Dear LHHS Families:

Lake Havasu High School is pleased to announce we will offer TWO options for Summer School 2022, at no cost. It will be held June 1-June 29, 2022. **Attendance is vital in both options.** Students can be dropped from Summer School course(s). Students will choose ONE of the following TWO options:

Option A (core classes, to repeat a class or get ahead, total of 2 one semester classes allowed): HYBRID schedule, meaning @ 1.5 hours ON LHHS CAMPUS as well as a MINIMUM of 2.5 hours online at home. Campus hours will be from choice of: a) 8:00-9:30; b) 10:00-11:30; or c) 12:00- 1:30). You will choose which session on the application. The cafeteria will be open for breakfast from 7:30-8:00 and lunch between 11:30-12:00.

Course offerings include: Algebra 1-2, Geometry 1-2, Algebra 3-4; World History 1-2, US History 1-2, Civics & Economics; English (English 1-2, English 3-4, English 5-6, English 7-8); Science (Integrated, Biology, Chemistry, Earth Science, Ecology, Anatomy & Physiology). Incoming 9th graders will only be allowed to take Algebra 1-2

Option B (credit recovery if behind by 2 credits; up to 3 credits earned):

Online only, with expectation of working a min of 4 hours per week/day. Credit Recovery allows for students to make up credits, original grade (F) will still be included in GPA on transcript; some post-secondary schools may not accept the Credit Recovery class for admission requirements.

You or your student are able to pick up a Summer School 2022 application in the Counseling Office now. HavasuOnline students/parents must stop by LHHS for an application. A LHHS counselor will be able to assist you with determining which option/which classes are most appropriate for your student.

Although ample room, there will be a cap for each option. It would benefit you to return a signed application as soon as possible. **Deadline to sign up for Summer School will be May 10, 2022.**

If you have any questions or concerns, please reach out to your child's counselor.
