*Sub-Region
Action*

Playing your last high school game could be very emotional, but if you're a person with leadership, friendliness, and most of all a great outlook on life, you can handle the situation and do well in life. This what Kenner means to our team: the 1975-76 edition of the Central High School Fighting Lions. We will miss her.

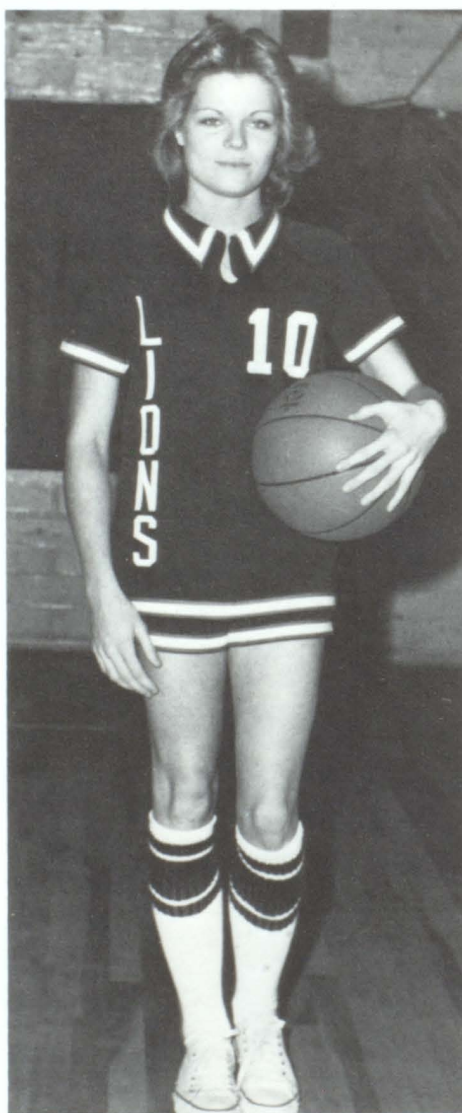

Coach Huffstickler

Kenner Daniel

"Dynamite comes in small packages." This statement says everything there is to know about little Number 10. Hustle, aggressive, determination and leadership are words that simply describe this Senior guard. This is what Tommie means to our team: the 1975-76 edition of the Central High School Fighting Lions. We will miss her.

Soul

The lonely soul of a person.
The graveyard of his mind
is full.
It's full of dead thoughts and
dead memories.

It moves in dull ways.
It has no sense of feeling.
It's a mysterious feeling living
in the graveyard of the soul
of a lonely person.

Lonely Tears

Tears
fill my eyes
like raindrops
fill the cloud
until it can
hold back
no longer
and lightly,
gently, they fall
leaving the sky
clear and easy
once again
as tears do my mind.

Reflections Shimmer

on the mirror
of my mind.

Love is Forgiveness

He slumped like a child
with a frown on his face -
knowing what he had done wrong.

But why?

She stared out the window
with a tear in her eye -
wondering what she had done wrong.

And why?

They sat in silence.

Slowly he reached across
with a questioning look on his face -
hoping she would respond
and how?

She let him take her hand,
the tears drying from her eyes -
and forced a shaky smile,
But why?

Because love is -
forgiveness.

Me

I am me
Silly and dumb, but me.
They ask me to grow up
and be myself.
No acting, nothing.
I have tried.
I know no other way.
Now I have changed.
And I see that I am no
longer me. I am someone
that they have made.
How can I be me
if I change?

If it's there, take it.
If it's not, reach for it...

So you -
I never was.

So me -
you always will be.

Jerry Brewton
11th Grade

What about the love that could have been? The love that can never be?
What will I do with all the love that's still inside of me?

