

***** P-EBT Update 11.7.22 *****

The P-EBT program is experiencing some delays with the card manufacturing company. Some eligible children still have not received a card. Based on what we know now, we expect cards for these children to be issued in mid-November. If you have questions, please call the P-EBT call center at [1-833-316-2423](tel:1-833-316-2423).
