Flower:** Sunflowers
- **Movie:** Frozen
- **Music:** Country
- **Sport:** Softball
- **Season:** Fall
- **Vacation Spot:** Mountains

GIVE
YOUR BEST
EFFORT!

COURSE OVERVIEW

Students will be taught using the Alabama Course of Study.

We will explore the following units for this academic year:

- Numerical Expressions and Factors
- Fractions and Decimals
- Ratios and Rates
- Percents
- Algebraic Expressions and Properties
- Equations
- Area, Surface Area, and Volume
- Integers, Number Lines, and the Coordinate Plane
- Statistical Measures
- Data Displays

Multiplication Facts

It is extremely imperative for sixth grade students to know their multiplication facts. Parents, PLEASE help your child learn his/her multiplication facts if they do not already know them. This will help with other sixth grade math skills.

CLASS RULES AND EXPECTATIONS

- Complete all assignments in a timely manner.
- Give your best effort everyday! It is okay to not know, it is not okay to not try!
- Bring all materials to class everyday!
- Pay attention and stay on task.
- Ask questions when you do not understand.

DISCIPLINE PLAN

- I will follow the ACBOE policy for discipline.
- The steps for this plan are:

Step 1	Warning
Step 2	Break Detention
Step 3	Parental Contact
Step 4	Parent-Teacher-Admin Conference
Step 5	Office Referral

- Serious behavioral offenses will result in an automatic office referral.

PARENTSQUARE

I will be using ParentSquare to communicate and send out any important information. Please keep a check on the calendar on there as well.
