

CHILD NUTRITION PROGRAM CHARGE POLICY

The school food service program will, at all times, be operated in compliance with federal, state and local laws and regulations, as well as policies of the Board.

If a student does not have enough money to pay for their meal, their account will be debited the total amount of the purchase. Negative (debit) balances will be limited. A negative balance report will be given to principals weekly. Students may not charge a la carte purchases. The parent or guardian will be notified weekly of the student's negative account balance. An alternate meal will be served to students who reach the negative balance limit.
