

Prattville High School
2025 Commencement Agreement

In order to make graduation a special celebration of the completion of requirements of my high school diploma and of my success as a student at Prattville High School, I understand that I am expected to conduct myself throughout the ceremony with dignity and decorum. I also understand that the following is expected of me.

1. I will attend graduation rehearsal on Thursday May 22, 9:00 AM, at Stanley-Jensen Stadium. I know that I will not be allowed to march at the graduation if I fail to attend the rehearsal. The graduation ceremony is at 7:00 PM and I must arrive by 5:30 PM.
2. I will bring only my graduation robe, cap, honor cords, and appropriate clothing into the stadium. I will not have messages or decorations on top of my cap. I will not bring noisemakers, silly string, water guns, beach balls, toilet paper, or any other such items into the stadium.
3. I will not disrupt the ceremony, while it progresses, with loud noise or other disruptive behavior so that every student will be offered the same opportunity to graduate with dignity.
4. I will use the prepared name card to announce my name as I cross the graduation stage. The card will reflect my LEGAL NAME and will be given to me by the PHS staff.
5. I will be escorted from the stadium by a police officer if my conduct is unacceptable.
6. Saving seats is not allowed as guests arrive.
7. I understand that I am to return this form to my counselor by Monday, May 12, 2025. I will not be allowed to march at graduation if I fail to return this form.
8. Males are to wear dark pants, white shirt, tie and dark shoes. Females are to wear white or light solid color dresses and light-colored shoes. No flip-flops, slides, bedroom slippers, tennis shoes, Crocs, or work boots.

Tear along the dotted line. Sign below indicating your agreement with the italicized statement & return the lower portion with signatures to the student’s counselor by Monday, May 12, 2025.

We have read the “Commencement Agreement” and understand the standards of behavior which are expected at the Prattville High School graduation ceremony on May 22, 2025.
