School Calendar

We are planning and preparing our 2025–2026 school calendar. We will continue to include early dismissal days for staff to engage in professional development. In addition to these days, we will be incorporating weekly late-starts to support the implementation of Professional Learning Communities (PLCs). PLCs will allow staff to collaborate on data-informed decision making and instructional practices.

Tri-Online -free public virtual school option (grades K-12)

Enrolling in December - Classes Begin in January 2025

Tri-Online courses are designed to give your child a truly personalized learning experience. If your child is struggling in the traditional classroom, learning at a different pace than his or her classmates, or if your family schedule requires more flexibility, Tri-Online may be the right fit.

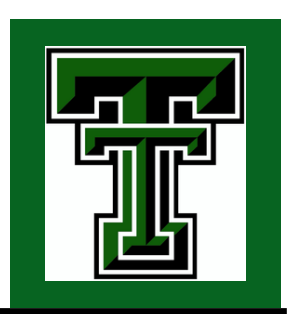

Every student enrolled in Tri-Online will be enrolled as a full-time Tri-Township student. Coursework will be directly delivered using an accredited online third-party curriculum vendor (Edmentum) EdOptions Academy. Students will have direct access to certified teachers who provide instruction. Tri-Township staff will monitor their progress. All students are provided with a device.
