# Vocabulary

## GSFC: Georgia Student Finance Commission

When it comes to financial aid and planning for college, there are some key terms you should know to help you understand the process and make informed decisions.

- **529 Plan**: Tax-advantaged savings plan designed to encourage saving for future college expenses. Path2College is Georgia's 529 plan.
- **COA (Cost of Attendance)**: Total cost of attending a college or university, including tuition, room and board, books, lab fees, transportation and basic living expenses.
- **EFC (Expected Family Contribution)**: Number used to determine your eligibility for federal student financial aid. EFC is determined by the financial information you provide on your FAFSA, the application for federal student aid. Your EFC is reported to you on your Student Aid Report (SAR).
- **FAFSA (Free Application for Federal Student Aid)**: Filling out a FAFSA is the first step in the financial aid process. To be eligible to receive federal financial aid, a student must complete FAFSA.
- **FSA ID**: Provides access to Federal Student Aid's online systems and can serve as your legal signature. You must have a FSA ID to complete the FAFSA.
- **Grant**: Money given to students for their education that does not typically have to be repaid. Often based on need, grants may come from federal or state programs, or sometimes from private charitable organizations.
- **HOPE GPA**: Your HOPE GPA determines if you are academically eligible for the HOPE or Zell Miller Scholarship. It includes only grades earned in core subjects-english, math, science, social studies, and foreign language. You can check your HOPE GAP beginning in 10th grade through your My GAfutures account.
- **Merit-based**: Financial aid based on academic, athletic or some other type of achievement.
- **Need-based**: Need-based financial aid is reserved for low-income students.
- **Pell Grant**: Federal program that provided need-based educational grants for low-income students. Pell Grants do not typically have to be repaid.
- **SAR (Student Aid Report)**: Your SAR summarizes the information entered on your FAFSA form and shows the amount of your EFC.

## Copyright Piracy Awareness Notification

Title I, Part A, Section 1116 of the Every Student Succeeds Act (ESSA) states that Title I schools shall provide information and resources to help parents and families work with their children to understand the harms of copyright piracy. In keeping with this requirement, definitions of relevant terms as well as links to websites that may be helpful in educating children concerning copyright piracy regulations are included below.

Copyright-a form of protection given to creators and authors of literary, dramatic, musical and artistic works. A copyright means that the author has the right to do or let other do any of the following things:

- Make copies
- Distribute copies
- Perform work publicly
- Display work publicly
- Make modifications or adaptations

Generally, it is illegal for anyone to do any of the things listed above without the creator's permission. However, there are some exceptions and limitations to this right. One major limitation is the Doctrine of Fair Use.

Copyright Piracy-Unauthorized reproduction for sale or use of a copyrighted work such as a book, lyric or software.

# College Prep Checklist

## 12th Grade

### Student's 12th Grade FALL Checklist

- Sign into your student GAfutures account to review your status for the following: GSFAPP, FAFSA (in December), ACT and/or SAT score, Selective Service Registration and HOPE calculated GPA.
- Review your *Plan&Pay4CollegeGA* 12th grade letter found on your GAfutures Dashboard.
- Meet with your school counselor to make sure you're on track to fulfill all graduation admissions and academic rigor requirements.
- If you haven't done so, take the necessary admissions tests - SAT, SAT Subject Test, ACT or Accuplacer. Be sure to have your test scores sent to GSFC (0472) by the deadline of high school graduation for Zell Miller Scholarship eligibility.
- Pay attention to deadlines and apply to the colleges you have chosen.
- Ask your teachers and counselors to submit required documents (letters of recommendation) to your preferred colleges.
- Submit a request through your My GAfutures account for your high school to send official transcript to any college you've applied to.
- Beginning in December, plan to complete the FAFSA. Attend a FAFSA completion event with your parents and get help filling it out (don't forget to create you and your parents FSA ID before you go).
- Find out if your college requires the CSS/PROFILE, a supplemental financial aid form, in addition to the FAFSA.
- Stay involved in after-school activities and work hard all year. Your grades can still impact financial aid and scholarship eligibility.

### Student's 12th Grade SPRING Checklist

- Complete any additional scholarship applications. In addition to submitting the FAFSA, be sure to submit the GSFAPP to qualify for state aid like the HOPE Scholarship.
- Decision time! Review your college acceptances, compare financial aid offers and plan visits to where you have been accepted.
- Review your family's financial situation and make sure you're planning for the cost of college appropriately. Visit the College Money Matters section and net price calculators on GAfutures.org for suggestions. The comparison tool at [consumerfinance.gov](http://consumerfinance.gov) is another helpful resource to compare college costs and financial aid offers.
- If you have questions about the aid being offered, contact that college's financial aid office.
- When you decide which college to attend, submit any required financial aid deposits, and confirm housing plans, freshman orientation dates and course registration. Also, notify the other colleges you were accepted to and withdraw your application.
- After you begin college, you will have access to your My College HOPE Profile allowing you to check your eligibility which in college.
