Enrollment of a Foster Child

Resident Foster Children

Foster children residing within the district boundaries shall be enrolled as any other student that resides within the boundaries of the district. The SPC shall obtain any and all records pertaining to the student's current education. A list of these records is found in Appendix A of this document.

According to SBE Policy 30. 8, III. 2 (a)(ii) (page 5)....a foster parent with verification provided may enroll the foster care student in their care. Following the enrollment of the student the SPC will complete the enrollment document placing a copy on file in the office of the SPC while forwarding the original to the DPC. The DPC will keep on file the original until the student withdraws or graduates from the Webster County School District or the child is no longer in the care of Child Protective Services.

Non-Resident Foster Children

Foster children not residing within the district boundaries shall be enrolled once a determination has been made that it is in the best interest of the child to attend a school within the Webster County School District. The DPC in collaboration with CPS will meet with the SPC, Principal, Parents (if allowed), Foster Parents, and other interested parties. The meeting shall take place within 3 business days after CPS has sought to enroll the child in the Webster County School District or prior to CPS seeking enrollment in the Webster County School District.

A determination as to whether or not it would be in the best interest of the child to attend the school in the Webster County School District shall be made immediately following this meeting.

The Webster County School District recognizes the right of a foster child to attend the child's school of origin provided that it is reasonable.

Transportation

Webster County School District will collaborate with CPS, Foster Parent, and other LEA to devise a transportation plan that will best serve the needs of the student.

Withdrawal of a Student by CPS

CPS has the right to withdraw students assigned to them by a judicial authority. The SPC in this case is responsible for providing as many educational records as possible to make any transition from the school of origin to the new school a smooth transition. Records not on file in the school office shall be forwarded to the new school within 24 hours following a request by the school or CPS.

The SPC shall contact the DPC if he/she thinks it would be in the best interest for the child being withdrawn to remain in the school of origin. The DPC will immediately contact the Regional Director of Child Protective Services to relay the concerns of the SPC as well as possibly scheduling a time to discuss the child's educational placement.

Free/Reduced Lunch Application

Foster Care Parents or Child Protective Services should complete a Free/Reduced Lunch Form for the Webster County School District. The form along with verification of foster care shall be submitted to the School Point of Contact who in turn will forward the documents to the District Point of Contact.