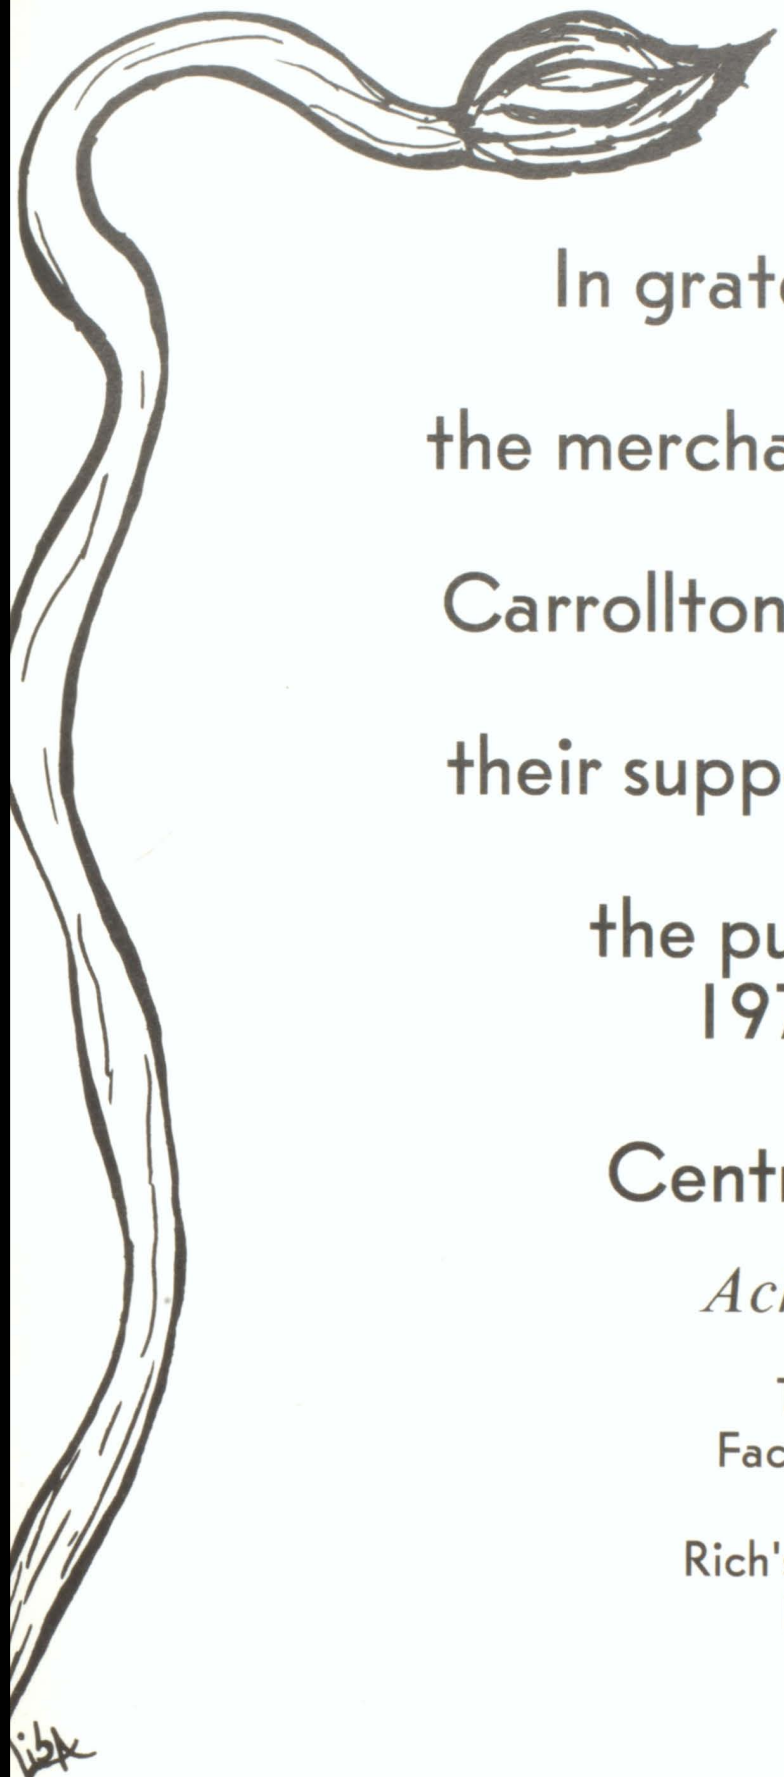

I don't understand, Lord. Why did you have to take him? I will be like
a tree without a limb. We'd only begun to know the love two
people can have. What's really in store for me now?

Give me the strength to carry on, the way he would want me to.
And please don't let everyone stare and say, "I know what
you're going through."

Because they don't...

In the olden days

Wearing a ring on the forefinger signified
a haughty spirit;
On the middle finger, prudence and dignity;
On the "ring" finger, love;
On the little finger, a masterful spirit.
Today, on any finger, your Balfour class ring
symbolizes moments and memories shared with
your classmates. Treasure them always.
