

## **2023-2024 Salary Schedule**

**AUTAUGA COUNTY BOARD OF EDUCATION**  
**SALARY SCHEDULE**  
**October 1, 2023 - September 30, 2024**

The 2023-2024 Salary Schedule provides a uniform and equitable payment of wages for services rendered by certificated and support employees.

Salaries in the Salary Schedule are based on years of experience, degree/certification and assignment. Credit may be granted for years of experience outside the system.

The payroll periods for all employees will be established according to a schedule developed based upon the school calendar.

Participation in the Retirement Systems of Alabama is mandatory if an individual is employed in a position that is eligible for coverage and is employed on at least a one-half time basis.

ACT 2023-376 provides for a 2% step increase for all employees.  
The adjustments are reflected in the 2023-2024 Salary Schedules.

**Additional State Approved Salary Adjustments:**

In ACT 2023-379, Education Trust Fund Budget, adjustments were made to the nurse salary schedule. Nurses are now 187 contract days.  
The nurse salary schedule extends to step 35 and has added different salary matrix based upon degree.

In ACT 2023-379, all classified positions must make at a minimum \$15.00 per hour based upon the number of contract days and number of hours per day required by the job.  
Salary schedules have been adjusted to reflect those changes.

In ACT 2023-379, state funded special education teachers, to include speech teachers, receive a \$1,000.00 stipend.  
Stipend will be distributed in two payments: December and May.
