

HPS STUDENT ACCEPTABLE USE AGREEMENT

Grades K - 6

As a part of my schoolwork, my school gives me the use of computers and storage space on the server for my work. I understand that the use of school devices is a privilege. My behavior and language should follow the same rules I follow in my class and in my school. To help myself and others, I agree to the following promises:

1. I will use the computers *only* to do school work, as explained to me by my teacher and not for *any other* reason. I will not use a school computer for personal or illegal purposes.
2. I will use the Internet *only* in ways the teacher has approved.
3. I will not give my password to anyone else, and I will not ask for or use anyone else's password.
4. I will *not* put on the computer my address or telephone number, or any other personal information about myself or anyone else.
5. I will not upload, link, or embed an image of myself or others to unsecured, public sites.
6. I will not use games or other electronic resources that have objectionable content or that engage me in an inappropriate simulated activity.
7. I will be polite and considerate when I use the computer. I will not use it to annoy, be mean to, frighten, tease, or poke fun at anyone. I will not use swear words or other rude language.
8. I will not use the computer to bully or threaten anyone, including teachers, schoolmates or other children.
9. I will not try to see, send, or upload anything that says or shows bad or mean things about anyone's race, religion or sex.
10. I will not damage the computer or anyone else's work.
11. I will not break copyright rules or take credit for anyone else's work.

12. If I have or see a problem, I will not try to fix it myself but I will tell the teacher.
If the problem is an inappropriate image, I will turn off the monitor and then seek help.
13. I will not block or interfere with school or school system communications.
14. My computer use is not private; my teacher may look at my work to be sure that I am following these rules, and if I am not, there will be consequences which may include not being able to use the computer.
15. I know that the conduct that is forbidden in school is also forbidden when I use computers outside of school if it interferes with other students' education, and if I break the rules there will be consequences in school.

I have read and understand the above rules. I understand if I break any of these rules, I may lose the privilege of using the internet and may have other consequences.
