

You are invited by
The Frazier Class of 2029 and

To a special presentation of Midnight Radio!

Eighth Grade has been working hard on writing, acting, producing, and creating a fun radio style show. We want **YOU to see what good things the Eighth Grade team has been doing. **This is our holiday gift to you.****

Come back to the days of radio plays and enjoy student written and performed plays featuring dramatic scripts, voice actors, and foley artists. Don't know what Bricolage is? Come join us to learn about this unique experience for middle school students and hopefully help us sponsor funding for the program's future at Frazier.

Admission is FREE.
